Aegean Marianna Leivaditaki,2020-07-02 'A delicious evocation of place and memory from one of my favourite cooks.' Allan Jenkins, Editor of Observer Food Monthly 'This book is so much more than a cookbook, it's a love song to a very special place and we are lucky to have the brilliant Marianna as our guide.' Itamar Srulovich, co-founder of Honey & Co. 'I want to make everything in this beautiful book. An absolute treasure.' Rosie Birkett, author of The Joyful Home Cook With photography from Elena Heatherwick, the Fortnum & Mason Food and Drink Photographer of the Year 2020 Marianna Leivaditaki is a natural storyteller. She grew up in Chania, on the Greek island of Crete, and spent her childhood helping out in the family-run taverna. After school, she carried around her blue notebook, writing down all the recipes she would like to cook, helped by the Greek grannies' kitchen wisdom. Marianna's love for the food of her heritage flows off every page, but she also has a contemporary take on it. As head chef of Morito in Hackney, she has championed high-quality ingredients, presenting them in simple, stunning sharing plates, and has been critically acclaimed for doing so. These inspirational recipes derive from the SEA, the LAND and the MOUNTAINS. We all know the health benefits of a Mediterranean diet, rich in olive oil, fresh vegetables and fruit, nuts, fish and whole grains, as well as the importance of how you eat and appreciate your food. Marianna offers achievable, yet delicious dishes celebrating seasonal, fresh food that you can take time to enjoy with friends and family.

Food to Live By Myra Goodman,Linda Holland,Pamela McKinsty,2012-11-30 Organic food is the best food possible. It’s synonymous with premium quality, delicious flavor, conscientious farming, and optimum health. It’s what we need to feed our kids, it’s what we deserve to feed ourselves. And thanks in part to Myra Goodman, co-owner and cofounder of Earthbound Farm with her husband, Drew, organic food is now available just about anywhere fresh food is sold, becoming more mainstream every day. Not only has Myra been growing organic food for over twenty years, she has been cooking with it, too. In Food to Live By she combines her twin food passions, serving up hundreds of recipes, ideas, shopping and cooking tips, health notes, and more. Illustrating the book are full-color photographs throughout that bring readers right into the breathtaking California sunshine. This is perfect cooking for friends and family, packed with irresistible dishes for weeknight dinners and casual entertaining, festive breakfasts and fall picnics. Recipes are all about the ingredients and their intrinsic qualities, not fancy techniques or time-consuming steps. Marry chicken with three simple accompaniments— rosemary, lemons, and garlic—and it’s transformed. Heighten the flavor of a springtime fava bean and orzo salad with an unexpected fava bean “pesto.” Combine Meyer lemon juice and soy sauce to create a marinade, tenderizer, and sauce that results in a perfect grilled flank steak. Food to Live By also includes a wealth of information about organic farming and how to make the wisest food choices; there are full-color Field Guides—to gourmet greens, apples, heirloom tomatoes, winter squash—and Farm Fresh ingredient guides to sorrel, corn, melons, avocados, organic poultry, asparagus, artichokes, ginger, and more, featuring what to look for plus care and handling. The book is a boon to food lovers.
