In David and Goliath Malcolm Gladwell, no.1 bestselling author of The Tipping Point, Blink, Outliers and What the Dog Saw, takes us on a scintillating and surprising journey through the hidden dynamics that shape the balance of power between the small and the mighty. *Little Royal* Chelo Manchego,2017-12-19 Little Royal is a big fish in a small pond and all the other fish do his bidding. But when he takes his big attitude to other ponds, he learns a valuable lesson about humility and compassion, in this wise and witty picture book for kids ages 4-8. I am the very big fish of my very little pond and when I demand: 'Me! Now!' all of my very little fish bow down to me. They scrub my tail and blow bubbles on my scales. So, I chant, 'Long live myself!' Because I am the biggest and brightest most beautiful fish in the kingdom of Me. Little Royal lords over his domain--until he learns from a wandering frog that there are bigger ponds and more exotic creatures elsewhere. His heart propels him to leave his pond to explore them, fully expecting that he will be eminent ruler--but what he encounters turns out to be humbling and uncomfortable, but ultimately very freeing. As Little Royal's journey unfolds and his world expands, Manchego's skillful, nuanced watercolor illustrations change from pale and delicate to lush and luminous, speaking to the increasing complexity both of what Little Royal encounters and his conflicting emotions. The effect is profound and poignant.

Hyperbole and a Half Allie Brosh,2013-10-29 #1 New York Times Bestseller “Funny and smart as hell” (Bill Gates), Allie Brosh’s Hyperbole and a Half showcases her unique voice, leaping wit, and her ability to capture complex emotions with deceptively simple illustrations. FROM THE PUBLISHER: Every time Allie Brosh posts something new on her hugely popular blog Hyperbole and a Half the internet rejoices. This full-color, beautifully illustrated edition features more than fifty percent new content, with ten never-before-seen essays and one wholly revised and expanded piece as well as classics from the website like, “The God of Cake,” “Dogs Don’t Understand Basic Concepts Like Moving,” and her astonishing, “Adventures in Depression,” and “Depression Part Two,” which have been hailed as some of the most insightful meditations on the disease ever written. Brosh’s debut marks the launch of a major new American humorist who will surely make even the biggest scrooge or snob laugh. We dare you not to. FROM THE AUTHOR: This is a book I wrote. Because I wrote it, I had to figure out what to put on the back cover to explain what it is. I tried to write a long, third-person summary that would imply how great the book is and also sound vaguely authoritative—like maybe someone who isn’t me wrote it—but I soon discovered that I’m not sneaky enough to pull it off convincingly. So I decided to just make a list of things that are in the book: Pictures Words Stories about things that happened to me Stories about things that happened to other people because of me Eight billion dollars\* Stories about dogs The secret to eternal happiness\* \*These are lies. Perhaps I have underestimated my sneakiness!
