*The Home Edit* Clea Shearer, Joanna Teplin, 2019-03-19 NEW YORK TIMES BESTSELLER • From the stars of the Netflix series *Get Organized with The Home Edit* (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your home. “A master class on how to arrange even your most unattractive belongings—and spaces—in an aesthetically pleasing and easy-to-navigate way.”—*Glamour* (10 Books to Help You Live Your Best Life) Believe this: every single space in your house has the potential to function efficiently and look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it’s not hard to do—in fact, it’s a lot of fun. From the home organizers who made their orderly eye candy the method that everyone swears by comes Joanna and Clea’s signature approach to decluttering. The Home Edit walks you through paring down your belongings in every room, arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don’t need another do-over in six months. When you’re done, you’ll not only know exactly where to find things, but you’ll also love the way it looks. A masterclass and look book in one, *The Home Edit* is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there’s nothing like a little ROYGBIV to soothe the soul). Above all, it’s like having your best friends at your side to help you turn the chaos into calm. Includes a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397).

**A Pho Love Story** Loan Le, 2021-02-09 “Will leave readers swooning.” —PopSugar When Dimple Met Rishi meets Ugly Delicious in this funny, smart romantic comedy, in which two Vietnamese American teens fall in love and must navigate their newfound relationship amid their families’ age-old feud about their competing, neighboring restaurants. If Bao Nguyen had to describe himself, he’d say he was a rock. Steady and strong, but not particularly interesting. His grades are average, his social status unremarkable. He works at his parents’ pho restaurant, and even there, he is his parents’ fifth favorite employee. Not ideal. If Linh Mai had to describe herself, she’d say she was a firecracker. Stable when unlit, but full of potential for joy and fire. She loves art and dreams pursuing a career in it. The only problem? Her parents rely on her in ways they’re not willing to admit, including working practically full-time at her family’s pho restaurant. For years, the Mais and the Nguyens have been at odds, having owned competing, neighboring pho restaurants. Bao and Linh, who’ve avoided each other for most of their lives, both suspect that the feud stems from feelings much deeper than friendly competition. But then a chance encounter brings Linh and Bao in the same vicinity despite their best efforts and sparks fly, leading them both to wonder what took so long for them to connect. But then, of course, they immediately remember. Can Linh and Bao find love in the midst of feuding families and complicated histories?

*Instagram Pamela Russell, 2017-10-03 Steal the Attention of Your Followers!* To this day many Instagrammers still underestimate the importance of high-quality photography - I come across far too many profiles that only contain repetitive, unoriginal and obvious images. Yes, the theme is important and yes hashtags are also important, but nothing quite compares to high-quality, creative and varied photos that capture the viewer's attention. With a little guidance you can easily create original and creative photos that always spike the interest of your followers. In this book I will discuss the fundamentals of photography for the Instagram user. We will not study the history of photography or explore famous photographers and their unique styles or techniques. This book was designed with a very different goal: create high-quality photos that make an impact on Instagram. Throughout this book we will focus on three main topics: 1. Styles of Photography: here we will explore the most popular and successful styles across Instagram. An infinity of square-on portrait photos or only landscape photos are boring, very boring - why not experiment with macro photography? Or a bird's eye view photo to keep things interesting? 2. What to look for before pressing the shutter: The outcome of your photos depends on an infinity of factors. We will take a look at the most relevant ones, such as lighting, composition and focus. 3. The importance of Editing: Many amateur photographers choose to avoid editing altogether, but most professionals will tell you it is essential. We will discuss the fundamentals of editing, what apps you can use and some popular techniques that will make your photos creative and unique.
