E-Commerce Strategy Sanjay Mohapatra, 2012-10-02 □□E-Commerce Strategy: Text and Cases provides the fundamental literature required for graduate students and practitioners to understand electronic commerce. Each chapter provides clearly designed learning objectives and review questions to highlight the major topics and goals. This book covers many of the new innovations and technologies that have been established for e-commerce site development. Unlike similar books, topics such as e-channel adoption, factors affecting e-commerce adoption, and strategy design are reviewed in greater depth. Additionally, the book examines areas not normally covered like open source, online research, and peer-to-peer systems. E-Commerce Strategy: Text and Cases is divided into two parts. Part 1 examines the evolution of e-commerce, analyzes different sectors such as B2B and m-Commerce, and explores the challenges they face. Case studies of well known companies reinforce the concepts learned to demonstrate both successes and failures in the field. Part 2 deals with developing strategies in e-Commerce and looks at future trends including Web 2.0. Overall, the useful guidelines provided should prove valuable to students and researchers in the field.

The Side Hustle Geek Shakir Mohamed, 2020-12-31 Stop the living only on single source of income; it is extremely risky to live on single source of income whether you are doing a job or running a business especially in unpredictable economic times. But there are plenty of legitimate ways to make money along with your day job to create multiple streams of income and to build more assets for your financial safety. This is important and shortest step-by-step guide of side hustles, implementing from the scratch to scaling up to next levels. Teaches: > Practically executed hacks, multiple ideas of building side businesses with zero or comparatively low investment of capital and time. > How Shakir is meeting the top decision makers without any prior appointment to develop businesses. > How to test your business idea and get real customer feedbacks without actually investing in the business? > How to brand your company professionally for just \$100?

Indian Stories: Images and Thoughts Ravi Valluri, 2020-06-30 Not all those who wander are lost. -J.R.R.Tolkien India is a never ending saga and story. This ancient civilisation has amazing stories to narrate. Each tale is steeped in rich culture, history and a tapestry which resonates with those delving to discover India. The country is a cradle of several cultures, religions, art, architecture, spirituality and sciences. Several dynasties and kingdoms have attempted to be suzerains of this fabled land. But the free-willed, enterprising people have braved several storms and woven extraordinary tales. This book is segmented into four parts, Wanderlust- Discovering India by Train, Wondrous India- Discovering the lesser-known trails, Well-known Personalities, lesser-known People and lastly Wavering Mind, Wandering Thoughts. Indian history has been fashioned and shaped by both known and lesser-known people, all blessed with a robust mind. Eminent philosophers like Adi Shankara and Buddha, in quest of harmony and the Indian ethos were on a voyage. May readers too discover the spirit of India through this book. Aano bhadra krtavo yantu vishwatah -Let noble thoughts come to me from all directions. - Rig Veda

Geography of India - Specially for UPSC and Other Competitive Exams of India Krishna Kumar V, 2021-10-17 Description of the book Geography of India is one of the major subjects of UPSC civil services both in preliminary and main examination for General Knowledge and optional papers. This is not only useful for humanities candidates but also a large number of science background civil service aspirants. The book has also covered UPSC syllabus and the University syllabus. The successful preparation for the preliminary and mains examinations requires deep study of the relevant subjects. The

questions asked in both prelims and mains are highly at application level. The content of this book was decided after a detailed analysis of previous question papers of UPSC prelims and mains exams. Before finalizing the book, feedback was taken by aspirants. The entire book is divided into 19 units as per the UPSC syllabus, each unit being dealt with in a practical manner. In addition to this each unit is supported by a large number of maps, tables, graphs, relevant and recent statistical data and key points are provided throughout the text. Lastly, the book provides previous years solved prelims questions on Geography of India from 1991 to 2021. I hope it will be more useful to the reader in making the ideas clear. This book is prepared based upon on my one and a half decade teaching experience both at university and competitive exam centers. It is a reliable, comprehensive and up to date book on the subject. It studies the availability and potential of various physical, economic and human resources of the country. The book has been written in a simple manner and it includes recent information. I hope the students and teachers get maximum benefit out of it.
