Pagan Prayer Beads John Michael Greer,Clare Vaughn,2007-05-01 Religions from around the world--Buddhism, Hinduism, Catholicism, Islam, and many more, including the Pagan earth religions--use prayer beads as useful guides to remembering prayers and principles. Pagan Prayer Beads by John Michael Greer and Clare Vaughn is a unique and practical introduction to the design, creation, and use of Pagan rosaries, teaching the reader to design and make personal prayer beads for use in myriad spiritual practices. Co-written by a beading expert (Clare Vaughn) and one of the leading lights in modern Paganism (John Michael Greer), this book will garner an eager audience--from beginners to elders--looking for new inspiration in their personal spiritual practice. Beautifully written, instructive, and straightforward, Pagan Prayer Beads is user-friendly and easy to understand. Lovely black-and-white photographs accompany the text to further illustrate the art and craft of Pagan prayer beads. The how-to sections were tested by novices to both crafting and the craft, who found the directions clear and easy to follow. Throughout the book, Greer and Vaughn have included fascinating history and lore as well as crystal properties, Pagan symbology, and deeply meaningful prayers and rituals to use with the rosaries. \* 30 lovely black-and-white photos accompany the beading instructions.

**Covetous** Victoria Evers,2018-08-09 Heaven Wants Me Dead. Hell Wants Me As Their Weapon. And I'm in Bed With A Devil. I was just your average seventeen-year-old girl, until I was Marked. Some may sell their souls; mine was taken. Not only are angelic hunters out to kill me, but Hell's deadliest Mage--the devilishly charming Crown Prince of Lust--is just as desperate to get his hands on me...again. No, he doesn't want me dead. This seductive trickster only has one thing on his mind: making me his new blushing bride. He can call me his mate all he wants. I'm not about ready to sign my soul away into eternal damnation, no matter how gorgeous he may be. But after two months on the run, I realize I can't escape the ugly truth. If I wish to fight another day, I may just have to make a deal with the worst kind of devil. The kind that loves me. I thought I knew what rock bottom was, but this is only the beginning. As the great poet once said, Hell is empty and all the devils are here.

The Druid Magic Handbook John Michael Greer,2008-02-01 The first and only Druidic book of spells, rituals, and practice. The Druid Magic Handbook is the first manual of magical practice in Druidry, one of the fastest growing branches of the Pagan movement. The book breaks new ground, teaching Druids how to practice ritual magic for practical and spiritual goals within their own tradition. What sets The Druid Magic Handbook apart is that it does not require the reader to use a particular pantheon or set of symbols. Although it presents one drawn from Welsh Druid tradition, it also shows the reader how to adapt rites and other practices to fit the deities and symbols most meaningful to them. This cutting edge system of ritual magic can be used by Druids, Pagans, Christians, and Thelemites alike! This is the first manual of Druidic magical practice ever, replete with spell work and rituals.

Dragon Mage ML Spencer,2020-12-22 Aram Raythe has the power to challenge the gods. He just doesn't know it yet. Aram thinks he's nothing but a misfit from a small fishing village in a dark corner of the world. As far as Aram knows, he has nothing, with hardly a possession to his name other than a desire to make friends and be accepted by those around him, which is something he's never known. But Aram is more. Much, much more. Unknown to him, Aram bears within him a gift so old and rare that many people would kill him for it, and there are others who would twist him to use for their own sinister purposes. These magics are so potent that Aram earns a place at an academy for warrior mages training to earn for themselves the greatest place of honor among the armies of men: dragon riders. Aram will have to fight for respect by becoming not just a dragon rider, but a Champion, the caliber of mage that hasn't existed in the world for hundreds of years. And the land needs a Champion. Because when a dark god out of ancient myth arises to threaten the world of magic, it is Aram the world will turn to in its hour of need.

**Hard Way Home** Jean Grainger,2020-06-29 Dublin 1950 Liesl Bannon has never felt like she was truly at home anywhere, not since her mother placed her and her brother Erich on the last Kindertransport out of Berlin in 1939. She'd been so much more fortunate than most Jews, saved from the horrors of the Nazi regime. Being adopted by Elizabeth and Daniel Lieber meant she and Erich spent the war in Northern Ireland, safe and loved, but Liesl always knew something was missing. When an opportunity to return to Berlin to represent her university presents itself, she is so torn. Should she go back to the city that rejected her and her family, would it be too harrowing, or would it feel like home? In Berlin, a chance encounter with an old family friend sparked emotions for Liesl that she'd suppressed since she was a child. She finds herself desperately wanting to go back to those carefree days before Hitler, when life made sense, but why was her family so set against her return? Was it because they were worried about her as they claimed, or was there a darker, more sinister reason? The Hard Way Home is the heart wrenching third book in the best-selling Star and the Shamrock series.

**Mage Throne Prophecy** James Haddock,2019-12-29 A routine physical shows Captain Ross Mitchell has a flesh-eating virus that specifically targets the brain. Prognosis says he'll be a vegetable by week's end. Having survived numerous incursions in combat around the world, Ross decides he's not going out like that. He drives a rented corvette into a cliff face at over 200 MPH. The fiery impact catapults him toward the afterlife. Instead of finding the afterlife, he finds himself in a different body with an old man stabbing him in his chest. He fights free, killing the old man before passing out. He wakes to find he's now in the body of Prince Aaron, the 15-year-old second son of the King. In this medieval world, the Royals are Mages. The old man who was trying to kill him was a Mage Vampire. Instead of blood, the old Mage was trying to steal Ross/Aaron's power, knowledge, and in this case, his body. When Ross/Aaron killed the old Mage, his vampire power was transferred to him. He now has the memories, knowledge, and powers of the old Mage. Ross/Aaron must navigate this new environment of court intrigue with care. His older brother, the Crown Prince, hates him. His older sister has no use for him. The King sees him as an asset to be used, agreeing to marry him to a neighboring Kingdom for an alliance. Before the marriage takes place, the castle is attacked. Someone is trying to kill him but is finding it most difficult. Where Mages fight with Magic, Ross/Aaron fights with magic and steel. It's hard to cast a spell with a knife through your skull or your throat cut. As Ross/Aaron travels with his fiancée toward her home for the marriage to take place, they are attacked at every turn. Someone doesn't want this wedding to happen. Ross/Aaron has had enough of people trying to kill him. With Aaron's knowledge and Ross' training, they take the offensive. The Kingdom will never be the same.

Sexy Like Us Teresa Milbrodt,2022-07-27 Sexy Like Us: Disability, Humor, and Sexuality takes a humorous, intimate approach to disability through the stories, jokes, performances, and other creative expressions of people with disabilities. Author Teresa Milbrodt explores why individuals can laugh at their leglessness, find stoma bags sexual, discover intimacy in scars, and flaunt their fragility in ways both hilarious and serious. Their creative and comic acts crash, collide, and collaborate with perceptions of disability in literature and dominant culture, allowing people with disabilities to shape political disability identity and disability pride, call attention to social inequalities, and poke back at ableist cultural norms. This book also discusses how the ambivalent nature of comedy has led to debates within disability communities about when it is acceptable to joke, who has permission to joke, and which jokes should be used inside and outside a community's inner circle. Joking may be difficult when considering aspects of disability that involve physical or emotional pain and struggles to adapt to new forms of embodiment. At the same time, people with disabilities can use humor to expand the definitions of disability and sexuality. They can help others with disabilities assert themselves as sexy and sexual. And they can question social norms and stigmas around bodies in ways that open up journeys of being, not just for individuals who consider themselves disabled, but for all people.

What he did shouldn't have been possible - and attempting it is a crime worse than murder. When their secret is unveiled, the crew of the space freighter Blue Jay must decide how far they are willing to go save their Mage and their ship. Starship's Mage is space opera set in a future we would never have predicted: where humanity's far flung interstellar colonies are tied together by the Protectorate of the Mage King of Mars and the magic of the Jump Mages. Starship's Mage: Episode 2 is a 21,957 word novella, the second of five in a serial. Episode 3 is targeted for release in June of 2014.

**Spellmonger** Terry Lee Mancour,2016-01-06 Minalan gave up a promising career as a professional wamage to live the quiet life of a village spellmonger in the remote mountain valley of Boval. It was a peaceful, beautiful little fief, far from the dangerous feudal petty squabbles of the Five Duchies, on the world of Callidore. There were cows. Lots of cows. And cheese. For six months things went well: he found a quaint little shop, befriended the local lord, the village folk loved him, he found a sharp young apprentice to help out, and best yet, he met a comely young widow with the prettiest eyes . . . Then one night Minalan is forced to pick up his mageblade again to defend his adopted home from the vanguard of an army of goblins - gurvani, they call themselves - bent on a genocidal crusade against all mankind. And that was the good news. The bad news was that their shamans were armed with more magical power than has been seen since the days of the ancient Imperial Magocracy - and their leader, a mysterious, vengeful force of hate and dark magic, is headed directly to Boval Vale, along with a massive invading army of gurvani. The good people of Boval and their spellmonger have only one choice: to hole up in the over-sized Boval Castle and hope they can endure a siege against hundreds of thousands of goblins. When the people look to him for hope, Minalan does his best, but the odds are depressing: there are multitudes of goblins, and they want Boval Vale as a staging ground for a vengeful invasion of the whole Five Duchies. Add to his troubles a jealous rival mage, a motley band of mercenaries, a delusional liege lord who insists victory is at hand despite the hordes at his door, a dour castellan, a moody, pregnant girlfriend and a catty ex-girlfriend who specializes in sex magic - all trapped in a stinking, besieged castle with no hope of rescue, and you'll understand why Minalan is willing to take his chances with the goblins. All that stands between the gurvani horde and the people of the Five Duchies is one tired, overwhelmed baker's son who wanted nothing more than to be a simple village spellmonger!
