Gothic Science Fiction 1980-2010 Sara Wasson,Emily Alder,2011-01-01 Gothic fiction's focus on the irrational and supernatural would seem to conflict with science fiction's rational foundations. However, as this novel collection demonstrates, the two categories often intersect in rich and revealing ways. Analyzing a range of works—including literature, film, graphic novels, and trading card games—from the past three decades through the lens of this hybrid genre, this volume examines their engagement with the era's dramatic changes in communication technology, medical science, and personal and global politics.

New Dictionary of Christian Apologetics Gavin McGrath,W. C. Campbell-Jack,2014-07-16 The New Dictionary of Christian Apologetics is a must-have resource for professors and students, pastors and laypersons--in short, for any Christian who wishes to understand or develop a rational explanation of the Christian faith in the context of today's complex and ever-changing world. Packed with hundreds of articles that cover the key topics, historic figures and contemporary global issues relating to the study and practice of Christian apologetics, this handy one-volume resource will make an invaluable addition to any Christian library. Editors Gavin McGrath and W. C. Campbell-Jack, with consulting editor C. Stephen Evans, have divided the dictionary into two parts: Part one offers a series of introductory essays that set the framework for the dictionary. These essays examine the practice and importance of Christian apologetics in light of theological, historical and cultural concerns. Part two builds on these essays to present numerous alphabetized articles on individuals, ideas, movements and disciplines that are vital to a rational explanation of the Christian faith. Both essays and articles are written by leading Christian philosophers and theologians. Together, they form an indispensable resource for Christians living in today's pluralistic age.

Beginning with New Testament Greek Benjamin L Merkle,Robert L. Plummer,2020-08-01 From their decades of combined teaching experience, Benjamin L. Merkle and Robert L. Plummer have produced an ideal resource for novice Greek students to not only learn the language but also kindle a passion for reading the Greek New Testament. Designed for those new to Greek, Beginning with New Testament Greek is a user-friendly textbook for elementary Greek courses at the college or seminary level.

Cobalt Rogue, Vol. 1 Alexander Engel-Hodgkinson,2016-08-16 [Contains Episodes 000 - 014] Almost six years after a brutal year-long genocide campaign known as 'The Dehue Extermination Project,' Damian Warkowski is woken up from cryo-sleep by two teenage girls, Jenny Knight and Marner Fraden--both of whom think of the situation as odd and suspicious. For one, he was imprisoned in a cryogenic capsule under their school; two: their own schoolmate, Tim Ryan, was guarding him; and three: they find themselves to be relentlessly pursued by the most infamous and powerful terrorist organization in the nation because the Dehue they just woke up happens to be THE 'Dead Blue' responsible for the deaths of twenty million people. The situation only gets worse when Damian takes them and a few other companions hostage to escape the country. However, Damian is quick to realize that these hostages may be even crazier than he is, and not only do they outnumber him, they may also have plans of their own for him. [PREVIOUSLY PUBLISHED AS 'DARK-BOY'] Cobalt Rogue is a 'director's cut' of the original volume--now re-edited and remastered.

Pop Islam Rosemary Pennington,2024-04-02 In the West, Islam and Muslim life have been imagined as existing in an opposing state to popular culture--a frozen faith unable to engage with the dynamic way popular culture shifts over time, its followers reduced to tropes of terrorism and enemies of the state. Pop Islam: Seeing American Muslims in Popular Media traces narratives found in contemporary American comic books, scripted and reality television, fashion magazines, comedy routines, and movies to understand how they reveal nuanced Muslim identities to American audiences, even as their accessibility obscures their diversity. Rosemary Pennington argues that even as American Muslims have become more visible in popular media and created space for themselves in everything from magazines to prime-time television to social media, this move toward being seen can reinforce fixed ideas of what it means to be Muslim. Pennington reveals how portrayals of Muslims in American popular media fall into a trap of visibility, where moving beyond negative tropes can cause creators and audiences to unintentionally amplify those same stereotypes. To truly understand where American narratives of who Muslims are come from, we must engage with popular media while also considering who is allowed to be seen there--and why.

Being Brought from Africa to America - The Best of Phillis Wheatley Phillis Wheatley,2020-07-31 Phillis Wheatley (c. 1753–1784) was an American freed slave and poet who wrote the first book of poetry by an African-American. Sold into a slavery in West Africa at the age of around seven, she was taken to North America where she served the Wheatley family of Boston. Phillis was tutored in reading and writing by Mary, the Wheatleys' 18-year-old daughter, and was reading Latin and Greek classics from the age of twelve. Encouraged by the progressive Wheatleys who recognised her incredible literary talent, she wrote To the University of Cambridge" when she was 14 and by 20 had found patronage in the form of Selina Hastings, Countess of Huntingdon. Her works garnered acclaim in both England and the colonies and she became the first African American to make a living as a poet. This volume

contains a collection of Wheatley's best poetry, including the titular poem "Being Brought from Africa to America". Contents include: "Phillis Wheatley", "Phillis Wheatley by Benjamin Brawley", "To Maecenas", "On Virtue", "To the University of Cambridge", "To the King's Most Excellent Majesty", "On Being Brought from Africa to America", "On the Death of the Rev. Dr. Sewell", "On the Death of the Rev. Mr. George Whitefield", etc. Ragged Hand is proudly publishing this brand new collection of classic poetry with a specially-commissioned biography of the author.
