Shiva And The Aghoris Sasindran Kallinkeel, How many of us have the courage to address and follow the true spiritual calling from within and beyond. This is the story of Shiva as he embarks on a journey to become a part of the most feared and simultaneously revered cults - Aghori. Shiva was borne on auspicious day of Shivaratri in an orthodox Hindu family in Trivandrum. His family was follower of Lord Vishnu but since childhood Shiva's devotion was inclined towards Lord Shiva. He was curious as to gain knowledge on myths and tales of Lord Shiva. His queries were often greeted by his family with raised eyebrows and getting the warning to shush it down. His curious mindset towards this created issues in his life but Shiva just couldn't ignore his calling to become a true devotee of Lord Shiva. Sasindran Kallinkeel in his yet another fiction novel Shiva & The Aghoris written in autobiographical style gives insights on the real life of Aghoris and their spiritual beliefs and practices. The journey of becoming an Aghori is the most demanding and cruel one. One does not simply attain the status of being qualified for even becoming a hermit in Kashi and in midst of that Shiva struggles and completes his calling of becoming an Aghori.

Shiva Manasa Pooja Koushik K, 2020-06-03 Shiva manasa pooja is one of the easiest and shortest and most beautiful hymns on Shiva which helps us to do a mental worship or internal worship. Wherever we are and in whichever time we want, we can do the mental worship. Mental worship is the process of visualizing the god, then visualizing various offerings and offer them to the lord mentally. The basic offerings are of sixteen kinds which will be discussed in detail throughout this book. This worship is one of the best ways to connect with god. You don't need to depend on any external factors or availability of things. You can create things out of our visualization and offer them to god. All that god cares is that you wish to offer him something with love and you are thinking about him with love and devotion while offering mentally. This kind of worship has an equal importance just like external ritualistic worship (baahya pooja) - external worship. Even at times when you are not able to do the external worship, it is prescribed that you do internal worship of the lord. This hymn is one of the simplest ways to help you do it. You can do it two times a day. There are no special rules to be followed. Just chant this hymn with devotion and visualize every offering in each step and offer it to lord Shiva. I will give you a couple of Dhyana shlokas (verses for contemplation and visualization) of lord Shiva which you can use to visualize Shiva and then slowly visualize various offerings and offer them to lord Shiva as guided by the hymn.
