

# Irish Tradition

Kevin Danaher

*Irish Customs and Rituals* Marion McGarry, 2021-01-28 Do you know what a Brideóg is? What could you cure if you licked a lizard nine times? Why is Whit Sunday the unluckiest day of the year? From the author of *The Irish Cottage* comes a new book, exploring old Irish customs and beliefs. Chapters focus on the quarter-day festivities that marked the commencement of each season: 'Spring: Imbolc'; 'Summer: Bealtaine'; 'Autumn: Lughnasa' and 'Winter: Samhain', and also major life events – 'Births, Marriages and Death Customs' – and general beliefs in 'Spirituality and Well-Being' and 'The Supernatural'. Focusing on the period from the mid-nineteenth to the mid-twentieth centuries, *Irish Customs and Rituals* discusses a time during which many of the practices and beliefs in question went into decline. Many of these customs were rooted in residual pre-Christian beliefs that ran parallel to, and in spite of, conventional religion practised in the country. Some customs were so deep-rooted that despite continued disapproval from the Roman Catholic Church they remain with us today. It is wonderful to see so many traditions still with us, as many are worthwhile remembering, commemorating, or even reviving today. *Irish Customs and Rituals* will appeal to all those with an interest in Irish history, folklore, culture and social history. Marion McGarry is the author of *The Irish Cottage: History, Culture and Design* (2017). She has a PhD in Architectural History and an MA in History of Art and Design and is currently a lecturer at Galway-Mayo Institute of Technology. She frequently writes articles about Irish social history and customs.

*The Irish Tradition* Robin Flower, 1947

*The Irish Tradition in Old English Literature* Charles D. Wright, 1993-07 Charles Wright identifies the characteristic features of Irish Christian literature which influenced Anglo-Saxon vernacular authors. As a full-length study of Irish influence on Old English religious literature, the book will appeal to scholars in Old English literature, Anglo-Saxon studies, and Old and Middle Irish literature.

*The Oldest Irish Tradition* Kenneth Hurlstone Jackson, 2011-02-28 This lecture explores the possibility that the Ulster cycle of tales preserves an oral tradition from the third and fourth centuries AD.

*The Anglo-Irish Tradition* James Camlin Beckett, 1976

*Talking to the Dead* Nina Witoszek, Pat Sheeran, 2022-02-22 *Talking to the Dead* is an essay on death and its tenacious hold on Irish culture. There are few traditions in which funerary motifs have been so ubiquitous in literature, popular rituals, folk representations, public rhetorics, even constructions of place. There are even fewer cultures in which funerary genres and preoccupations constitute the central thread of continuity. The Irish *Theatrum Mortis* is not simply an obsession of writers from the bards to Beckett and Heaney. Nor is it confined to contemporary Republican iconography. It is to be found in the pages of the local press, in acts of ritual resistance to unpopular decisions, in the way in which significant public events are narrated and framed. Though the funerary Ireland presented here may well yield to the new, positive self-image of the Celtic Tiger, it is the authors' contention that at the end of the twentieth century the funerary sign continues to define Irish identity. For good and ill, it is the centre that holds.

*The Irish Tradition* Carl Beaulieu, 2004 'The Irish Tradition' constitutes the most comprehensive study concerning the role of Irish people in the United States. It focuses on the contribution of Irish achievers to all aspects of public life throughout the centuries in America.

**The 'invention' of Irish tradition through selective representation. The distinctiveness of the Celt from the Saxon** Marc Walsh, 2016-11-29 Essay from the year 2014 in the subject History Europe - Other Countries - Modern Times, Absolutism, Industrialization, grade: A, The Open University, course: Foundation Arts, language: English, abstract: Early twentieth century Ireland was characterised by growing nationalist feeling, and historical texts and visual representations reveal the way republicans sought to develop a discourse of Irish tradition and the distinctiveness of the Celt from the Saxon. Presenting Ireland as a re-emergent Celtic nation helped to legitimise armed republican resistance. However, it also resulted in the construction of an Irish tradition that was only partially based on the island's cultural, religious and linguistic reality.

**Contemporary Irish Traditional Narrative** Clodagh Brennan Harvey, 1992-05-26 1. Social Change and the Storytelling Tradition. Modernization and Economic Change. Factors Effecting the Decline of Traditional Storytelling. Technological Innovations. Dance Halls and Public Houses. The Introduction of the Automobile. The Modernization of Homes. Education, Literacy, and the Decline of the Language. The Death of the Tradition 2. Folklore Collectors and the Irish Storytelling Tradition. The Pivotal Role of the Collectors. Collecting in the Past. Folklore Collecting Today. Self-Consciousness and the Storytelling Tradition. County Clare: A Symbiosis of Music and Storytelling. The Influence of Eamon Kelly. Limitations in the Documentation of the Tradition 3. The Current Status of the Two Language Traditions. Developments in the Study of Traditional Narrative. Aesthetic Considerations in Traditional Storytelling. The Preeminence of the Irish Language Tradition. The English Language Tradition: Narrating and Narrators of Scealaíocht. The English Language Tradition: Narrating and Narrators of Seanchas. Final Considerations and Portents of Change App. I: Questionnaire App. II: Ar Cuairt and Related Terms App. III: Glossary of Gaelic Terms App. IV: Selected Tales The Quarryman's Son The Mac a hAon Fionn Above and Beyond the End of the Earth The Gentlemen's Agreement.

**Irish Customs And Beliefs** Kevin Danaher, 2012-08-30 'Irish Customs and Beliefs' is a book of stories and beliefs of all kinds of things to do with old Ireland: highwaymen and travelling people, the Irish whiteboys, lost and hidden treasures. Beliefs associated with birds, insects, animals, plants, bushes, trees and stones, dwarfs and fabulous water monsters, ghosts, witches, castles and drowned cities.

*Trad Nation* Tes Slominski, 2020-03-17 Just how Irish is traditional Irish music? *Trad Nation* combines ethnography, oral history, and archival research to challenge the longstanding practice of using ethnic nationalism as a framework for understanding vernacular music traditions. Tes Slominski argues that ethnic nationalism hinders this music's development today in an increasingly multiethnic Ireland and in the transnational Irish traditional music scene. She discusses early 21st century women whose musical lives were shaped by Ireland's struggles to become a nation; follows the career of Julia Clifford, a fiddler who lived much of her life in England, and explores the experiences of women, LGBTQ+ musicians, and musicians of color in the early 21st century.

**Storytelling in Irish Tradition** Seán Ó Súilleabháin, 1973

*The Globalization of Irish Traditional Song Performance* Susan H. Motherway, 2016-03-09 In *The Globalization of Irish Traditional Song Performance* Susan Motherway examines the ways in which performers mediate the divide between local and global markets by negotiating this dichotomy in performance practice. In so doing, she discusses the globalizing processes that exert transformative influences upon traditional musics and examines the response to these influences by Irish traditional song performers. In developing this thesis the book provides an overview of the genre and its subgenres, illustrates patterns of musical change extant within the tradition as a result of globalization, and acknowledges music as a medium for re-negotiating an Irish cultural identity within the global. Given Ireland's long history of emigration and colonisation, globalization is recognised as both a synchronic and a diachronic phenomenon. Motherway thus examines Anglo-Irish song and songs of the Irish Diaspora. Her analysis reaches beyond essentialist definitions of the tradition to examine evolving sub-genres such as Country & Irish, Celtic and World Music. She also recognizes the singing traditions of other ethnic groups on the island of Ireland including Orange-Order, Ulster-Scots and Traveller song. In so doing, she shows the disparity between native conceptions and native realities in respect to Irish cultural identity.

**Irish Traditions** Kathleen Ryan, 1990-01-01 Sandwiched among Kathleen Jo Ryan's photographs of green countryside and luminous children, stately homes and horse shows, contributions by some of the country's best writers treat well-nigh every aspect of this inexhaustible land.--Travel & Leisure. 122 full-color photos.

*Irish Traditions* Kathleen Ryan, 1985 In this, the ultimate book on Ireland, 122 full-color photographs capture the spirit and beauty of the Emerald Isle, while 17 essays by the country's leading personalities offer lively insights into the character of its people and its rich cultural traditions.

*Ireland and the Classical Tradition* William Bedell Stanford, 1984

**Old Ways, Old Secrets** Jo Kerrigan, 2015-06-02 In a land like ours, the old beliefs bring pleasure and wisdom... Exploring the legends, special places and treasured practices of old, Jo Kerrigan reveals a rich world beneath Ireland's modern layers. So many of today's Irish traditions reach back to our ancient past, to the natural world: climbing to the summit of a mountain at harvest time; circling a revered site three, seven or nine times in a sun-

wise direction; hanging offerings on a thorn tree; bringing the ailing and infirm to a sacred well. Old Ways, Old Secrets shows us how to uncover the wisdom of the past, as fresh as it is ancient. 'Inviting, lyrical text and beautiful, atmospheric photographs ... A fascinating read.' Evening Echo on West Cork: A Place Apart

*Language and Tradition in Ireland* Maria Tymoczko,Colin A. Ireland,2003 This collection of essays from a variety of contributors focuses on the relationship between language and culture in Ireland from the early Middle Ages to the beginning of the 21st century.

*The Other Irish Tradition* Rob Doyle,2018 Irish writing is currently enjoying a renaissance. Strange, original talents are blossoming, wielding styles and perspectives as variant as the inspirations they bring to bear on their work. [This book] seeks to situate this recent flowering within the centuries-long efforts of Irish writers to experiment and to innovate, to make the form of the novel new and strange again--

**The Irish Literary Tradition** John Ellis Caerwyn Williams,Patrick K. Ford,1992 Provides a history of literature in the Irish language from the fifth century to the twentieth. This book traces the development of manuscripts from the Latin records made by monastic scribes and the vernacular works of ecclesiastics and lay scholars. It describes the fall of the native order and offers appraisals of the work of Irish writers.

Unveiling the Magic of Words: A Review of "**Irish Tradition**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring.
