The Triangle Kevin Deutsch, 2014-12-02 DIVThe Linden Triangle: Linden Avenue and Linden Place, Hempstead, Long Island. At this blighted intersection, seemingly forgotten by the middle and upper class communities that surround it, the dream of suburban comfort and safety has devolved into a nightmare of flying bullets and bloodshed. Here, a war between the Bloods and Crips has torn a once-peaceful neighborhood apart. The book tells the true story of one year in the life of a suburban village-turned-war-zone. Written by Kevin Deutsch, award-winning criminal justice reporter for Newsday, it follows two warring gangs and the anti-violence activists and police desperate to stop them. As the body count climbs and conflict spreads to New York City, young men wielding military grade weaponry wage a prolonged battle over pride, respect, revenge and their legacies. Based on immersive reporting and more than 250 interviews with gang members, their families, drug addicts, police and others, *The Triangle* is the first insider account of a New York Bloods/Crips gang war from the only journalist ever given access to the crews' secretive realm. *Triangle* is a chilling investigation of a world in which teenagers shoot their childhood friends over drug debts; where gang rape is used as a form of retaliation; and once-promising students are molded into cold-blooded assassins. With gang and drug-related violence responsible for as many as half of all non-domestic homicides in the United States, *The Triangle* will make a significant contribution to the national conversation about gangs, chronicling the effects of armed gang conflicts not just on Long Island and New York City but throughout America. /div

Godfather Of Night Kevin Pappas, 2009-11-05 Growing up in Tarpon Springs, Florida - the seaside headquarters of the Greek mafia - Kevin Cunningham fell in love with Greek culture and hoped to become part of it. But when he was seventeen his world turned upside-down: from his deathbed, the man he'd always called dad told him he was the illegitimate son of the local crime boss. When Kevin's attempts to gain recognition from his real father failed, he entered into a life of crime, adopting the family name and quickly escalating from swindling tourists to moving cocaine, gun running and racketeering. Having squared off against the FBI and the DEA, and with most of his crew dead, Kevin was locked up on two consecutive life terms. But that's only the beginning of the story - from helping authorities capture major criminals, outwitting the system, and ultimately finding redemption, Kevin's story will leave true crime buffs shaking their heads.

Casino Nicholas Pileggi, 2016-10-18 The true story behind the Martin Scorsese film: A "riveting . . . account of how organized crime looted the casinos they controlled" (Kirkus Reviews). Focusing on Chicago bookie Frank "Lefty" Rosenthal and his partner, Anthony Spilotro, and drawing on extensive, in-depth interviews, the #1 New York Times-bestselling author of the Mafia classic *Wiseguy*-basis for the film *Goodfellas*-Nicholas Pileggi reveals how the pair worked together to oversee Las Vegas casino operations for the mob. He unearths how Teamster pension funds were used to take control of the Stardust and Tropicana and how Spilotro simultaneously ran a crew of jewel thieves nicknamed the "Hole in the Wall Gang." For years, these gangsters kept a stranglehold on Sin City's brightly lit nightspots, skimming millions in cash for their bosses. But the elaborate scheme began to crumble when Rosenthal's disproportionate ambitions drove him to make mistakes. Spilotro made an error of his own, falling for his partner's wife, a troubled showgirl named Geri. It would all lead to betrayal, a wide-ranging FBI investigation, multiple convictions, and the end of the Mafia's longstanding grip on the multibillion-dollar gaming oasis in the midst of the Nevada desert. *Casino* is a journey into 1970s Las Vegas and a riveting nonfiction account of the world portrayed in the Martin Scorsese film of the same name, starring Robert DeNiro, Joe Pesci, and Sharon Stone. A story of adultery, murder, infighting, and revenge, this "fascinating true-crime Mob history"

is a high-stakes page-turner (Booklist).

The Butterfly Effect Marcus J. Moore, 2021-10-05 This “smart, confident, and necessary” (Shea Serrano, New York Times bestselling author) first cultural biography of rap superstar and “master of storytelling” (The New Yorker) Kendrick Lamar explores his meteoric rise to fame and his profound impact on a racially fraught America—perfect for fans of Zack O’Malley Greenburg’s *Empire State of Mind*. Kendrick Lamar is at the top of his game. The thirteen-time Grammy Award-winning rapper is just in his early thirties, but he’s already won the Pulitzer Prize for Music, produced and curated the soundtrack of the megahit film *Black Panther*, and has been named one of Time’s 100 Influential People. But what’s even more striking about the Compton-born lyricist and performer is how he’s established himself as a formidable adversary of oppression and force for change. Through his confessional poetics, his politically charged anthems, and his radical performances, Lamar has become a beacon of light for countless people. Written by veteran journalist and music critic Marcus J. Moore, this is much more than the first biography of Kendrick Lamar. “It’s an analytical deep dive into the life of that good kid whose m.A.A.d city raised him, and how it sparked a fire within Kendrick Lamar to change history” (Kathy Iandoli, author of *Baby Girl*) for the better.

No Logo Naomi Klein, 2000-01-15 What corporations fear most are consumers who ask questions. Naomi Klein offers us the arguments with which to take on the superbrands. Billy Bragg from the bookjacket.

The Grey Album Kevin Young, 2012-03-13 *Finalist for the 2012 National Book Critics Circle Award for Criticism* *A Publishers Weekly Top 10 Literary Criticism and Essays Pick for Spring 2012* *The Grey Album*, the first work of prose by the brilliant poet Kevin Young, winner of the Graywolf Press Nonfiction Prize Taking its title from Danger Mouse’s pioneering mashup of Jay-Z’s *The Black Album* and the Beatles’ *The White Album*, Kevin Young’s encyclopedic book combines essay, cultural criticism, and lyrical choruses to illustrate the African American tradition of lying-storytelling, telling tales, fibbing, improvising, jazzing. What emerges is a persuasive argument for the many ways that African American culture is American culture, and for the centrality of art—and artfulness—to our daily life. Moving from gospel to soul, funk to freestyle, Young sifts through the shadows, the bootleg, the remix, the grey areas of our history, literature, and music.

Love Goes to Buildings on Fire Will Hermes, 2012-09-04 Chronicles five epochal years of music in the Big Apple against a backdrop of the period’s high crime, limited government resources and low rents, tracing the formations of key sounds while evaluating the contributions of such artists as Willie Colón, Bruce Springsteen and Grandmaster Flash.

Pennsylvania Crime Commission DIANE Publishing Company, 1997-12

Low Life Andy Hopp, 2015-06-10

Who Do You Serve, Who Do You Protect? Maya Schenwar, Joe Macaré, Alana Yu-lan Price, 2016-05-30 Essays and reports examining the reality of police violence against Black and brown communities in America. What is the reality of policing in the United States? Do the police keep anyone safe and secure other than the very wealthy? How do recent police killings of young Black people in the United States fit into the historical and global context of anti-blackness? This collection of reports and essays (the first collaboration between Truthout and Haymarket Books) explores police violence against Black, brown, indigenous, and other marginalized communities, miscarriages of justice, and failures of token accountability and reform measures. It also makes a compelling and provocative argument against calling the police. Contributions cover a broad range of issues including the killing by police of Black men and women, police violence against Latino and indigenous communities, law enforcement’s treatment of

pregnant people and those with mental illness, and the impact of racist police violence on parenting. There are also specific stories such as a Detroit police conspiracy to slap murder convictions on young Black men using police informant, and the failure of Chicago's much-touted Independent Police Review Authority, the body supposedly responsible for investigating police misconduct. The title *Who Do You Serve, Who Do You Protect?* is no mere provocation: the book also explores alternatives for keeping communities safe. Contributors include William C. Anderson, Candice Bernd, Aaron Cantú, Thandi Chimurenga, Ejeris Dixon, Adam Hudson, Victoria Law, Mike Ludwig, Sarah Macaraeg, and Roberto Rodriguez. Praise for *Who Do You Serve, Who Do You Protect?* "With heartbreaking, glass-sharp prose, the book catalogs the abuse and destruction of Black, native, and trans bodies. And then, most importantly, it offers real-world solutions." -Chicago Review of Books "A must-read for anyone seeking to understand American culture in the present day." -Xica Nation "This brilliant collection of essays, written by activists, journalists, community organizers and survivors of state violence, urgently confronts the criminalization, police violence and anti-Black racism that is plaguing urban communities. It is one of the most important books to emerge about these critical issues: passionately written with a keen eye towards building a world free of the cruelty and violence of the carceral state." -Beth Richie, author of *Arrested Justice: Black Women, Violence, and America's Prison Nation*

Fast Food Nation Eric Schlosser, 2012 An exploration of the fast food industry in the United States, from its roots to its long-term consequences.

Organized Crime in Pennsylvania Darrell J. Steffensmeier, Pennsylvania Crime Commission, 1991

The Many Faces of Sacha Baron Cohen Robert A. Saunders, 2008 In his various guises, the British comedian Sacha Baron Cohen has threatened Uzbekistan with catapults, driven a U.N. Secretary-General to profanity, and ruined New York's Fashion Week. Evincing shades of Jonathan Swift, Monty Python, and Andy Kaufman, Baron Cohen has consistently demonstrated a singular talent for crafting outrageous personae, a ruthless dedication to staying in character, and an uncanny ability to parlay controversy into professional success. Now, in his lively and often humorous study *The Many Faces of Sacha Baron Cohen: Politics, Parody, and the Battle over Borat*, Robert A. Saunders explores the striking cultural resonance and far-reaching political ramifications of Baron Cohen's portrayals of Borat, Ali G, and Bruno. In *Ali G*, a wannabe gangsta rapper from the leafy English suburb of Staines, the Cambridge-educated humorist tackled the prickly questions of race, ethnicity, and identity in 'Cool Britannia.' As Bruno, a campy Austrian fashionista with a Nazi fetish, he tapped into a wellspring of homophobia

simmering beneath the sheen of political correctness. Most dramatically, as the roving Kazakhstani reporter Borat, Baron Cohen offended the world's ninth largest nation, provoked the ire of the Anti-Defamation League, triggered dozens of lawsuits, and became the subject of presidential summits. Part biography and part political analysis, Saunders traces Baron Cohen's rise from a small-time comedian—one who might have easily been forgotten in the pre-Internet era—to a cultural lightning rod who set tongues wagging from Vancouver to Vladivostok. Through a probing discussion of the identity politics that mold this jester's unique brand of humor, the author navigates the eclectic socio-political climate that gave rise to the cable television hit *Da Ali G Show* and the international blockbuster *Borat: Cultural Learnings of America for Make Benefit Glorious Nation of Kazakhstan*. The end result is a sublime synthesis of cultural history and contemporary politics that affirms the undeniable power of imagery in the global village.

New York Magazine ,1996-05-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Who's Gonna Take the Weight? Kevin Powell,2007-12-18 “A mighty wind of fresh air. His pitiless self-examination—and his equally honest exploration of the racial, sexual, cultural, and class fault lines that thread our psychic and social landscape—is not only brave but necessary if our nation is to survive.” —Michael Eric Dyson “Kevin Powell is pushing to bring, as he has so brilliantly done before, the voices of his generation: the concerns, the cares, the fears, and the fearlessness.” —Nikki Giovanni In three mind-jolting essays by one of the most passionate and eloquent voices of his generation, *Who's Gonna Take the Weight?* by Kevin Powell leads us to the heart of the searing issues facing us today, from manhood, violence, and gender oppression to celebrity culture and hip-hop. Using compelling personal stories as the connecting thread, he examines what this nation has become since the monumental upheavals of the 1960s and where it might be headed if we're not careful. Written one hundred years after W.E.B. DuBois's *The Souls of Black Folk* and forty years after James Baldwin's *The Fire Next Time*, *Who's Gonna Take the Weight?* is an impassioned witness to the burning problems that have accompanied us on our journey through the twenty-first century.

Billboard ,1995-11-04 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.
