She alone has the magical power to prevent the spirits from destroying every man, woman, and child. But queens are still just

human, and no matter how strong or good, the threat of danger always looms. With the position so precarious, young women are chosen to train as heirs. Daleina, a seemingly quiet academy student, is under no illusions as to her claim to the throne, but simply wants to right the wrongs that have befallen the land. Ven, a disgraced champion, has spent his exile secretly fighting against the growing number of spirit attacks. Joining forces, these daring partners embark on a treacherous quest to find the source of the spirits' restlessness—a journey that will test their courage and trust, and force them to stand against both enemies and friends to save their land . . . before it's bathed in blood.
