Year of the Gherkin John Dobson,2012-09-28 Okay, so his credit card is maxed, his boss hates him, his father is a world-class alcoholic and his hairline, like the country, is showing signs of recession. But everything will come right if he sticks to his New Year's resolutions. All he needs to do to get his life back on track is bag himself a great new job, lose 9 kgs, get a girlfriend (blonde, not too much admin) and get 250 Facebook friends without too many freaks. Easy. Or so he tells himself. But in reality the odds are stacked against the Jasonator. He may have the best collection of branded jeans in the paint retail industry - and, let's face it, nothing is more important than that, right? - but turning his life around is going to require a lot more than just a change of trousers (although this, too, may well be on the cards). Will this be the year that Jason finally gets it together and gets one over those who are intent on dragging him down - his boss, the body corporate, estate agents, his sickeningly successful friends . . . or will it be known forever as the year of the gherkin?

South Africa - Culture Smart! Isabella Morris, Culture Smart!, 2018-02-01 South Africa has been described as A World in One Country and a Rainbow Nation. Its landscape ranges from miles of glorious beaches to the inland desert of the Karoo, the sweeping grasslands of the Highveld plateau, and the subtropical bush of the Lowveld. Its ethnic makeup is equally varied. There are eleven official languages, nine major black African tribes, two major white tribes, as well as a representation of all the world's major religions. It has a free market economy while communists share in government; one of the world's most liberal constitutions and a deeply patriarchal society; and very rich and very poor people coexisting. South Africa has come through fire, and although there is still considerable heat, it is doing pretty well. This insiders' guide will introduce you to the universal warmth and cultural diversity of its people, explain the backdrop of their troubled past, and familiarize you with their everyday life so that you'll feel comfortable whether you're invited to a shack in the townships, a mansion in the suburbs, or a braai on the beach. You'll learn how to stay safe in potentially dangerous areas, and you'll know where to go if you want to feel like the only person on the planet.

African Theatre David Kerr, Jane Plastow, 2011 Examines the impact of new media (such as video and YouTube) and the use of multi-media on live and recorded performance in Africa. Focuses on the ways African theatre and performance relate to various kinds of media. Includes contributions on dance; popular video, with an emphasis on video drama and soaps from Eastern and Southern Africa, and the Nigerian 'Nollywood' phenomenon; the interface between live performance and video (or still photography), and links between on-line social networks and new performance identities. As a group the articles raise, from original angles, the issues of racism, gender, identity, advocacy and sponsorship. Volume Editor: DAVID KERR is Professor of English in the University of Botswana, and is the author of African Popular Theatre Series Editors: Martin Banham, Emeritus Professor of Drama & Theatre Studies, University of Leeds; James Gibbs, Senior Visiting Research Fellow, University of the West of England; Femi Osofisan, Professor of Drama at the University of Ibadan; Jane Plastow, Professor of African Theatre, University of Leeds; Yvette Hutchison, Associate Professor, Department of Theatre & Performance Studies, University of Warwick

Africa [3 volumes] Toyin Falola, Daniel Jean-Jacques, 2015-12-14 These volumes offer a one-stop resource for researching the lives, customs, and

cultures of Africa's nations and peoples. Unparalleled in its coverage of contemporary customs in all of Africa, this multivolume set is perfect for both high school and public library shelves. The three-volume encyclopedia will provide readers with an overview of contemporary customs and life in North Africa and sub-Saharan Africa through discussions of key concepts and topics that touch everyday life among the nations' peoples. While this encyclopedia places emphasis on the customs and cultural practices of each state, history, politics, and economics are also addressed. Because entries average 14,000 to 15,000 words each, contributors are able to expound more extensively on each country than in similar encyclopedic works with shorter entries. As a result, readers will gain a more complete understanding of what life is like in Africa's 54 nations and territories, and will be better able to draw cross-cultural comparisons based on their reading.

Plentiful Paul Atkinson,Angela Shaw,Chrisi van Loon,Louis Van Loon,2017-02-22 The purpose of the book is to continue the tradition of excellent vegetarian food, centred on Mediterrean flavors, served at the BRC which has always had the personal touch of the head chef in charge of the menus and that of his co-chefs: the lovely, friendly local Zulu women who have worked in the kitchen for many years to great acclaim from visitors. These ladies were taught the skills of traditional Zulu cooking from their mothers, which they then readily adapted to cooking the vegetarian cuisine served at the BRC. These women could hold their own in the kitchen of any up-market restaurant anywhere. With this book, the BRC also wanted to showcase the exquisite indigenous environment in which it is set, which has become a spiritual haven for South African and international visitors.

A Life in Three Acts Bette Bourne,Mark Ravenhill,2010-04-16 With honesty, humour and occasional anger, performer Bette Bourne tells the playwright Mark Ravenhill about his brave and flamboyant life. Crafted from transcripts of a series of long, private conversations, actor Bette Bourne reminisces and replays scenes from his life from a postwar childhood,a stint as a classical actor in the late 60s, to living in a drag commune in Notting Hill and being an active member of the Gay Liberation Front. Bette then talks about his touring with the New York based Hot Peaches cabaret group and founding his own cabaret troop, Bloopips, which redefined the term gay theatre by creating their very own unique celebration of dramatic and colourful homosexuality. The piece, in three parts, marks a different series of events in Bette's life to reveal both a portrait of a pioneering, radical individual and a historical document of the struggles and achievements of gay liberation.

Beaten But Not Broken Vanessa Govender,2018 At the height of her journalism career, more than one million households across the country knew her name and her face. Her reportage on human suffering and triumph captivated viewers, and with it Vanessa Govender shot to fame as one of the first female Indian television news reporters in South Africa. Always chasing the human angle of any news story, Govender made a name for herself by highlighting stories that included the grief of a mother clutching a packet filled with the fragments of the broken bones of her children after they'd been hacked to death by their own father, and another story where she celebrated the feisty spirit of a little girl who was dying of old age, while holding onto dreams that would never be realised. Yet Govender, a champion for society's downtrodden, was hiding a shocking story of her own. In Beaten But Not Broken, she finally opens up about her deepest secret - one that so nearly ended her career in broadcast journalism before it had barely kicked off. She was a rookie reporter at the SABC in 1999. He was a popular radio disc jockey, the darling of the SABC's Lotus FM, a radio station catering to nearly half a million Indian people across South Africa. They were the perfect pair, or so it seemed. And if anyone suspected the nature of the abusive relationship, Govender says, she doesn't believe they knew the full extent of the horror that the popular DJ was inflicting on this intrepid journalist. The bruising punches, the cracking slaps, and the relentless episodes filled with beatings, kicking and strangling were as ferocious as the emotional and verbal abuse he hurled at her. No one would know the brutal and graphic details of Govender's story ... until now. In Beaten But Not Broken, this Indian woman does the unthinkable, maybe even the unforgiveable, in breaking the ranks of a close-knit conservative community to speak out about her five-year-long hell in this abusive relationship. Her story also lays bare her heart-breaking experiences as a victim of childhood bullying and being ostracised by some in her community for being a dark-skinned Indian girl. Govender tells a graphic story of extreme abuse, living with the pain, and ultimately of how she was saved by her own relentless fighting spirit to find purpose and love. This is a story of possibilities and hope; it is a story of a true survivor.
