The Politics of Proverbs Wolfgang Mieder,1997 Demonstrates how proverbs and to a lesser extent proverbial expressions, have played a significant role in political life during the 20th century. Takes as major examples the speeches and writings of Adolf Hitler, Winston Churchill, and Harry Truman to show how proverbs can be brought into the service of most any ideology. Don't Stand in Front of a Palace Or Behind a Horse Tonse N. K. Raju,Arthur Baltazar,2001 The beautiful Carolina coast is the setting for this novel. Kimberly Marshall's life was one most

women would envy. She was sincere, beautiful and was married to a very rich older man who worshipped her. Her world came crashing down around her the day she discovered a Voodoo Doll in the bottom drawer of her husband's desk. The doll was made into the exact image of Kimberly, wearing a yellow dress identical to one of hers. She was shocked to discover the top of the dress was smeared with blood and long straight pins pierced through the chest straight into the back. Then, the threats began.....someone connected to her household was trying to kill her and each attempt became worse than the last one. Kim enlists the help of a handsome neighbor to come to her rescue and help her solve the mystery and stop the killing before both of them become victims themselves. Kim has a very hard time believing that her husband or anyone in his family is trying to murder her, but she discovers that only the persons in her household would have direct contact with her; the house is too well guarded for an outsider to be able to get that close to her. Mystery, mayhem, romance and an unusual secret are combined in this book and will keep the reader guessing until the very end.

The Henna Artist Alka Joshi, 2021-08-05 Trusted with the secrets of the wealthy, she can never reveal her own... Escaping from an abusive marriage, seventeen-year-old Lakshmi makes her way alone from her 1950s rural village to the pink city of Jaipur. There she becomes the henna artist-and confidante-most in demand to women of the upper class. Known for her original designs and sage advice, Lakshmi must tread carefully to avoid the jealous gossips who could ruin her reputation and her livelihood. As she pursues her dream of an independent life, she is startled one day when she is confronted by her husband, who has tracked her down these many years later with a young girl in tow-a sister Lakshmi never knew she had. Suddenly the caution that she has carefully cultivated as protection is threatened. Vivid and compelling in its portrait of one woman's struggle for fulfillment in society, *The Henna Artist* opens a door into a world that is at once fascinating, stark and cruel.
