How to Analyze People Jordan Harris, 2010-01-14 97 percent of all communication is nonverbal. Only 7 percent of meaning comes from our words. Have you ever been curious as to what people are thinking about? In this book you will learn the Techniques and strategies that will enable you to recognize certain behavioral patterns. You will learn what people really think about you, You can use these techniques to improve your relationships, career, and self development. The techniques used in this book can be used on anyone at anytime. This book contains proven steps and strategies on how to read other people through their body movements, their head gestures, their posture, their proxemics, and even by looking into their eyes. A greater percentage of modern communication is considered as nonverbal. A tilt of one's head, the thrust of one's lip - all of these provide subtle clues about his personality and the meaning behind his words. Understanding other people on sight and deciphering their messages through their unconscious movements will help sharpen your intuition and develop your critical thinking skills. Often, we tend to judge people in a very biased manner. The fact is that these preconceptions are difficult to get rid of. Many times, this causes us to form inaccurate judgments. This book's goal is to help you see the social world from a whole new angle. Nonverbal Cues will show you the truth There are several factors that hinder an individual's ability to communicate freely. If you're a parent or a caregiver, it is important to identify nonverbal cues that indicate distress. Being able to analyze a person on sight may also be extremely beneficial to one's career and social life. It helps you to become a better communicator and allows you to build your presence. On an intimate level, being able to decode a person's non-verbal messages will help you determine the degree of their interest towards you. More than that, being able to read a person on sight prevents you from being the victim of deceit. No one wants to go about blindly in this world. By reading this book, not only will you be able to really look at people, you will also be

able to perceive them. What you will get from this book Learn to differentiate between different Gestures and Kinesics Learn what hand gestures and body movements really imply Determine if someone agrees or disagrees through Head gestures Determine if someone is attracted through their eye contact Read true intentions and feelings towards you from facial expressions Learn how Proxemics(distance) influence's someone's behavior Learn how to read posture and body movements Benefits this book can provide you Build a Stronger Career Have a better Social Life Have more self confidence Have deeper relationships with people Today only get a discount of .99\$ regularly priced at 4.99\$ Take advantage of this special offer today Scroll up and buy right now!
