Victor H. Green

The Negro Motorist Green Book Victor H. Green,
The idea of The Green Book is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Miss Dorothy and Her Bookmobile Gloria Houston, 2011-01-25 When Dorothy was a young girl, she loved books, and she loved people, so she decided that she would become a librarian. Dorothy's dearest wish is to be a librarian in a fine brick library just like the one she visited when she was small. But her new home in North Carolina has valleys and streams but no libraries, so Miss Dorothy and her neighbors decide to start a bookmobile. Instead of people coming to a fine brick library, Miss Dorothy can now bring the books to them—at school, on the farm, even once in the middle of a river! Miss Dorothy and Her Bookmobile is an inspiring story about the love of books, the power of perseverance, and how a librarian can change people's lives.

Mobituaries Mo Rocca, 2021-11-02 From popular TV correspondent and writer Rocca comes a charmingly irreverent and rigorously researched book that celebrates the dead people who made life worth living.

When I Was the Greatest Jason

Reynolds, 2014-01-07 From #1 New York Times bestselling author Jason Reynolds, a "funny and rewarding" (Publishers Weekly) coming-of-age novel about friendship and loyalty across neighborhood lines and the hardship of life for an urban teen. A lot of the stuff that gives my neighborhood a bad name, I don't really mess with. The guns and

drugs and all that, not really my thing. Nah, not his thing. Ali's got enough going on, between school and boxing and helping out at home. His best friend Noodles, though. Now there's a dude looking for trouble—and, somehow, it's always Ali around to pick up the pieces. But, hey, a guy's gotta look out for his boys, right? Besides, it's all small potatoes; it's not like anyone's getting hurt. And then there's Needles. Needles is Noodles's brother. He's got a syndrome, and gets these ticks and blurts out the wildest, craziest things. It's cool, though: everyone on their street knows he doesn't mean anything by it. Yeah, it's cool...until Ali and Noodles and Needles find themselves somewhere they never expected to be...somewhere they never should've been—where the people aren't so friendly, and even less forgiving.

I Hear a Pickle Rachel Isadora, 2017-09-05 *
“Isadora's book about the five senses is aimed perfectly at another sense—kids' sense of humor.”—The Horn Book, starred review
Caldecott Honor winner Rachel Isadora's sweet and simple introduction to the five senses is perfect for the youngest children, who will recognize themselves in charming vignettes portraying a wide range of childhood activities. Hearing, smelling, seeing, touching, tasting—our five senses allow us to experience the world in so many ways! With our ears we hear the birds sing; with our nose we smell the stinky cheese; with our eyes we see the moon and stars (and sometimes glasses help us see even better!); with our skin we feel the rain (and learn not to touch the hot stove!); and with our

tongue we can taste our favorite foods. Isadora's lively art reveals the power and delight of each sense.

Rails Around Houston Douglas L. Weiskopf, 2009
Several railroads were chartered by the Republic of Texas, but the first line built was the Buffalo Bayou, Brazos and Colorado, which began construction near the Port of Houston Turning Basin in 1851. The BBB&C would become the oldest segment of the country's first transcontinental railroad under sole ownership: the Southern Pacific's Sunset Route, connecting New Orleans and Los Angeles and completed in 1883. By the time oil was discovered near Beaumont in 1901, Houston was such a transportation hub that it became the heart of the petrochemical industry. Houston saw narrow-gauge lines, two interurban lines, light rail, and even a monorail. For many years, the chamber of commerce proudly proclaimed that Houston was the place where seventeen railroads meet the sea. More than 30 beautiful trains with names like Sunset Limited, Sunbeam, Sam Houston Zephyr, Twin Star Rocket, Bluebonnet, Texas Rocket, and Texas Chief would serve three depots.

Public Libraries and Resilient Cities Michael Dudley, 2013 Public libraries are keystone public institutions for any thriving community, and as such can be leaders in making cities better places to work, play, and live. Here, Dudley shows how public libraries can contribute to 'placemaking', or the creation and nurturing of vital and unique communities for their residents.

Del Pueblo Thomas H. Kreneck, 2012-02-13 Though relatively small in number until the latter decades of the nineteenth century, Houston's Hispanic population possesses a rich and varied history that has previously not been readily associated in the popular imagination with

Houston. However, in 1989, the first edition of Thomas H. Kreneck's *Del Pueblo* vividly captured the depth and breadth of Houston's Hispanic people, illustrating both the obstacles and the triumphs that characterized this vital community's rise to prominence during the twentieth century. This new, revised edition of *Del Pueblo: A History of Houston's Hispanic Community* updates that vibrant history, incorporating research on trends and changes through the beginning of the new millennium. Especially important in this new edition are Kreneck's historical contextualization of the 1980s as the "Decade of the Hispanic" and his documentation of other significant developments taking place since the publication of the original edition. Illustrated with seventy-five photographs of significant people, places, and events, this new edition of *Del Pueblo: A History of Houston's Hispanic Community* updates the unfolding story of one of the nation's most influential and dynamic ethnic groups. Students and scholars of Mexican American and Hispanic issues and culture, as well as general readers interested in this important aspect of Houston and regional history, will not want to be without this important book.

Uncovered Leah Lax, 2015-08-28 *Uncovered* is the only memoir to tell of a gay woman leaving the hasidic fold. Told in understated, crystalline prose, Leah Lax begins her story as a young teen leaving her secular home to become a hasidic Jew, then plumbs the nuances of her arranged marriage, fundamentalist faith, and hasidic motherhood as, all the while, creative, sexual, and spiritual longings tremble beneath the surface.

Her Guarded Heart Sharlene MacLaren, 2022-03-15 At age twenty-one, Anna Hansen has had more than her share of hardship. Her mother died when she was eleven and her father just passed away under

mysterious circumstances, leaving her to care for her ten-year-old brother, Billy Ray. She struggles to hang onto the family farm but it's facing foreclosure and things are looking grim. Next door, Jesse Fuller's drive, work ethic, and skill ensure that his family's farm is a growing success. His brothers think he should marry Anna to help out her and her kid brother...while also enabling the Fullers to expand their operation. But Jesse has never had romantic feelings for Anna and the idea doesn't appeal to him. In the meantime, Horace Blackthorn is hell-bent on acquiring the Hansen farm for reasons of his own. And he'll do whatever it takes to get it—lie, cheat, steal...even murder.

Career Guide to Industries ,2006

Dead Insider Victoria Houston,2013-06-18 In the midst of a catastrophic August rainstorm, a grisly discovery shatters the serenity of a summer evening in northern Wisconsin. Moving quickly to prevent a panic among tourists, Loon Lake Police Chief Lewellyn Ferris enlists the forensic and interrogation skills of her close friend and fellow fly fisherman, the retired dentist Doc Osborne. Within hours of launching their investigation, they find themselves faced with a national media circus as Loon Lake becomes the focus of a murderous scenario that links the murder to the race for the U.S. Senate by a woman who is heir to a Northwoods fortune and other, less savory, family traditions. In the meantime, Doc Osborne's eldest daughter, Mallory, enters into a relationship that may put her life at risk—unless her father and Chief Ferris can find the killer stalking the residents of Loon Lake.
