Honey Badger Don't Care Randall,2012-01-24 Never before has wildlife narration been this bold and this hilarious. More than 40 million people have viewed Randall's honey badger video, "The Crazy Nastyass Honey Badger." "It has no regard for anyone or anything—it just takes what it wants! What a little badass!" When viewing wildlife footage, who hasn't thought at times, "Ewww! What the hell is that?!" Randall thinks it — and says so! In *Honey Badger Don't Care*, Randall examines and humorously informs on a dozen crazy, nasty animals of the wild kingdom employing his unique style of telling it like it is! His wildlife writing is refreshingly honest. If an animal scares Randall, he's not afraid to share. Unlike most nature writers, Randall doesn't deliver the sugarcoated or drab description. He "goes there" and shares his true feelings with his audience. Because of this, his readers feel that they can relate. Randall loves animals—even the ones that terrify him. He may not agree with how these animals conduct themselves in the world, but Randall wants everyone to know who they are. Just as he introduced the world to the honey badger, the Jesus lizard, and others, so will Randall shed light on twelve bizarre and interesting animals. Designed with callouts, sidebars, and more than fifty photos, *Honey Badger Don't Care* presents a wildlife book for adults—hilarious, irreverent, profane, yet charming, chatty, and informative. Don't be stupid—buy this book!

Hot and Badgered Shelly Laurenston, 2019-08-27 New York

Times and USA Today bestselling author of the ground-breaking Pride series, Shelly Laurenston launches a hilarious and action-packed series starring the badass honey badgers you've been waiting for! "Hot and humorous." —USAToday.com It's not every day that a beautiful naked woman falls out of the sky and lands face-first on grizzly shifter Berg Dunn's hotel balcony. Definitely they don't usually hop up and demand his best gun. Berg gives the lady a grizzly-sized t-shirt and his cell phone, too, just on style points. And then she's gone, taking his XXXL heart with her. By the time he figures out she's a honey badger shifter, it's too late. Honey badgers are survivors. Brutal, vicious, ill-tempered survivors. Or maybe Charlie Taylor-MacKilligan is just pissed that her useless father is trying to get them all killed again, and won't even tell her how. Protecting her little sisters has always been her job, and she's not about to let some pesky giant grizzly protection specialist with a network of every shifter in Manhattan get in her way. Wait. He's trying to help? Why would he

want to do that? He's cute enough that she just might let him tag along—that is, if he can keep up ...

The Honey Badger Brett Salisbury,Chuck Norris,2014-10-01

Things you might not know about the Honey Badger & Chuck Norris
Rated: PG-13 By Brett Salisbury & Chuck Norris If you are one of the 6.18 million people (and counting) who has watched YouTube sensation Randall's video The Crazy Nastyass Honey Badger, you may be wondering whether or not it is true. Randall's narration is hilarious - and entirely accurate. Honey badger really DON'T care. If anything, the honey badger is even more badass than Randall's video gives it credit for. First, the name. Both honey and badger are misnomers. The honey badger is more closely related to weasels than to badgers (although both are mustelids). And although the honey badger enjoys snacking on the honey and grubs to be found in beehives, it is primarily a carnivore that will eat anything living or dead that crosses its path. (In parts of India where the honey badger is common, people have to take care to bury their deceased well. Honey badgers are notorious for digging up and eating human corpses.) In one of the more remarkable video clips, the honey badger is shown being bitten by a cobra. The honey badger seems to fall asleep for a while. It then wakes up, groggily shakes off the effects of the venom, and continues eating the cobra. This is possible because the honey badger is one of the few animals in the world which is immune to cobra venom. The book is hilarious with great pictures of the Honey Badger and a few of Chuck Norris

Honey Badger vs the World #1 Doug Dlin,2013-01-01 MATURE READERS This is the Honey Badger. He's had his own video,

commercials, and even a comic book. But Honey Badger don't care. Long as he gets to eat whenever he's not asleep, that's all that matters. Plenty of animals, people, and...things...have a problem with the Honey Badger's attitude, and they're all gonna be up in his furry grill, but when you're that badass, you don't give-well, you know.

In a Badger Way Shelly Laurenston, 2019-03-26 “Hot and humorous.” —USAToday.com Petite, kind, brilliant, and young, Stevie is nothing like the usual women bodyguard Shen Li is interested in.
