

Louis Xiv Fanfinity

Warren Hamilton Lewis

A Fanfare for the Sun King Pamela Cowen,2003 This beautifully illustrated volume, published in conjunction with a landmark exhibition at The Fan Museum, Greenwich, gathers together a marvellous group of over 40 fans and fan leaves dating from the reign of Louis XIV.In this fascinating book, daily life and times at the court of the 'Sun King', including well-known figures such as Madames de Montespan and Maintenon, as well as other royal and court figures, visiting dignitaries and national events, are discussed in considerable detail. Many scenes are set in the grounds of Versailles and these are identified by the author, whose impeccable research provides the gossip 'straight from the horse's mouth'. All this is presented in the vehicle of the folding fan, which rose to prominence under Louis XIV. He inspired subject matter for painted fan leaves, and moreover imposed strict etiquette at court involving the use (and non-use) of fans.

Louis XIV Aurora von Goeth,Jules Harper,2018-06-30 A concise, straightforward biography of the seventeenth-century French monarch and his seventy-two-year reign. Innovator. Tyrant. Consummate showman. Passionate lover of women. After the death of King Louis XIII in 1643, the French crown went to his first-born son and heir, four-year old Louis XIV. In the extraordinary seventy-two years that followed, Louis le Grand—France’s self-styled “Sun King”—ruled France and its people, leaving his unique and permanent mark on history and shaping fashion, art, culture and architecture like none other before. This frank and concise book gives the reader a personal glimpse into the Sun King’s life and times as we follow his rise in power and influence: from a miraculous royal birth no one ever expected to the rise of king as absolute monarch, through the evolution of the glittering Château de Versailles, scandals and poison, four wars and many more mistresses . . . right up to his final days. Absolute monarch. Appointed by God. This is Louis XIV, the man. We will uncover his glorious and not-so-glorious obsessions. His debilitating health issues. His drive and passions. And we will dispel some myths, plus reveal the people in his intimate circle working behind the scenes on the Louis propaganda machine to ensure his legacy stayed in the history books forever. This easy-to-read narrative is accompanied by a plethora of little-known artworks, so if you’re a Louis XIV fan or student, or just eager to know more about France’s most famous king, we invite you to delve into court life of seventeenth-century French aristocracy, the period known as Le Grand Siècle—“The Grand Century.”

Louis Xiv And The Greatness Of France Maurice Ashley,1965 Maurice Ashley evaluates how a determined, conscientious King Louis XIV was able to raise France to its greatest glory while plunging its people into deep misery. Maurice Ashley presents the life of Louis XIV, both as a man and a ruler, with attention on the explanation for a splendid age that nevertheless harbored the earliest roots of the French Revolution. From his ill-considered foreign policies, his refusal to tolerate the slightest compromise of his royal absolutism, and his total suppression of every deviation from strictly Roman Catholic orthodoxy, Ashley presents a complete review of Louis’ impact on France and its people.
