Legendary Indian Cricketers Ravi Chaturvedi,2009-01-01 *Legendary Indian Cricketers'* follow the form and format of the ragas of Indian classical music. The first phase, which spans over several decades, has the leisurely pace of village life; the second phase, which unfolds over the 1950s and 70s, goes with a simple, measured melodious beat; while the third is a kind of scherzo, where action is compressed into less than a day. All the same the scene, the setting and the structure of the *Legendary Indian Cricketers* (Men, Moments and Memories) are classically Indian. The echoes and the ethos too have a typical Indian flavour. '*Legendary Indian Cricketers'* is a saga of some of the cricketers who have moulded the game and won acclaim both at home and abroad. The author has highlighted the contribution of 52 cricketers - ranging from Ranji to Umrigar, from Gavaskar to Sehwag, from Nissar to Srinath, from Pawlankar to Gupte, from Bedi to Harbhajan, from Amar Singh to Kapil, from Navle to Engineer and from Lall Singh to Kaif. The captaincy that spans from Nayudu to Kapil and Ganguly to Dhoni has added to the flavour of the book. Every legendary Indian cricketer is well portrayed and it provides interesting and informative ingredients to this absorbing work of reference.

Cricket India: Tales Untold Raju Mukherji,2020-11-05 With cricket at its soul, *Cricket India: Tales Untold* is a masterpiece of history-replete with accounts of rousing patriotism on one hand and petty self-centricity and malice on the other-the two opposing sentiments that make for the most intriguing study of human nature. It is a tale of a young nation's grit to master the master's game and the legendary people who gave their all to lift not only the game but the country from subordination to equality.

Autobiography of an Unknown Cricketer Sujit Mukherjee,1996

Playing It My Way Sachin Tendulkar,2014-11-06 The greatest run-scorer in the history of cricket, Sachin Tendulkar retired in 2013 after an astonishing 24 years at the top. The most

celebrated Indian cricketer of all time, he received the Bharat Ratna Award - India's highest civilian honour - on the day of his retirement. Now Sachin Tendulkar tells his own remarkable story - from his first Test cap at the age of 16 to his 100th international century and the emotional final farewell that brought his country to a standstill. When a boisterous Mumbai youngster's excess energies were channelled into cricket, the result was record-breaking schoolboy batting exploits that launched the career of a cricketing phenomenon. Before long Sachin Tendulkar was the cornerstone of India's batting line-up, his every move watched by a cricket-mad nation's devoted followers. Never has a cricketer been burdened with so many expectations; never has a cricketer performed at such a high level for so long and with such style - scoring more runs and making more centuries than any other player, in both Tests and one-day games. And perhaps only one cricketer could have brought together a shocked nation by defiantly scoring a Test century shortly after terrorist attacks rocked Mumbai. His many achievements with India include winning the World Cup and topping the world Test rankings. Yet he has also known his fair share of frustration and failure - from injuries and early World Cup exits to stinging criticism from the press, especially during his unhappy tenure as captain. Despite his celebrity status, Sachin Tendulkar has always remained a very private man, devoted to his family and his country. Now, for the first time, he provides a fascinating insight into his personal life and gives a frank and revealing account of a sporting life like no other.

Indian Cricket and Corruption Kishin R. Wadhwane, 2005

The Magic of Indian Cricket Mihir Bose, 2006-04-18 In the last twenty years, Indian cricket has been transformed. With the arrival of global television networks, mass-media coverage and multinational sponsors, cricket has become big business and India has become the economic driving force in the world game. For the first time a developing country has become a major player in the international sports arena. This fully updated and revised edition of Mihir Bose's classic history is a unique account of the Indian cricket phenomenon. Drawing on a combination of extensive research and personal experience, Bose traces the development of the Indian game from its beginnings as a colonial pastime to its coming of age as a national passion and now a global commercial powerhouse. This illuminating study reveals Indian cricket's central place in modern India's identity, culture and society. Insightful, honest and challenging, Bose tackles the myths and controversies of Indian cricket. He considers the game in terms of race, caste, politics, national consciousness and ambition, money, celebrity and the media, evoking all the unpredictability, frustration and glory that is the magic of Indian cricket.

Going Places K R Guruprasad, 2011-01-19 How eleven men from the margins changed the way cricket is played and perceived beyond the metros. This is the story of a unique XI made up of cricketers--among them, Mahendra Singh Dhoni, Virender Sehwag, Harbhajan Singh, Suresh Raina, Munaf Patel and S. Sreesanth--who made the leap from the hinterland to centre stage. Difficult as it is to become a top-flight cricketer in India, it is doubly so for those growing up in small towns and villages. Yet there have been inspiring exceptions who have not let place names such as Azamgarh, Davangere, Ikhar, Jalandhar, Jamnagar, Kakur, Meerut, Muradnagar, Naichanpur, Najafgarh and Ranchi deter them from realizing their ambitions. These men have made the transition from rice fields and akharas to hallowed sports grounds, from abject poverty and menial jobs to IPL riches, from tennis balls and rough-hewn bats to shiny, red leather balls and sponsored cricket bats. A combination of a supportive family, a determined coach, talent and sheer hard work did the trick for them. Without this mix, the gentleman's game would have lost these gifted players to farming, a job in Africa or driving a truck in Canada. India is fortunate to have this 'team' of small-town cricket heroes.

Driven Vijay Lokapally, 2023-11-18 Virat Kohli, the undisputed monarch of the cricket world today, is no stranger to loss. His biggest support both on and off the field--his father Prem Kohli--succumbed to a cerebral stroke when Virat was only 18 years old. In a fitting tribute that would've made his father proud, Virat returned to the field to continue an innings just a few hours after his father passed away. In *Driven*, Vijay Lokapally recounts happier times in the journey of Virat's rapid

rise to international stardom-an account punctuated with little-known stories from fellow players, coaches, and intimates. Virat is already the recipient of countless accolades including the Arjuna Award, the Padma Shri, India's highest sporting honour-Major Dhyan Chand Khel Ratna, the title of BCCI's 'International Cricketer of the Year' as well as the ICC's 'ODI Cricketer of the Decade'. But for him, it's not about the fame or the money, or the roar of the crowds. Few know of his altruistic nature and his dedication to numerous charities for underprivileged children. What has not escaped the public eye though, is how this wizard of the willow wears his heavy mantle with such insouciant ease. In this revised and updated World Cup edition, readers can now delve deeper into Virat Kohli's cricketing journey with two new chapters, including one dedicated to his performance in the World Cups. Additionally, this edition features new images that offer a visual insight into his career, and an entertaining statistics section that provides fascinating cricketing statistics and records.

M R Baig Cdr Y Hemanth Kumar,2023-08-31 At the time of writing this book, Mirza Rahmathullah Baig is possibly India's only living cricket coach from the yesteryear. An Indian Navy veteran, former Services & Hyderabad Ranji Cricketer and North Zone Duleep Trophy player, he played a pivotal role as the South Zone Coach in several National Camps in the years leading up to India's first World Cup victory in 1983. With a career spanning over six decades, M.R. Baig has trained an astounding number of over 28 International Cricketers, 35 National Cricketers, and hundreds of cricket players at state, district and school levels. Described by many as a 'Legend' and a 'Master Craftsman', Baig Sir's passion for the game and his commitment to excellence is unmatched. For him, coaching is not just about teaching the technical aspects of the game, but also about instilling the right values and mindset in young players. With testimonials of some of the India's most important and eminent cricketing legends, this book presents the untold story and vision of M. R. Baig, who helped shape the careers of some of India's greatest cricketers and silently paved the way for India's rise to dominance in the world of cricket.
