But when assignments are announced, both are in for a surprise. Play Dough's a lieutenant all right—for the enemy Blue team—and Jenny isn't lieutenant at all. So who is? Jamie, Jenny's sidekick. With the entire camp amping up for an all-out war, can Jenny and Play Dough overcome expectations and lead their teams to victory?

The assistant watches eagerly as the Librarian reads them this nauseating novella of loathsome literature. Oh, how he hopes it is a fable so foul that none can listen without losing their lunch, because the Librarian has also kidnapped their teacher and put her in a guillotine. noose. For seven years, her secret has been safe. Until she rescues an orphaned boy . . . and clashes with local newcomer Noah Sawyer. Now everyone seems to be conspiring to fix her up with the handsome single father. If Noah had wanted anonymity, he wouldn't have chosen this close-knit community on the Ohio River as his new home. But after five years, it was time to stop running. Now beautiful, plucky Emma Delancy is threatening his hard-won peace of mind. His growing attraction to this remarkable woman who takes in an abandoned child and is already bonding with his young daughter makes Noah start to believe in the future. Defying the town—and its all-powerful Assembly of Elders—Rachel Browning takes in orphaned Katherine Mulligan to raise as her own. But now Rachel's overprotective brother is pressuring the single mother to marry. Rachel's ideal husband certainly isn't the brash, seductive stranger she meets when Katherine runs away. Wyatt Colton's life is like the ever-changing river. The restless rover can't imagine putting down roots in one place, especially not this backwater burg with its tyrannical rules and regulations. He'll stay in River's Haven just long enough to repair his run-aground steamboat. But what's he going to do about the adorable red-haired urchin he finds stowed on his boat? Or her alluring adoptive mother? As taboo desire flames into an affair that sets the people of River's Haven dangerously against Wyatt and Rachel, a man who swore never to give his heart will risk everything for a love that could be the safest haven of all. Moonlight on Water is the 2nd book in the Haven Trilogy, but you may enjoy reading the series in any order.
