Assad or We Burn the Country Sam Dagher, 2019-05-28 From a Pulitzer Prize-nominated journalist specializing in the Middle East, this groundbreaking account of the Syrian Civil War reveals the never-before-published true story of a 21st-century humanitarian disaster. In spring 2011, Syrian President Bashar al-Assad turned to his friend and army commander, Manaf Tlass, for advice about how to respond to Arab Spring-inspired protests. Tlass pushed for conciliation but Assad decided to crush the uprising -- an act which

would catapult the country into an eight-year long war, killing almost half a million and fueling terrorism and a global refugee crisis. *Assad or We Burn the Country* examines Syria's tragedy through the generational saga of the Assad and Tlass families, once deeply intertwined and now estranged in Bashar's bloody quest to preserve his father's inheritance. By drawing on his own reporting experience in Damascus and exclusive interviews with Tlass, Dagher takes readers within palace walls to reveal the family behind the destruction of a country and the chaos of an entire region. Dagher shows how one of the world's most vicious police states came to be and explains how a regional conflict extended globally, engulfing the Middle East and pitting the United States and Russia against one another. Timely, propulsive, and expertly reported, *Assad or We Burn the Country* is the definitive account of this global crisis, going far beyond the news story that has dominated headlines for years.

HeartShip Amy Jo Cousins, 2017-04-22 Benji never meant to catfish a hot college football player in Minnesota when he met a fellow anime fan online. Josh doesn't let himself wonder about questions like: · why don't you want to ask @princessglitter if she's a girl? · why don't you tell your friends that you can't hang on Sunday

nights because you've got a date to watch anime with your new BFF? • why do you call it a date? All he knows is that he needs to escape from the stress of having been injured just before the bowl game, and @princessglitter has somehow become his best friend. But when Josh's secrets and Benji's sex appeal smash together for forty-eight scorching hours, they're going to feel the heat from Miami to Minnesota.

Now Orion is torn between fake fame and true happiness as he tries to continue his campaign while dating Gustav on the sly. The world thinks it knows a lot about Orion, but none of what it knows is true, and as Christmas comes to a close, Orion is wishing he could start the new year in a whole new way.

Christmas in Connecticut Jasinda Wilder,2021-12-01 Don't date your students' single fathers. It's an obvious rule. It leads to complications. And it's a rule I've never broken, nor even been tempted to break. I mean, for one thing, I don't date. Not for lack of trying, but I'm just too damaged. My heart is too broken. Riley Kerr, however, isn't my student. She's in second grade, and she's the sweetest, most darling young girl I've ever met. So when my path begins crossing her father's, it's complicated. Rory

Kerr is...handsome. Rough-hewn. Solitary. But such a kind and loving father. And not the father of one of my students. He's not really off-limits. Except that of my broken heart. Which he seems to just...effortlessly mend, piece by piece, without even realizing it. The holidays are approaching, and I usually spend them with my dysfunctional family back in Colorado. It's not something I look forward to. But they're all I have, so my Christmases are always spent there, with them. This year, the blooming something between Rory and me has me wondering... maybe this year I'll be spending Christmas in Connecticut.

Marketing guru Ben Reese may be annoyingly smart and frustratingly bossy, but when he hatches a plan to put the café in the "green" by Christmas, Kara realizes that she'd be a fool to turn down his help. And so what if he turns out to be an excellent problem solver and nerdy-hot—he can't even handle fostering one little kitten. She needs to keep their relationship professional and focus on saving the cafe. But if Ben and Kara can set aside their differences—and find homes for all the cats by Christmas—they might

discover that, by risking their hearts, they'll have their own purr-fect holiday . . . together.

After all, who can resist the charmingly narrow historic street with its Victorian grey stone buildings and warmly lit shop windows? Carmen Hogan, the bookshop’s manager, is amused and a bit horrified by the goings-on, but the money the studio is paying is too good to pass up. She uses the little windfall from filming to create new displays and fend off a buyout offer from an obnoxious millionaire who wants to turn McCredie’s into a souvenir shop selling kilts made in China and plastic Nessies. Still reeling slightly from a breakup, Carmen’s not particularly looking forward to the holidays. But just as snow begins to fall and the lights of Christmas blink on, all sorts of lovely new possibilities present themselves...for McCredie’s bookstore, and for Carmen herself.
