How to Live with Less Genalin Jimenez, 2018-12-30 Have you ever thought of living on less and becoming a minimalist in the process? If not, well, maybe you should. Minimalism can enhance your productivity, and help you become more successful at work, in particular and in life, in general.

Less Is More Zoe Ingram, 2014-11-13 If you're feeling overwhelmed, stressed out, or tied down by the sheer amount of stuff around you, then shifting to a minimalist mindset may be exactly the solution you're looking for. Minimalism is a concept that can give you freedom and help you gain control again over your out-of-control environment. Minimalism is about being the happy monarch of your own kingdom - your space and surroundings - and ruling it the way you want, rather than letting your land rule you. It is not about living with less than a certain number of items, or keeping only what can fit in a backpack, and it's certainly not a one-size-fits-all solution. The goal here is to live with what you need and what makes you happy, rather than being surrounded by mounds of items that serve no specific purpose in your life. While this may be a difficult journey, think of it as a cleansing of your soul. Regardless of the reason you choose to practice Minimalism, there is a very simple reason that it is addictive for those who have chosen this path - it works!

Goodbye, Things: The New Japanese Minimalism Fumio Sasaki, 2017-04-11 The best-selling phenomenon from Japan that shows us a minimalist life is a happy life. Fumio Sasaki is not an enlightened minimalism expert or organizing guru like Marie Kondo—he's just a regular guy who was stressed out and constantly comparing himself to others, until one day he decided to change his life by saying goodbye to everything he didn't absolutely need. The effects were remarkable: Sasaki gained true freedom, new focus, and a real sense of gratitude for everything around him. In *Goodbye, Things* Sasaki modestly shares his personal minimalist experience, offering specific tips on the minimizing process and revealing how the new minimalist movement can not only transform your space but truly enrich your life. The benefits of a minimalist life can be realized by anyone, and Sasaki's humble vision of true happiness will open your eyes to minimalism's potential.

Living Well, Spending Less Ruth Soukup, 2014-12-30 "If you struggle to simplify your life and wish you could savor the here and now, this book is a must-read." —Crystal Paine, founder of MoneySavingMom.com and New York Times–bestselling author Have you ever felt that your life—and budget—is spiraling out of control? Do you sometimes wish you could pull yourself together but wonder exactly how to manage all the scattered pieces of a chaotic life? Is it possible to find balance? In a word, yes. Ruth Soukup knows firsthand how stressful an unorganized life and budget can be. Through personal stories, biblical truth, and practical action plans, she will inspire you to make real and lasting changes to your personal goals, home, and finances. With honesty and the wisdom of someone who has been there, Ruth will help you: Discover your "sweet spot" —that place where your talents and abilities intersect. Take back your time and schedule by making simple shifts in your daily habits. Reduce stress in your home and family by clearing out the clutter. Stop busting your budget and learn to cut your grocery bill in half. This book provides real and practical solutions from someone who has been there. Ruth doesn't just offer advice, she walks it with you, and shares with brutal honesty her own mistakes, failures, and shortcomings. It is encouraging, motivating, and life-changing. "An inspiring book full of step-by-step instructions and spiritual wisdom. I love how Ruth is transparent about her mistakes as she leads us to reevaluate our

priorities. This book is a great biblical guide to living well and finding joy!” —Courtney Joseph, founder of Women Living Well Ministries

Live Better, Spend Less, and Save More William C. Haerberle, 2009-06 Live Better, Spend Less, and Save More - Spending and Saving: How to Get Credit and Your Money to Work for You is about what works for real people in the real world. Too much of the financial advice available today is simply not workable for most people in the real world. I have included in this book what I have found works for people, and left out what I have found does not work for people. For example, you will not see a budget in this book. A budget is one of the most common items of financial advice. Use a budget you are told. The problem is most people cannot sustain the use of a budget for any length of time. In public speaking, I ask people how many of them use a budget. The number of people using a budget is small. Why? Because a budget is about limiting spending and most people do not like the limiting concept. Instead I have developed tools that are not based on limitation. My tools are focused on getting you what you want and less of what you do not want.
