Mother Goose Move Over Or You're Gonna Love Poetry Sara Loo, 2013-11-24

Poetry has been here from the beginning. It is the vehicle we board that will take us to faraway lands, or to simply make us feel good, or to express the best and the worst that is in us. Yet it is much more for the child. Poetry allows the child to experience the very magic of words. Even when a child does not understand those words, when he is exposed to the sound and rhythm of language, he becomes sensitive to even the smallest sounds of speech. It becomes the foundation that builds for him a genuine love of reading. But there are other elements found in poetry that contribute to the magic. One of them is metaphor. Here is a book of poetry that is bursting with the exchange of one thing for another; and like two complementary colors placed side by side, this book sings. Examples: The sun is a yellow lollipop! The moon is an orange slice! from the poem *Dreaming In The Land Of Nice*, and Spring put on her bonnet. Miss Lady Bug came to town! from the poem *Spring Put On Her Bonnet*, and lastly, The raccoon wouldn't go to sleep. His coat was in the field. taken from the poem *Autumn Magic*-- all show the resemblance of one thing to another in a delightful way. Another important element needed to engage a child is imagination. Every normal child comes fully equipped with an imagination to one degree or another. It is the poet's job to unlock that imagination and set it free. Here is a book where the imagination can soar to great heights. *I Love To Chase My Shadow* comes alive as the shadow takes on a life of its own and goes after the boy in the poem. *Kindness* went out to play all on a summer's day. This poem presents kindness as the friend we all should be. *I the tooth fairy am watching your care*. Here the Tooth Fairy is presented alive and responsive and children respond in kind. They love it. Their imagination is fueled. They are fired up. In the poem *The Kite*, the kite is not some static feature. It is alive. It speaks. It tells the child

exactly what it is like to fly. And the ending, like most of the poems, arrives with a sweet little twist. It is like something someone puts into a drink that doesn't reveal itself until a moment after the drink is consumed. And then the delicate aftertaste delights the taste buds and we feel thoroughly refreshed. Mother Goose Move Over or you're gonna love poetry isn't just for children. Perhaps better said, Mother Goose Move Over or you're gonna love poetry awakens the child in all of us. Sara Loo is a gifted poet. Her description of the swan in Pond Princess is spot on. After giving the perfect delineation of the swan's behavior in the kingdom of all flying creatures, she closes with, What gives this lady such regal air? It's a heaven kept secret, a divine affair. In the poem Little Diary the author lays out the wonders of the creation and then begins to focus on the subject of change. Watch how she brings the poem to a conclusion. When I look like all the people standing tall as they can be, will I always sweet remember when I was little me? Maybe best of all, this poetry actually says something. There is nothing gibberish about it. (Not to put down gibberism. On occasion it is the only thing that works. But that is on occasion.) This book is the continuance of what made Mother Goose famous, e.g. THE MAN IN THE MOON The man in the moon is a pretty good scout. He pulls the tides in and he pulls the tides out. With the tilt of his chin he pulls the tides in, And with nary a shout he pulls them back out. This is simplicity on steroids. It is the magic of words contained in the simplicity of thought. It is the new book by Sara Loo, a book soon to be found on every bookshelf. These thirty poems will be favorites with your children hands down. You will find yourself going back to these poems again and again, because this is what happens when something so fills us with delight. Enjoy! Find Sara Loo at www.saraloo.com

The Arnold Lobel Book of Mother Goose Arnold Lobel, 2022-10-11 A stunning and picture book reissue of the "brilliant" (The New York Times Book Review) classic Mother Goose collection of over 300 rhymes illustrated by Caldecott Medal winner Arnold Lobel. This treasury of 302 timeless rhymes includes both favorite and less familiar verses that are the foundation of any child's language development, such as "This little pig went to market" and "There was an old woman who lived in a shoe." Mommy Goose Mike Norris, 2015-12-02 Playing hopscotch in the schoolyard or hide-and-seek in the woods, Appalachian children once recited traditional

nursery rhymes from memory. As kids do, they frequently altered the original rhymes, making them even more colorful in the process. In *Mommy Goose: Rhymes from the Mountains*, author Mike Norris honors this special piece of American heritage with a one-of-a-kind collection of fifty original nursery rhymes celebrating Appalachian tradition and speech. Illustrated with art-quality photographs of more than one hundred new hand-carved and -painted works by renowned folk artist Minnie Adkins, this enchanting book introduces readers of all ages to the whimsical world of Mommy Goose and shares her love of the rare music of Appalachian speech and of words in general. Mommy Goose is designed to engage young children with a series of simple and often humorous verses that gradually become more challenging as the book progresses. Readers can advance to longer, more complex rhymes as their skills develop -- at home or with the guidance of teachers. Featuring sheet music for the original song Tell me, Mommy Goose, this multidimensional book is certain to entertain while introducing a new generation to hallowed folk traditions.

Mother Goose of Pudding Lane Chris Raschka, 2019-09-10 Celebrated picture book creators Chris Raschka and Vladimir Radunsky offer one possible answer to the age-old question: Who was Mother Goose? We all love to hear Mother Goose rhymes and riddles. But did you know that there was a real Mother Goose who lived in Boston more than three hundred years ago? In 1692, Elizabeth Foster married a widower with ten children. His name was Isaac Goose, and after they married, Elizabeth became Mother Goose. She and Isaac had four more children together, and to help her care for such a big and boisterous family, Mother Goose sang songs and lullabies and made up rhymes and poems. Her nursery rhymes and stories were published at a print shop on Pudding Lane in Boston, though no copies of her book exist today. In a book featuring some

of Mother Goose's best-loved works, Vladimir Radunsky's bright and humorous illustrations and Chris Raschka's rhyming poems tell the little-known story of the Goose children, Isaac, and Elizabeth herself – the Mother Goose of Pudding Lane.
