Level Up Your Life Steve Kamb,2016-01-12 In 5 years, Steve Kamb has transformed himself from wanna-be daydreamer into a real-life superhero and actually turned his life into a gigantic video game: flying stunt planes in New Zealand, gambling in a tuxedo at the Casino de Monte-Carlo, and even finding Nemo on the Great Barrier Reef. To help him accomplish all of these goals, he built a system that allowed him to complete quests, take on boss battles, earn experience points, and literally level up his life. Level Up Stacey Abrams,Lara Hodgson,Heather Cabot,2022-02-22 An inspiring and revelatory guide to starting and scaling a small business, from powerhouse duo Stacey Abrams and Lara Hodgson Like many business owners, renowned politician and activist Stacey Abrams didn't start a business because she dreamed of calling herself an entrepreneur. Her part-time post (and its \$17,310 annual salary) as a member of the Georgia House of Representatives necessitated striking out on her own as a consultant—her first small business. Then, Stacey and her friend Lara Hodgson launched an infrastructure advisory firm—named Insomnia Consulting because they did their best thinking at 3:00 a.m.—and then another business, and then another. Fifteen years into their entrepreneurial journey together, they have tackled the obstacles that many business owners face: how to grow sustainably, hire thoughtfully, and keep up with the Goliaths in your industry. Now, for the first time, Stacey and Lara share their inspiring and relatable personal story and lessons learned the hard way to show how every business owner can confront the forces that conspire to keep small businesses small. Lauded for her “resilient, visionary leadership” (Barack Obama) and celebrated as a “passionate advocate of democracy” (Madeleine Albright), Stacey now brings her fierce sense of justice to the challenges that America's business owners face. Level Up arms readers with the confidence, know-how, and savvy to overcome the obstacles that hold their businesses back.

It's for the young professionals entering the workforce with big dreams who want to know exactly what it takes to advance in their career. It's for anyone who has wanted more out of life but just hasn't been able to make the shift to take control of their future. Many books teach you the steps you need to take to change your life. Most people know what they should do, and yet they don't do it. The fact is that it does not matter how much you know—nothing will change for you unless you own the responsibility of leveling up. Alyson Van Hooser has discovered the crucial knowledge you must have, actions you must take, and areas of your life you must own if you want to shift the trajectory of your professional life to work in your favor. In Level Up, you'll learn the secrets to professionalization and the exact steps required to gain respect, increase opportunity, and harness the power to crush all your goals, including: How to lay down your law so you don't get off track How to get ahead by identifying and strategically adapting to what motivates individuals in different generations, from different social classes, with different life experiences How to make your emotions work for rather than against you Ways to make networking impressive instead of awkward What self-care truly means (hint: choosing YOU and your goals) And much more! Be bold. Make your own hype. And be accountable to the grind.
