The Essential Job Interview Handbook Jean Baur,2013-09-23 Even with a fairly detailed job description or a briefing by a knowledgeable recruiter, job candidates rarely have all the tools they need to ace their interviews. This is one of the reasons why interviews are so harrowing—we have to pay close attention to what we're told, what we're not told, and the many non-verbal signals we receive. In addition, many people who conducts the interviews aren't well-prepared, haven't been trained in interviewing, and often don't even like the process. The Essential Job Interview Handbook will help job seekers prepare effectively for interviews and become familiar with different types of interview questions and styles of interviews. A unique feature of this book is the multiple answers it provides for each question, rated good, better, and best; with this feature, you'll learn what makes a winning answer and understand the strategy behind it. Whether you're just finishing school or have been working a long time, The Essential Job Interview Handbook will give you all the powerful tools you need to not just get a job, but to get the right one.

Labor Exchange Policy in the United States David E. Balducchi, Randall W. Eberts, Christopher J. O'Leary, 2004 Annotation The proper matching of workers with job openings is essential for a well-functioning market economy. In recent years, more than 10 percent of the U.S. workforce search for jobs at any one time. The federal and state governments have long recognized the importance of assisting in the job search process. In 1933, the Wagner-Peyser Act was established to provide federal funding to states to operate a nationwide network of public employment offices. Since enactment, labor exchange (e.g., job finding and placement) services under the Wagner-Peyser Act have been available universally to employers and job seekers without charges or conditions. Today, this network includes more than 1,800 local offices of State Employment Security Agencies that are affiliated with the U.S. Employment Service (ES). The Workforce Investment Act (WIA) of 1998 amended the Wagner-Peyser Act to be part of the one-stop delivery system, which provides universal access to core (i.e., labor exchange) services and Title I adult and dislocated worker programs. The one-stop centers provide services to both job seekers and employers. For the job seeker, services include assessment, counseling and testing, job search workshops, and job placement. For employers, services include job order taking, recruitment, screening, and referral of job seekers.
