Jack London

With Love from London Sarah Jio, 2022-02-08 When a woman inherits her estranged mother's bookstore in London's Primrose Hill, she finds herself thrust into the pages of a new story—hers—filled with long-held family secrets, the possibility of new love, and, perhaps, the single greatest challenge of her life. When Valentina Baker was only eleven years old, her mother, Eloise, unexpectedly fled to her native London, leaving Val and her father on their own in California. Now a librarian in her thirties, fresh out of a failed marriage and still at odds with her mother's abandonment, Val feels disenchanting with her life. In a bittersweet twist of fate, she receives word that Eloise has died, leaving Val the deed to her mother's Primrose Hill apartment and the Book Garden, the storied bookshop she opened almost two decades prior. Though the news is devastating, Val jumps at the chance for a new beginning and jets across the Atlantic, hoping to learn who her mother truly was while mourning the relationship they never had. As Val begins to piece together Eloise's life in the U.K., she finds herself falling in love with the pastel-colored third-floor flat and the cozy, treasure-filled bookshop, soon realizing that her mother's life was much more complicated than she ever imagined. When Val stumbles across a series of intriguing notes left in a beloved old novel, she sets out to locate the book's mysterious former owner, though her efforts are challenged from the start, as is the Book Garden's future. In order to save the store from financial ruin and preserve her mother's legacy, she must rally its eccentric staff and journey deep into her mother's secrets. *With Love from London* is a story about healing and loss, revealing the emotional, relatable truths about love, family, and forgiveness.

Love and War in London Olivia Cockett,2009-08-03

Olivia Cockett was twenty-six years old in the summer of 1939 when she responded to an invitation from Mass Observation to “ordinary” individuals to keep a diary of their everyday lives, attitudes, feelings, and social relations. This book is an annotated, unabridged edition of her candid and evocative diary. *Love and War in London: A Woman’s Diary 1939-1942* is rooted in the extraordinary milieu of wartime London. Vibrant and engaging, Olivia’s diary reveals her frustrations, fears, pleasures, and self-doubts. She records her mood swings and tries to understand them, and speaks of her lover (a married man) and the intense relationship they have. As she and her friends and family in New Scotland Yard are swept up by the momentous events of another European war, she vividly reports on what she sees and hears in her daily life. Hers is a diary that brings together the personal and the public. It permits us to understand how one intelligent, imaginative woman struggled to make sense of her life, as the city in which she lived was drawn into the turmoil of a catastrophic war.

Forever Be Mine Lauren Smith,2019-02-16 What’s love got to do with it? Celia Lynton had been told her entire life that she couldn’t marry for love, marriage should be a business agreement, poor men were only after the family fortune, blah, blah, blah. But now, there is no fortune. There’s only debt, and an urgency to find a way to pay her younger brother’s tuition at a school that can tend to his special needs. So yeah, there’s going to be a marriage. One of convenience. Just like her parents wanted. She’ll marry a future Scottish earl—a very rich future earl—and her brother will get to attend school. There’s just one problem: Celia is in love with another man.

You can't always get what you want. Carter Martin has loved Celia since they were kids. Never mind he's too quiet, too studious for someone who lights up a room when she smiles, add to that his father works for her family. Being the son of the "help," he could never be good enough for her. So he's worked hard his entire life to show his boss, the Earl of Pembroke, that he can take over his father's position as Steward of the estate some day and take care of the family who has taken care of his for generations. Little does he know, Celia has a plan of her own...an intimate trip to Italy where they won't be able to keep their hands off each other. How can he resist the only woman he's ever loved?

Love in the Time of Victoria Francoise Barret-Ducrocq, 1992-12-01 Using firsthand documents uncovered in the archives of a London foundling hospital, Barret-Ducrocq offers a marvelously acute census of Victorian sexual and moral attitudes.

Love and Toil Ellen Ross, 1993 The feisty warm-hearted mum has long figured as a symbol of the working class in

Britain, yet working-class history has emphasized male organizations such as clubs, unions, or political parties. Investigating a different dimension of social history, *Love and Toil* focuses on motherhood among the London poor in the late Victorian and Edwardian years, and on the cultures, communities, and ties with husbands and children that women created. Mothers' skills in managing the family budget, earning income, and caring for their children were critical in protecting households from the worst hardships of industrial capitalism, yet poverty or the threat of it molded intimate relationships and left its imprint on personalities. This book is also a case study demonstrating the larger argument that the concept of motherhood is more socially and historically constructed than biologically determined. Shaky household economics, pressure toward respectability, the close proximity of neighbors, the precariousness of infant and child life, and little chance of better lives for their children shaped the work and emotions of motherhood much more than did the biological experiences of pregnancy, birth, and lactation. This beautifully written book, embellished with Cockney slang and music hall songs, addresses fascinating questions in the fields of women's studies, labor history, social policy, and family history.--pub. description.

London is a Forest Paul Wood, 2022-06-23 Exploring the rich diversity of London through a series of urban forest trails, this new, expanded edition of *London is a Forest* uncovers the fascinating stories and secrets the city holds. Through seven carefully devised paths, author Paul Wood explores the urban forest's geography, its past and future, and looks at the remarkable variety of life supported in this unique metropolitan ecosystem. For curious Londoners and anyone who's fascinated by nature, a wealth of arboreal details, history, myth and anecdotes are revealed along the way. Complementing the trails, Wood looks in more detail at the fascinating stories of some of the iconic, and some of the less obvious species that define the urban forest. In London, 9 million people

are crammed into just 600 square miles alongside 8.5 million trees. According to one UN definition, this makes the city a forest. The Forestry Commission agree, describing London as the world's largest urban forest. And a particularly diverse and historic urban forest at that.

Tristan Kingsley. It's not his money or his title...it's not even his panty-dropping good looks. Kat loves Tristan because he's unguarded, sharing his emotions, his desires, and his dreams with her. But it seems Kat inherited the unlucky-in-love gene. Her father and Tristan's mother are now dating, which means she's spending Christmas break in the same London townhouse as Tristan. But Tristan's father, the Earl of Pembroke, wants more than an American college girl for his son, and it would take a decree by the Queen herself to change his mind. Christmas break should be relaxing and fun... For Tristan Kingsley it's a living hell. He can't think about Decking the Halls when the girl of his dreams is staying right across the hall! But her father wouldn't approve of Tristan's roguish reputation as a London playboy, and despite agreeing to keep their relationship secret, stolen moments aren't enough. Tristan can't keep his hands off Kat, and when a fairy tale style picture of them kissing hits the London newsstands, they know it's only a matter of time before their families discover the truth.
