**Keep Calm** Mike Binder,2016-02-02 Starts with a bang and never slows down--a very superior high-stakes thriller. --#1 New York Times bestselling author Lee Child When a bombing at 10 Downing Street wounds the Prime Minister and tests Great Britain's resolve, American ex-cop Adam Tatum must confront a conspiracy in the highest halls of power Former Michigan detective Adam Tatum receives an unexpected offer, a golden opportunity that seems almost too good to be true. He travels to 10 Downing Street to participate in a high-stakes conference. Immediately after his visit, a bomb detonates, wounding the prime minister and placing Adam Tatum squarely in the crosshairs of suspicion. Sensing a setup, Tatum flees with his family, desperately fighting for survival in an unfamiliar country. The lives of his children, the future of his marriage, and the fate of a nation depend on Tatum exposing the conspirators who pegged him for a fall. Georgia Turnbull, the chancellor of the exchequer, and Davina Steel, the lead investigator, both stand to gain from the successful manhunt of Adam Tatum. But, as motives emerge and desires ignite, each must decide what they're really after. Layered plots, crackling dialogue, and propulsive action mark **Keep Calm**, the riveting debut thriller from award-winning actor, director, and screenwriter Mike Binder.

**Keep Calm and Carry On** ,2023-01-12 **Keep Calm and Carry On** was a World War 2 government poster discovered in a dusty box nine years ago. Though it never saw the light of day in 1939 (it was only supposed to go up if Britain was invaded), it has suddenly struck a chord in our current difficult times, now we are in need of a stiff upper lip and optimistic energy once again. Gordon Brown had one up in 10 Downing Street and James May wears a **Keep Calm** T-shirt on the telly - it is suddenly everywhere. The book is packed full of similarly motivational and inspirational quotes, proverbs, mantras and wry truths to help us through the recession, from such wits as Churchill, Disraeli and George Bernard Shaw. Funny, wise and stirring - it is a perfect source of strength to get us all through the coming months. 'A banker is a fellow who lends you his umbrella when the sun is shining and wants it back the minute it begins to rain' Mark Twain 'It's a recession when your neighbor loses his job; it's a depression when you lose your own' Harry S. Truman 'An economist is an expert who will know tomorrow why the things he predicted yesterday didn't happen today' Laurence J. Peter 'Always laugh when you can. It is cheap medicine' Lord Byron 'Better bread with water than cake with trouble' Russian Proverb

The Ministry of Nostalgia Owen Hatherley,2016-02-09 Why should we have to "Keep Calm and Carry On"? In this brilliant polemical rampage, Owen Hatherley shows how our past is being resold in order to defend the indefensible. From the marketing of a "make do and mend" aesthetic to the growing nostalgia for a utopian past that never existed, a cultural distraction scam prevents people grasping the truth of their condition. The Ministry of Nostalgia explodes the creation of a false history: a rewriting of the austerity of the 1940s and 1950s, which saw the development of a welfare state while the nation crawled out of the devastations of war. This period has been recast to explain and offer consolation for the violence of neoliberalism, an ideology dedicated to the privatisation of our common wealth. In coruscating prose—with subjects ranging from Ken Loach's documentaries, Turner Prize-shortlisted video art, London vernacular architecture, and Jamie Oliver's cooking—Hatherley issues a passionate challenge to the injunction to keep calm and carry on.

*Keep Calm and Carry on* Bex Lewis,2017 'Keep Calm and Carry On' has become one of the most recognisable slogans of the twenty-first century. But where is it from and why has it resonated so strongly with the modern British public? This book reveals the truth

behind the now infamous poster, tracing its origins to the Second World War, when it was created to allay public panic in the event of a German invasion. Of course this feared invasion never happened, and the poster would have been resigned to the dusty shelves of history were it not for a chance discovery by the owners of Barter Books in 2001. Later seized upon as an encouragement in the economic crisis, 'Keep Calm' went on to become arguably the most successful meme in history. This book tells the story of that phenomenon, including colourful posters and archive photographs throughout.--
