

Indian Women Leaders

Rajashi Ghosh, Gary N. McLean

Indian Women in Leadership Rajashi Ghosh, Gary N. McLean, 2018-10-10 This book provides intriguing insights into the development of highly qualified women leaders in diverse Indian contexts and their role at national and organizational levels. While India has made enormous economic strides in the past few decades, gender inequality and underutilization of female talent remain deeply rooted and widely spread in many parts of Indian society. This book addresses an urgent need to stop treating Indian women as underdeveloped human capital and begin realizing their potential as leaders of quality work. This book will fill the gap of research on international leadership for students, academics, and multinational organizations.

Unveiling Women's Leadership Payal Kumar, 2015-10-01 Unveiling Women's Leadership provides a penetrating insight into the world of Indian woman leaders. The book unravels the unique challenges facing the Indian woman leader who has to juggle several challenges including patriarchy, the caste system, harassment, and society's expectation that she ought to fit snugly into stereotypical roles.

Remarkable Contributions Akanksha Anand, 2014-06-02 Designed to meet the needs of students, teachers, practitioners, and researchers, this fascinating and insightful, contemporary text is from an author who is a research scholar in the area of leadership, gender, and organizational studies. The book provides a firm grounding in theory driven by mixed methods research, including the inquiry into leadership behaviors in India. It uniquely addresses two profound changes taking place in the 21st century: namely, the explosion of interest in the leadership of India's growing service industry, and secondly, the emergence

in the leadership of women in service sectors of India. Globalization demands the reliance on effective organizational leadership, and women's leadership in India specifically has long gone unexamined. This book brings the understanding of this remarkable leadership of women to life through the use of case studies that capture their extraordinary real lives, and a survey of their team members. Remarkable Contributions: India's Women Leaders and Management Practices is drawn from the author's funded research on leadership behaviors, women in management, and organizations. Key Features: Boxed, inserted case examples illustrate key concepts and methodological findings, exposing the readers to a variety of applications of leadership behaviors. Multiple research methods, such as the survey, in-depth interviews, and case studies, build upon the content of the book to examine leadership behaviors and styles in India. A diverse leadership study offers suggestions and information based on the author's successful experiences in conducting the studies with experts in the field both in India and abroad. A review of studies strengthens the methodological instruction order to aid the research findings. Exclusive survey responses from the leader's team members on their perceptions of women leaders in India. Cross-cultural context of leadership, covered through reviewing international studies on work cultures and environments.

The Women Who Ruled India Archana Garodia Gupta, 2019-04-20 'People say that I am a quarrelsome woman...' TARABAI, MARATHA QUEEN (1675-1761) The history of India, more often than not, is a history of the men who were in charge. Largely forgotten are the women who, even centuries earlier, shaped the fates of entire kingdoms. In *The Women Who Ruled India*, writer and researcher Archana Garodia Gupta revives 20 such powerful

figures from the archives, offering us a glimpse of their fascinating lives. Among them are Begum Samru, a courtesan who went on to become the head of a mercenary army and the ruler of Sardhana; Didda of Kashmir, known for her keen political instinct and a ruthlessness that spared no one; Rani Abbakka of Ullal, the fearless queen who took on Portuguese colonizers in their heyday; and Rani Mangammal of Madurai, the famed administrator who built alliances at a time when going to war was the order of the day. These women and others like them built roads, instituted laws and were generous patrons of the arts and sciences. Their stories of valour and diplomacy, leadership and wit continue to inspire today. Peppered with anecdotes that showcase little-known facets of their personalities, the accounts in this book celebrate heroic rulers who – ‘quarrelsome’ though they might have been – were iconoclasts: unafraid to forge new paths.

The Voyage to Excellence Nischinta Amarnath, Debashish Ghosh, 2005 A never-ending desire to strive, to seek, to find, and not to yield. It is this indomitable human spirit that two young authors give expression to through their creative endeavours in *The Voyage to Excellence*. In this bold venture, Debashish Ghosh and Nischinta Amarnath give an insight into the dynamics of different business models spearheaded by exceptional human beings.

Greatest Indian Women Leaders Reads : Biography of Annie Besant/Biography of Indira Gandhi/Biography of Madam Bhikaji Cama/Biography of Sarojani Naidu/Biography of M.S. Subbalakshmi/Biography of Subhdara K Chauhan Praveen, Manish, Kapil, Sachin Sinhal, Manish Kumar 'Santosh', 2022-08-31 *Greatest Indian Women Leaders Reads* presents a collection of biographies that celebrate the remarkable achievements and contributions of influential Indian women throughout history. From Annie Besant to Indira Gandhi, Sarojini

Naidu to Subhdara K Chauhan, these women leaders have left an indelible mark on various fields and have served as trailblazers, inspiring generations to come. **Key Aspects of Greatest Indian Women Leaders Reads: Inspiring Biographies:** The book offers insightful biographies that delve into the lives, struggles, and triumphs of notable Indian women leaders. Readers will gain a comprehensive understanding of the unique journeys and extraordinary accomplishments of these trailblazing women who defied societal norms and shattered glass ceilings. **Diverse Fields of Influence:** The biographies cover a wide range of fields, showcasing the diversity of Indian women's contributions. From politics to social activism, literature to education, these women have excelled in their respective domains and have made significant impacts on the nation's development and progress. **Empowering Role Models:** Greatest Indian Women Leaders Reads provides readers with empowering role models whose stories serve as a source of inspiration and motivation. Through their determination, resilience, and visionary leadership, these women have become symbols of empowerment, paving the way for future generations to dream big and strive for excellence. By highlighting the achievements and legacies of these exceptional Indian women leaders, Greatest Indian Women Leaders Reads aims to honor their contributions, inspire readers, and foster a greater appreciation for the role of women in shaping India's history and future. This book is a celebration of the greatest Indian women leaders — Annie Besant, Indira Gandhi, Madam Bhikaji Cama, Sarojini Naidu, and Subhadra K Chauhan — who have changed the course of history and paved the way for a more equitable society. Through their inspiring biographies and pioneering achievements, this book explores the Indian women's movement and the struggles and successes of these incredible women. It

celebrates their contributions to women's empowerment, feminism, and women's rights, and offers a powerful testament to their enduring legacy. By looking at their inspiring stories, we can gain insight into the power of women's leadership and activism, and be inspired to continue paving the way for a better tomorrow. This book is a must-read for those looking to gain appreciation for the trailblazing women who have shaped the course of history and laid the foundations for a more equitable society.

Leadership by Proxy Poonam Barua, 2017-05-10 *Leadership by Proxy* by Poonam Barua is a pioneering book that lays an archival milestone for creating a “brave new mindset” in corporate India and businesses worldwide -- that will genuinely embrace “balanced leadership” as a true goal of corporate enterprise, validate and verify equal opportunity with meritocracy, respect inclusive growth for women who form 50% of the world population, and best practices in the workplace that will reject homogenous all-male corporate leadership as a fundamental economic function – to bring optimum rewards of diversity to business growth and societal progress. The book is a steady and seminal personal narrative – with compelling corporate anecdotes and case studies – that provide a multi-faceted kaleidoscope of how the women of corporate India have been progressively finding their voices in an unequal corporate world, collectively redefining gender-sensitive leadership, and aspiring for board positions – in hallways that have kept the women out of decision-making for over 100 years. The book is recommended reading for all business leaders, professionals, academics, activists, ngo's, women and men– who are looking for insights, perspectives, and roadmaps to build a vibrant common future – where differences are respected, and conservative leadership paradigms are re-defined by real-time

changing, dynamic and vibrant stakeholders. “Its my time now !

Leadership Behaviour Paradigm Puja Mathur,Parul Mathur,Pawan Kumar Sharma,2013 Global leadership is an essential ingredient for success, be it business, government, service, organizations, religion, family or society for that matter. Leadership is basically a personal ability, skill and process of influencing and guiding people so that they work to attain the goals. The significant increase in women leaders has been facilitated by educational, political, economic and status changes in our culture.This book is a breakthrough research covering women leaders from various fields such as - education, politics, medicine, law, entrepreneurship and administration. The study attempts to explore behavioural aspects of women leaders that make them different from their male counterparts as well as powerful agents of social change.

Where Women are Leaders Kalima Rose,1992 On the activities of Self Employed Women's Association, Ahmedabad, India.

The Legacy of Women's Uplift in India J. E. Llewellyn,1998

Performing Representation Shirin M. Rai,Carole Spary,2018-10-09 Seven decades after India's independence women members occupy 1 in 10 seats in the Lok Sabha, the lower house of the Indian Parliament. In analysing women's limited presence in the Indian Parliament, Performing Representation breaks new ground in scholarship on gender and politics. It explores the possibilities and limits of parliamentary democracy and the participation of women in its institutional performances. This book offers new insights into the gendered nature of the performance, aesthetics, and norms of parliamentary life through an examination of electoral data, legislative debates, and life stories of women

MPs. The authors avoid both the framing of women MPs either simply as challengers of masculinized institutional politics or only as docile actors in a gendered institution. Making a strong case for taking parliamentary politics seriously in these times of populism, the book raises critical questions about the politics of difference, claim-making, representation, and intersectionality and addresses these as part of global feminist debates on the importance of the women's representation in political institutions.

American Indian Women Leaders in Arizona's Valley of the Sun 2007 Wayne Mitchell, 2006

Own It Aparna Jain, 2016-01-05 #NotAllMen are the problem. #NotAllWomen are victims. But there's enough of both to warrant this book. Most women today are opting for careers over jobs, even if it requires them to play multiple roles with superhuman abilities. Meanwhile, men, at home and at work, struggle to come to terms with their changing priorities. And therein lies the chasm between male expectations and female ambition. As Dame Julia Walsh says in the television miniseries *The Honourable Woman*, 'In a room full of pussies, I'm the only one with a vagina.' *Own It* tells women's stories: the ugly, the happy, the rarely discussed, the unacknowledged, the whispered, the denied. Close to two hundred Indian women leaders across industries discuss the challenges they face in the Indian workplace and at home. Heads of companies, human resource directors and senior managers talk about issues like pay parity, harassment, promotion and maternity policies. Why is the workplace agenda skewed against women and what are their own demons that keep them from breaking the glass ceiling? Thought-provoking and controversial, *Own It* takes the challenges that confront women in the workplace head-on - without discounting

the complexities of being a woman in an Indian home.

30 Women in Power Naina Lal Kidwai, 2016-07-20 30 Women in Power carries the inimitable voices of Indian women who have been pioneers and led large organizations in banking, law, the media, advertising, government services, health care, consulting, the fast-moving consumer goods sector and the not-for-profit space. In these narratives told up, close and personal thirty of India's greatest women achievers speak of the guiding principles that have held them in good stead; The role models who have anchored them; The childhood influences that have shaped their values and the interests outside the world of work that have revitalized them. Coming from all walks of life, these empowered women discuss their many successes and their dreams for the future. Yet, they also venture to disclose the setbacks that have preceded hard-won conquests; The barriers, psychological or otherwise, that may have held them back at certain points and the compromises they've had to make to reach the top. Through these honest and contemplative revelations, thirty women in power answer those questions that confront all working women from how best to balance the personal and the professional, to how to dismantle gender biases. Equally, the essayists consider seminal issues that concern every committed professional, man or woman: What are the qualities that define a leader? Where does one find a mentor? What are the ingredients in the recipe for success? Edited by business leader extraordinaire Naina Lal Kidwai, this topical and relevant book is a must-read, not only for the lessons it provides, but also for the intimate accounts it offers of lives powerfully lived.

Native American Women Leaders Edward J. Rielly, 2022-02-08 There is insufficient recognition given to Native American women, many of whom have made enormous

contributions to their respective tribal nations and to the broader United States. The 14 stories in this book are representative of the countless Native American women who have excelled as leaders (including Debra Haaland and her history-making role as Secretary of the Interior). They come from across the centuries and from a range of tribal nations, and represent a wide range of society, including politics, the arts, health care, business, education, wellness, feminism, environmentalism, and social activism. Most of these women have made their mark in more than one area. Each chapter includes personal biographical and public life information. Some of the women have given us much in writing, including memoirs, while others have left behind little or nothing written. Even in the absence of their own words, though, their actions still speak eloquently.

Women's development in India Lalneihzovi, 2007-01-01 Ram Narayan Prasad, b. 1941, Professor of Public Administration, Mizoram University.

Indian Women Chiefs Carolyn Thomas Foreman, 1976

Current Perspectives on Asian Women in Leadership Yonjoo Cho, Rajashi Ghosh, Judy Y. Sun, Gary N. McLean, 2017-09-27 This book explores the unique socioeconomic challenges encountered by female leaders in China, India, Japan, Korea, and other Asian countries where traditional cultural expectations and modernized values coexist. It provides insight into gender inequality and underutilization of female talent as well as ways to develop highly qualified women in organizations. Chapters from expert contributors analyze the similarities and differences between each Asian country, the organizational and institutional challenges for women in the workplace, and how they balance work-family relationships. It will appeal to researchers and students in human

resource development, management, leadership, Asia studies, women's studies, and political science, among others.

Unknown Leaders of Microfinance Biswaroop Das,D. Rukmini Vemraju,1999 Case studies of women associated with four non-governmental organizations in being the motivating factors as self-help group leaders and microfinance in India.

Mankiller Wilma Mankiller,Michael Wallis,2019-01-29 In this spiritual, moving autobiography, Wilma Mankiller, former Chief of the Cherokee Nation and a recipient of the Presidential Medal of Freedom, tells of her own history while also honoring and recounting the history of the Cherokees. Mankiller's life unfolds against the backdrop of the dawning of the American Indian civil rights struggle, and her book becomes a quest to reclaim and preserve the great Native American values that form the foundation of our nation. Now featuring a new Afterword to the 2000 paperback reissue, this edition of Mankiller completely updates the author's private and public life after 1994 and explores the recent political struggles of the Cherokee Nation.
