Borussia Dortmund Players Encyclopedia - All Football Players Volume 1

Mutlu Topuz, 2020-02-20 Ballspielverein Borussia, BVB, or simply Dortmund, is

a German professional sports club based in Dortmund, North Rhine-Westphalia. It is best known for its men's professional football team, which plays in the Bundesliga, the top tier of the German football league system. The club have won eight league championships, four DFB-Pokals, one UEFA Champions League, one Intercontinental Cup, and one UEFA Cup Winners' Cup. Founded in 1909 by eighteen football players from Dortmund, the football team is part of a large membership-based sports club with more than 145,000 members, [4] making Borussia Dortmund the second largest sports club by membership in Germany. Since 1974, Dortmund have played their home games at Westfalenstadion; the stadium is the largest in Germany, and Dortmund has the highest average attendance of any association football club in the world. Borussia Dortmund's colours are black and yellow, giving the club its nickname die Schwarzgelben. The club has active departments in other sports, namely in women's handball, and hold a long-standing rivalry with Ruhr neighbours Schalke 04, known as the Revierderby. They also compete in Der Klassiker with fellow German club, Bayern Munich. In terms of Deloitte's annual Football Money League, Dortmund was ranked as the second richest sports club in Germany, and the 12th richest football team in the world. Moreover, under the directorship of Michael Zorc in the 2010s, Dortmund have cultivated a reputation for spotting and developing young talent, and have remained focused on developing a youth system. They have also received plaudits for generally adhering to an attacking footballing philosophy.

Train Like Dortmund. Play Like Dortmund Marcus DiBernardo, 2015-04-01 This book is not designed to break down Dortmund's 4-2-3-1 Formation. It is not an in depth tactical analysis of each players roles and responsibilities in the system. If you are interested in details of the 4-2-3-1 system you can pick up my book Playing The Modern 4-2-3-1. The focus of this book is to provide you with training ground exercises that focus on the major principles and concepts that Dortmund embrace in their style of play. The exercises are selected or designed by myself to best train the Dortmund style but they are not from Dortmund. Each exercise directly relates to the Training Model that fits with Dortmund's Game Model. The exercises focus on the four phases of the game: attacking transition, attacking organization, defensive transition and defensive organization. Dortmund is known for their quick and efficient counter attack (attacking transition), which focuses on taking advantage of the early moments of attacking transition. Once Dortmund turnover possession, they work very hard to immediately regain possession by pressing intensely (defensive transition). Playing the Dortmund style requires excellent fitness levels, strong mental commitment, high technical ability, willingness to work for the team and tactical intelligence. It is not an easy way to play but if carried out correctly, it can be extremely effective and frustrating for the opponents. There are no easy games when playing against a team like Dortmund who counter and press so well. The sessions in the book focus on counter attacking, possession with penetrating passing, defensive pressing and

developing quick technical passing ability. These exercises will have your team training like Dortmund and after time playing like Dortmund (training model = game model). I would strongly recommend that you also read my book Tactical Periodization: Made Simple in order to get a greater understanding of how to organize and create a training system like the ones the top clubs in the world use. I hope you find the exercises rewarding!

BRANDING & ADVERTISING AND COMMUNICATION STRATEGIES BARBARA LÄMMLEIN, 2019-01-01 From billboards, print advertisement and the Internet through to TV spots, advertising uses various channels to convince the potential customer to buy a certain product or brand. Companies use advertising that is an omnipresent form of modern popular culture, as a communication tool to promote their brands and products to a mass audience in order to generate sales. Therefore, the message within the advertisement has to be as persuasive as possible to ensure that among other things pleasurable emotions and ideas are awakened in the consumer that are supposed to be linked to the product and brand to fulfill its mission – increase sales volume. Within this thesis interdisciplinary approaches for deciphering messages of selected car advertising were used. Multiple methods and

paradigms such as cultural studies, media communication, semiotics, and psychoanalysis, were applied in order to analyze TV spots and print advertisements from a variety of angles. The results reveal that archetypes, symbols, and mythical narratives are a permanent feature of contemporary car advertising.

My Life Story Narcisa Lecuşanu, Narcisa Lecuşanu provides valuable insight into what it takes to achieve long-term success and influence in the sports world. First as a player, where she excelled on both the domestic and international level, then in leadership roles at the European Handball Federation and within Romania, and now as a member of the IHF Executive Committee. Her contributions to handball are numerous including aiding the development of women's handball as Chairwoman of the IHF's Women's Handball and Gender Equality Working Group and promoting handball to children in her home country. I appreciate her unmatched passion for handball. She is a role model and her story will definitely inspire you. Dr. Hassan Moustafa,

President of International Handball Federation Narcisa Lecuşanu stands for personal development and success through sport, of which the practice of sport is life changing. With dedication and passionate engagement, the ritualistic actions of the athlete evolve, as they move through the levels from novice to expert, and as handball permeates their very essence, it results in a life's work. For decades, I have witnessed the talent of Narcisa Lecuşanu on the handball court, and a commitment to the sport that supported the drive and determination through her service to handball in Romania, the enthusiasm brought to the Women's Handball Board within the European Handball Federation, and most recently to the Executive Committee of the International Handball Federation. To experience the transformation of Narcisa Lecuşanu through her eyes is an opportunity for those wanting to stoke the fires of ambition, because her story is not over; as we read this book to absorb where Narcisa has come from, we can clearly imagine where she will go in the future." Michael Wiederer, President of European Handball Federation Narcisa Lecuşanu, the leader of Romanian handball, is outstanding through her native qualities and through a continuous tenacity throughout the long and difficult performance sport journey. [...] Until my departure from the Romanian Handball Federation, I continued my collaboration with Narcisa and supported her, seeing in her the future president of the Romanian Handball Federation. Ing. Cristian Gaţu, Honorary President of RHF Narcisa Lecuşanu's personality is, equally, difficult and pleasant to analyze, first of all because she was

and remained a star in a world of sports in which success and failure guide the opinions of those specialized and of the public. Prof. Adrian Dragnea I understood what a long way she came. Huge efforts to get over all the slag here, the need for home, the desire for success while speaking the same language. All combined. Narcisa was great for me only when I saw through her the very clear horizon, after so many storms. Radu Naum If I were a painter and wanted to be in a self-portrait, I would focus on what is beyond my face. I would avoid any touch that expresses frustration and I would render, in serene colors, the positive attitude, the optimistic projection of some situations that I anticipate, the tenacity, the resistance to long effort, the care not to lose the reins of modesty... And the gaze would necessarily look up, as a sign of giving thanks to God. Narcisa Lecuşanu There are people who, once they come into your life, remain in your soul forever. Narcisa is one of those people for whom I thank God that I met them. We met when she was a teenager and I became a young adult, on the national team. That seriousness, ambition and that noble simplicity, of a fine person made me love her from the very beginning and feel like a younger sister. We grew up, we evolved from a sports and professional point of view, but she remained the same noble and nice man, directly proportional to the success of her impeccable career as a handball player. Every victory she won made me proud of her, proud to know her. Florentina Carcadia

Lost? Anthony Carragher, 2017-10-10 As Liverpool F.C. reach their 125th

anniversary, amidst the celebrations, doubts persist. Are they still elite? Can their prolonged title drought be ended? Foreign owners say they came to win but the trophy cabinet lies bare. Where to next for the reds? Lost? explores the gloried past, the moneyed present and the uncertain future of both Liverpool F.C. and the English game at large. Have they lost their way? Liverpool F.C.'s most famous manager, Bill Shankly, declared that the club 'exists to win trophies' and for many years this maxim proved true, as Liverpool became one of the most successful clubs in European football and dominated the scene in England for over two decades. Yet recently, the victories have dried up and Liverpool have not won the league title in over a quarter of a century. Football is also in a state of flux as major TV deals have made the Premier league the wealthiest in the world, but the gap between the elite clubs and those striving to catch up widens. Has the game lost it's soul? Who will rise and who will fall as a new uncharted era in football unfolds? Lost? captures exclusive interviews with key figures including former Liverpool managers, Brendan Rogers and Roy Evans, the Shankly family and a whole host of footballing legends, past and present. The book also includes reflective pieces on an array of Premier League clubs from both a sporting and cultural perspective, looking not just at the team in isolation, but also at the communities and landscapes that shape them

Hannah Jane Parkinson, Observer 'Klopp has worked his way into Liverpool's big sentimental heart like a German love bomb. Masters of Modern Soccer Grant Wahl, 2019-04-30 How do some of soccer's

smartest and most accomplished figures master the craft of the game? This in-depth analysis of modern soccer reveals how elite players and coaches strategize on and off the field to execute in high-pressure situations. "A worthy addition to any soccer fan's shelf."—The Wall Street Journal In *Masters of Modern Soccer*, America's premier soccer journalist, Grant Wahl, reveals what players and managers are thinking before, during, and after games and delivers a true behind-the-scenes perspective on the inner workings of the sport's brightest minds. Wahl follows world-class players from across the globe, examining how they do their jobs and gaining deep insight from the players on how goalkeepers, defenders, midfielders, and forwards function individually and as a unit to excel and win. He also shadows a manager and director of soccer as they juggle the challenges of coaching, preparation, and the short- and long-term strategies of how to identify and acquire talent and deploy it on the field. These central figures share the little details that matter, position by position:

- Attacking midfielder Christian Pulisic explains why he wears his soccer cleats a size too small to make his first touch even better.
- Forward Javier "Chicharito" Hernández reveals the Mexican national team's secret synchronized patterns that create space for him in front of the goal.
- Defender Vincent Kompany tells you why his teammates' pressure on the ball means he can defend his man more tightly in the penalty box.
- Defensive midfielder Xabi Alonso describes his disdain for slide tackles and the tendency among even the best professional midfielders

to play too closely to one another. • Goalkeeper Manuel Neuer tells the origin story of his sweeper-keeper role, which has allowed him to redefine the position for the modern game. • Head coach Roberto Martínez explains the differences between coaching clubs and national teams and why one of the first things he looks for in any game situation is numerical advantage. • Director of football Michael Zorc discusses what he looks for when it comes to identifying players he can buy low and sell high, Moneyball-style, while still competing to win trophies. The definitive analysis of the craft of soccer, Masters of Modern Soccer will change the way any fan, player, coach, or sideline enthusiast experiences the game.

Football Performance Günter Neuser, 2020-10-01 Playing football is easy. Understanding football is difficult! How can systematic planning, measurement, analysis and evaluation of the performance of teams and players contribute to understanding the game of football? You will find the answers in this book.

Bring the Noise Raphael Honigstein, 2018-02-06 JüKlopp's coaching career began in the German second tier at the unfashionable club of FSV Mainz 05, whom he steered to the Bundesliga for the first time in forty-one years. In 2008, he joined Borussia Dortmund, where he achieved back-to-back league titles and took the club to the UEFA Champions League final. He left Germany for one of the England's most challenging jobs: to manage Liverpool, a once-mighty club that had not managed sustained success since the 1980s. It was

not a task for the fainthearted. Anfield, Liverpool's home, is a temple to flamboyant attacking soccer powered by passion. In Klopp, Liverpool finally found a manager who embodied the essence of the club. Klopp is dynamic, expressive, restless, driven-he feels every move and play, every tactical shift, every contact on the field. His eyes betray a wild ecstasy and agony as his team thrives or falls. His game plan demands relentless commitment-the famous gegenpress-and he is one of the great personal motivators in all sport. Raphael Honigstein, author of Das Reboot and Bundesliga correspondent for the Guardian, has interviewed Klopp and followed his career since his early years, and better than anyone knows how to bring the noise to his subject.
