Roll the Dice R.C. Wynne,2015-07-25

Fuck Yeah! Decision Dice Chronicle Books,2019-08-20 Address life's tough decisions with a roll of the dice! Two 6-sided dice—one that says fuck on all sides, and the other with words like yeah and no—combine to give you the answers you've been looking for. Your decision-making process just got a whole lot easier—so, what the f*ck are you waiting for?

The Evergreen ,1844 Vols. 1-7 include music.

Roll the Dice R. C. Wynne,2022-10-20 Jacqui Karston has lost - her husband, her daughter, her mother. Now, she lives life with a purpose, playing it safe and leaving chance in the past. Her life is stable, predictable, that is until Rutherford Construction opens up an office in Biloxi. Morgan Brewer, however, believes that unless you roll the dice, you'll never achieve that big payoff. He lives his life on the edge, making the most of every opportunity that comes his way, taking every gamble he can and wasting his winnings. That is until his roll of the dice brings him across Jacqui's path. Can Morgan stop taking chances long enough to give Jacqui her chance? Does Jacqui even want a chance? Or does she just want to be left alone to grieve?

Love Songs in Motion Christina J. Woolner,2023-11-24 An intimate account of everyday life in Somaliland, explored through an ever-evolving musical genre of love songs. At first listen, both music and talk about love are conspicuously absent from Somaliland's public soundscapes. The lingering effects of war, the contested place of music in Islam, and gendered norms of emotional expression limit opportunities for making music and sharing personal feelings. But while Christina J. Woolner was researching peacebuilding in Somaliland's capital, Hargeysa, she kept hearing snippets of songs. Almost all of these, she learned, were about love. In these songs, poets, musicians, and singers

collaborate to give voice to personal love aspirations and often painful experiences of love-suffering. Once in circulation, the intimate and heartfelt voices of love songs provide rare and deeply therapeutic opportunities for dareen-wadaag (feeling-sharing). In a region of political instability, these songs also work to powerfully unite listeners on the basis of shared vulnerability, transcending social and political divisions and opening space for a different kind of politics. Taking us from 1950s recordings preserved on dusty cassettes to new releases on YouTube and live performances at Somaliland's first postwar music venue—where the author herself eventually takes the stage—Woolner offers an account of love songs in motion that reveals the capacity of music to connect people and feelings across time and space, creating new possibilities for relating to oneself and others.

Love's Mystery Solved Joseph A. Smith, 2006-08 Literally all healthy relationships will benefit by understanding and appreciating this historically first true clarification of love eliminating confusion over what it is and how to find and build upon it. This useful descriptive definition of love is invaluable for those interested in increasing the success of any relationship. One of a host of interesting insights is that genuine love is more than emotion. Janet Ackerman-Smith BSN, MA, MS During a fifty-year ministry this is one of my very few absolute endorsements because Dr. Joseph Smith has put together a manuscript of such thoughtful and practical concern. Most of the books on the counters of our local

bookstores are not of the same caliber that he offers. Reading this manuscript was, for me, an adventure of discovery. I find his book not only fulfilling but exciting. The organization quickly brings the reader to an appreciation that love defined can really have an impact on not only the way we understand and then react with others, but how we may do this responsibly. This is the secret genius of this book Reverend William J. Murphey

Loves Creation Robin Housch,2014 We follow L.C. from his longing to fill the empty hole inside to his realization and acceptance of Jesus as Savior, to baptism, spiritual growth, and his desire to tell his friends.

The Nuptial Mystery Angelo Scola,2005-05-12 Translated by Michelle K. Borrás The idea of love pervades our society, yet it is nearly impossible to answer the question What is love? especially as we witness the divorce of love from sexuality and of sexuality from procreation. Aware that many people today are skeptical about marriage, Angelo Cardinal Scola nevertheless suggests that only in the category of nuptial mystery do we find a way to adequately describe the phenomenon of love. A bright new leader in the Catholic Church, Cardinal Scola argues that the male-female relationship lies near the heart of what it means to bear the image of God. Scola's book explores the essential sexual differences that both separate and unite men and women, and it shows how men and women can realize their purpose in marriage or celibacy. Conversant with papal teaching and Catholic writers from Aquinas to von Balthasar, Cardinal Scola writes with a deep regard for marriage and the family. His Nuptial Mystery will leave readers with a thoroughly Christian appreciation for incarnate love.
