Little America Epic, 2020-03-17 From the pages of *Epic* magazine come the true stories that inspired the Apple Original Series. Includes nearly a hundred color photographs and a Foreword by Kumail Nanjiani. Nearly everyone in America came from somewhere else. This is a fundamental part of the American idea—an identity and place open to everyone. People arrive from all points distant, speaking a thousand languages, carrying every culture, each with their own reason for uprooting themselves to try something new. Everyone has their own unique story. *Little America* is a collection of those stories, told by the people who lived them. Together, they form a wholly original, at times unexpected portrait of America's immigrants—and thereby a portrait of America itself.
