things again and again? Relationship experts Milan and Kay Yerkovich explain why the ways you and your spouse relate to each other go back to before you even met. - * understand how your early life impacts you and your spouse
- * break free from painful patterns that keep you stuck
- * find healing for the source of conflict, not just the symptoms
- * create the close, nourishing relationship you dream about

Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called *A Love Language Minute* that can be heard on more

Love Test Holly Manno, 2019-03-26 In this modern era of instant everything, when it comes to online dating you're either in or out, right? Not so fast What if a brand-new approach paired tech with destiny? Could that sway you? What if you were already engaged? After a six-year courtship, artist and gallery owner Lanie Blackwell is soon to marry James Roberts. Until he met Lanie, James was elusive to the opposite sex and enjoyed living the single life with few strings. Lanie's independent spirit is working overtime as she confides to her best friend that she's nervous about her upcoming nuptials. One evening, a few weeks before the big day, they are watching TV when a commercial for an online dating site, lovetest.love, comes on the screen. Mesmerized by their concept, Lanie--who has always been averse to online dating--wonders aloud if they'd be paired by the ground-breaking system. For the first time, James can see she has cold feet. So confident of

their compatibility, he issues a challenge Lanie cannot refuse.
