**African Americans in Indianapolis** David L. Williams, 2022-02-08 Indianapolis has long been steeped in important moments in African American history, from businesswoman Madame C. J. Walker's success to the rise of the Ku Klux Klan to the founding of Crispus Attucks High School, which remained segregated through the 1960s. In *African Americans in Indianapolis*, author and historian David Leander Williams explores this history by examining the daunting and horrendous historical events African Americans living in Indianapolis encountered between 1820 and 1970, as well as the community's determination to overcome these challenges. Revealing many events that have yet to be recorded in history books, textbooks, or literature, Williams chronicles the lives and careers of many influential individuals and the organizations that worked tirelessly to open doors of opportunity to the entire African American community. *African Americans in Indianapolis* serves as a reminder of the advancements that Black midwestern ancestors made toward freedom and equality, as well as the continual struggle against inequalities that must be overcome.

**"Bury Me in a Free Land"** Gwendolyn J. Crenshaw, 1986

Indianapolis M. Teresa Baer, 2012-01-01 The booklet opens with the Delaware Indians prior to 1818. White Americans quickly replaced the natives. Germanic people arrived during the mid-nineteenth century. African American indentured servants and free blacks migrated to Indianapolis. After the Civil War, southern blacks poured into the city. Fleeing war and political unrest, thousands of eastern and southern Europeans came to Indianapolis. Anti-immigration laws slowed immigration until World War II. Afterward, the city welcomed students and professionals from Asia and the Middle East and refugees from war-torn countries such as Vietnam and poor countries such as Mexico. Today, immigrants make Indianapolis more diverse and culturally rich than ever before.

The first was established on June 10, 1816, when the Territory of Indiana sent forty-three delegates to a constitutional convention to establish a constitution for the proposed State of Indiana after the United States Congress agreed to grant statehood, and the constitution was approved. Indiana's fundamental law was heavily influenced by existing state constitutions, particularly those of Virginia, Ohio, and Kentucky.
