Seven Nights to Forever Evangeline Collins,2010-11-02 The author of *Her Ladyship's Companion* once again pushes the erotic boundaries of Regency romance. Destitute after her father's death, Rose Marlowe has debts to settle and a younger brother to support. But she also possesses a matchless beauty—one that could command quite a price. Now, every month, Rose spends one week at a decadent London brothel, where she's become a sought-after prize. Then one night she meets a wealthy merchant. Handsome, kind and compassionate, with a lonely soul that matches her own, James Archer is not her typical client. Falling in love with a client, never mind a married one, is unthinkable. Yet Rose can't help but lose herself as one night becomes seven—and seven nights leads to a chance at forever.

Mythbusting the Cult of Confucius Wayne Deeker,2013-03-14 China is ever-more important to western countries, yet remains shrouded in myth. This book is the first to part those myths and demystify the realities of Chinese ways. Western people need to know because Chinese traits and values, combined with China's modern power, now literally affect all. This book examines the ancient origins of Chinese thinking in Confucianism and consequences for the modern world: it is especially relevant to business and government relations with China, also to educational and immigration issues. Yet it contains far more than warnings alone. Above all, it shows ways western people might learn from Chinese people, and to compassionately help them break free of their

past.

Boy in the Twilight Yu Hua, 2014-01-21 From the acclaimed author of *Brothers and To Live*: thirteen audacious stories that resonate with the beauty, grittiness, and exquisite irony of everyday life in China. Yu Hua's narrative gifts, populist voice, and inimitable wit have made him one of the most celebrated and best-selling writers in China. These flawlessly crafted stories—unflinching in their honesty, yet balanced with humor and compassion—take us into the small towns and dirt roads that are home to the people who make China run. In the title story, a shopkeeper confronts a child thief and punishes him without mercy. "Victory" shows a young couple shaken by the husband's infidelity, scrambling to stake claims to the components of their shared life. "Sweltering Summer" centers on an awkward young man who shrewdly uses the perks of his government position to court two women at once. Other tales show, by turns, two poor factory workers who spoil their only son, a gang of peasants who bully the village orphan, and a spectacular fistfight outside a refinery bathhouse. With sharp language and a keen eye, Yu Hua explores the line between cruelty and warmth on which modern China is—precariously, joyfully—balanced. Taken together, these stories form a timely snapshot of a nation lit with the deep feeling and ready humor that characterize its people. Already a sensation in Asia, certain to win recognition around the world, Yu Hua, in *Boy in the Twilight*, showcases the peerless gifts of a writer at the top of his form.

Bound Feet & Western Dress Pang-Mei Chang, 2011-04-27 A harrowing dual memoir that braids the story of a Chinese-American woman's search for identity with the dramatic tale of her great-aunt, who was born at the turn of the century in tradition-bound China and went on to become Vice President of China's first women's bank. In China, a woman is nothing. Thus begins the saga of a woman born at the turn of the century to a well-to-do, highly respected Chinese family, a woman who continually defied the expectations of her family and the traditions of her culture. Growing up in the perilous years between the fall of the last emperor and the Communist Revolution, Chang Yu-i's life is marked by a series of rebellions: her refusal as a child to let her mother bind her feet, her scandalous divorce, and her rise to Vice President of China's first women's bank in her later years. In the alternating voices of two generations, this literary debut brings together a deeply textured portrait of a woman's life in China with the very American story of Yu-i's brilliant and assimilated grandniece, struggling with her own search for identity and belonging. Written in pitch-perfect prose and alive with detail, *Bound Feet and Western Dress* is the story of independent women struggling to emerge from centuries of customs and duty.

Conversations with Walt Whitman Sadakichi Hartmann, 2020-10-31 Sadakichi Hartmann was born on the artificial island of Dejima, Nagasaki, to a Japanese mother, who died soon after childbirth, and a German father. He was raised in Germany and came to Philadelphia in 1882. Two years after arriving, at the age of seventeen, he paid his first visit to Walt Whitman, now sixty-five years old, who was living modestly just across the Delaware River, in Camden. Fascinated by the poet's life and work, Sadakichi would visit Whitman several times over the course of six years, to talk about literature and to question the poet about contemporary authors and books. Sadakichi went on to publish Whitman's opinions first in the New York Herald, in 1880, arousing the indignation of many and making him unpopular with the admirers of the poet, and later, in 1885, in *Conversations with Walt Whitman*.

Then pretend she's not the most captivating woman he's ever met... Helping a devilish Duke create a contest to pick his perfect mate is the kind of challenge Tessa Mansfield relishes. Yet when Tessa watches the women vie for the Duke's affections, she longs to win his heart herself. And after a stolen kiss confirms Tristan's desire, Tessa knows she has broken a matchmaker's number one rule: never fall in love with the groom.

Eleanor Collins knows that her beautiful younger sister will have wealthy, powerful men falling at her feet in her first London season. But Eleanor is surprised to discover that one man's attentions are utterly focused on her. **A Little Bit Forbidden** . . . Until he has avenged his mother's death, he will be unable to think of anything else. Or so he believes, until he takes his first taste of Eleanor's inviting lips, and finds his mind—and his body—utterly consumed . . . Wild Kids Ta-chun Chang, 2000-08-31 These two searingly funny and unsettling portraits of teenagers beyond the control and largely beneath the notice of adults in 1980s Taiwan are the first English translations of works by Taiwan's most famous and best-selling literary cult figure. Chang Ta-chun's intricate narrative and keen, ironic sense of humor poignantly and piercingly convey the disillusionment and cynicism of modern Taiwanese youth. Interweaving the events between the birth of the narrator's younger sister and her abortion at the age of nineteen, the first novel, *My Kid Sister*, evokes the complex emotional impressions of youth and the often bizarre social dilemmas of adolescence. Combining discussions of fate, existentialism, sexual awakening, and everyday absurdities in a typically dysfunctional household, it documents the loss of innocence and the deconstruction of a family. In *Wild Child*, fourteen-year-old Hou Shichun drops out of school, runs away from home, and descends into the Taiwanese underworld, where he encounters an oddball assortment of similarly lost adolescents in desperate circumstances. This novel will inevitably invite comparisons with the classic *The Catcher in the Rye*, but unlike Holden Caulfield, Hou isn't given any second chances. With characteristic frankness and irony, Chang's teenagers bear witness to a new form of cultural and spiritual bankruptcy.
