A Sensitive Dog's Guide to Love, Life and Counter Cruising Baker and Debra Burke-Simpkins, 2015-07-13 High Paws for A Dog's Guide to Life, Love and Counter Cruising: "I had no idea what I was missing. Baker's book brought my game to a whole new level and I can't thank him enough. It all started with a 'paws-on' demonstration on Thanksgiving 2009. I never looked back." —Gus Tobias, Newfoundland (RIP) "There are those of us who beg for treats and those of us who appropriate treats. Through Baker's book, I've learned not to concern myself with what I'm doing but how I'm doing it. It's made a huge difference!" —Jake Franklin, Collie "I've been a counter-cruiser from way back. This guidebook has refined some of my clumsier techniques and also boosted my confidence in some of my 'tried and true' capers. This is a great read!" —Poppy Williams, Greyhound "Never have I felt so good about doing something so bad!" —Kirby Leighton, Brittany Spaniel "Easy as 1-2-3, simple as A-B-C and rockin' like Do-Re-Me! This is the ultimate guide to snacking nirvana!" —Cupcake Harper, English Bulldog "Baker explains it all, step by step, paw by paw. Cruising has never been so productive!" —Sioban Wells, Irish Wolfhound "Two paws Up!" —Banjo Tabor, Skippit (see chapter on designer dogs)

The Gentle Art of Swedish Death Cleaning Margareta Magnusson, 2018-01-02 *The basis for the wonderfully funny and moving TV series developed by Amy Poehler and Scout Productions* A charming, practical, and unsentimental approach to putting a home in order while reflecting on the tiny joys that make up a long life. In Sweden there is a kind of decluttering called döstädning, dö meaning "death" and städning meaning "cleaning." This surprising and invigorating process of clearing out unnecessary belongings can be undertaken at any age or life stage but should be done sooner than later, before others have to do it for you. In *The Gentle Art of Swedish Death Cleaning*, artist Margareta Magnusson, with Scandinavian humor and wisdom, instructs readers to embrace minimalism. Her radical and joyous method for putting things in order helps families broach sensitive conversations, and makes the process uplifting rather than overwhelming. Margareta suggests which possessions you can easily get rid of (unworn clothes, unwanted presents, more plates than you'd ever use) and which you might want to keep (photographs, love letters, a few of your children's art projects). Digging into her late husband's tool shed, and her own secret drawer of vices, Margareta introduces an element of fun to a potentially daunting task. Along the way readers get a glimpse into her life in Sweden, and also become more comfortable with the idea of letting go.

Guildpact Cory Herndon, 2010-04-21 One guild ravages the streets. Teysa leads another to cleanse them. And Agrus Kos doesn't give a damn. But as he watches the guilds nip and tear at each other like snakes . . . something clicks. Now his mind is clear, as are his options. A disaster grows under the city's crowded streets. He knows what he must do. From the Paperback edition.

Sports, Juju, and Human Factor Development Claude G. Mararike, 2006

The Gold Counter Andrew P. Wild, 2021-09-28 What do you do when your king abducts your elderly wife so she can concoct potions for him? You drink your wife's experimental Elixir of Youth and hope it works! The Gold Counter tells the tale of an old man turned suddenly young again and his quest to find the love of his life. After appropriating a barrel full of the king's gold coins, he goes on to join a travelling merchant caravan and sets off on a grand adventure. Along the way, he is faced with devastating foes, impossible challenges and magic of grievous calamity. But his journey is not all

terrible! He meets new folk, creates unique companionships and builds life-long memories out of devotion and love. With the elixir rapidly aging him, the adventurer and his giant rum-swilling friend are in a race to rescue his beloved and return home before time runs out. This dystopian fantasy has all the right elements: a corrupt and greedy king, necromancers, banshees, goblins, plagues, all kinds of potions and much more.

Magical House Protection Brian Hoggard,2019-04-22 Belief in magic and particularly the power of witchcraft was once a deep and enduring presence in popular culture. "Diving into Brian Hoggard's *Magical House Protection* is a remarkable experience... [It] provides an immersive and fascinating read."—*Fortean Times* People created and concealed many objects to protect themselves from harmful magic. Detailed are the principal forms of magical house protection in Britain and beyond from the fourteenth century to the present day. Witch-bottles, dried cats, horse skulls, written charms, protection marks and concealed shoes were all used widely as methods of repelling, diverting or trapping negative energies. Many of these practices and symbols can be found around the globe, demonstrating the universal nature of efforts by people to protect themselves from witchcraft. From the introduction: The most popular locations to conceal objects within buildings are usually at portals such as the hearth, the threshold and also voids or dead spaces. This suggests that people believed it was possible for dark forces to travel through the landscape and attack them in their homes. Whether these forces were emanations from a witch in the form of a spell, a witch's familiar pestering their property, an actual witch flying in spirit or a combination of all of those is difficult to tell. Additional sources of danger could be ghosts, fairies and demons. People went to great lengths to ensure their homes and property were protected, highlighting the fact that these beliefs and fears were visceral and, as far as they were concerned, literally terrifying.

MTG Commander/EDH Log Book - 100 Pages to Track 50 Games [Large Paperback 8.5 X 11] O'Brien Publishing,2021-04-26 Whether you call it a log book, notebook, or scorebook, you'll want to get your hands on this book to help you keep track of your Commander/ Elder Dragon Highlander (EDH) games for Magic the Gathering (MTG). The Craic and Life in the Mountains John O'Dwyer,2022-05-31 A nine-year-old boy hooks a twine-held bundle of hay over his shoulder and climbs the harsh steep mountain on a winter morning, with his brother Pat. They trundle upwards against the harsh terrain and elements to fodder the cattle on the hill top. Some 30 years later, Sligo, his adopted town, is in crisis as development tax incentives have expired and three government ministers are refusing to extend those incentives. That young boy emerges in his elder self, strident and resolute, and fights another uphill battle. Another 20 years on, now in Derry, the calling from the mountains of his birth surface within him, urging him to return to regain lost fragments of his soul. His return regenerates and reignites the lost spirit within as voices forgotten in a busy life emerge from the shadowy vibrations of the past to soothe, heal and repair his soul. The journey sees a re-emergence of the people, characters, events and places that formed his character in a rich tapestry of recall.

Big Magic Elizabeth Gilbert,2015-09-22 The instant #1 NEW YORK TIMES Bestseller A must read for anyone hoping to live a creative life... I dare you not to be inspired to be brave, to be free, and to be curious." —PopSugar From the worldwide bestselling author of Eat Pray Love and City of Girls: the path to the vibrant, fulfilling life you've dreamed of. Readers of all ages and walks of life have drawn inspiration and empowerment from Elizabeth Gilbert's books for years. Now this beloved author digs deep into her own generative process to share her wisdom and unique perspective about creativity. With profound empathy and radiant generosity, she offers potent insights into the mysterious nature of inspiration. She asks us to embrace our curiosity and let go of needless suffering. She shows us how to tackle what we most love, and how to face down what we most fear. She discusses the attitudes, approaches, and habits we need in order to live our most creative lives. Balancing between soulful spirituality and cheerful pragmatism, Gilbert encourages us to uncover the "strange jewels" that are hidden within each of us. Whether we are looking to write a book, make art, find new ways to address challenges in our work, embark on a dream long deferred, or simply infuse our everyday lives with more mindfulness and passion, Big Magic cracks open a world of wonder and joy.

The Counterlife Philip Roth,2013-07-02 Winner of the National Book Critics Circle Award and a finalist for the National Book Award The Counterlife is a novel unlike any that Philip Roth has written before, a book of astonishing 180-degree turns, a book of conflicting perspectives and points of view, and, by far, Roth's most radical work of fiction. The Counterlife is about people enacting their dreams of renewal and escape, some of them going so far as to risk their lives to alter seemingly irreversible destinies. Every major character (and most of the minor ones) is investigating, debating, and arguing the possibility of remaking the future. Illuminating these lives in transition and guiding us through all the landscapes, familiar and foreign, where these people are seeking self-transformation, is the mind of the novelist Nathan Zuckerman. His is the skeptical, enveloping intelligence that calculates the price that's paid in the struggle to change personal fortune and to reshape history. Yet his is hardly the only voice. This is a novel in which speaking out with force and lucidity appears to be the imperative of every life. There is Henry, the forty-year-old New Jersey dentist, who risks a quintuple bypass operation in order to escape the coronary medication that renders him sexually impotent. There is Maria, the wellborn young Englishwoman, who invites the disdain of her family by marrying the American she knows will be less acceptable in Gloucestershire. There is Lippmann, the Israeli settlement leader, who contends that everything is possible for the Jew if only he does not give ground. The action in The Counterlife ranges from a dentist's office in quiet suburban New Jersey to a genteel dining table in a tradition-bound English village, from a Christmas carol service in London's West End to a Sabbath evening celebration in a tiny desert settlement in Israel's occupied West Bank. Wherever they may find themselves, the characters of The Counterlife are tempted unceasingly by the prospect of an alternative existence that can reverse their fate.

Fair Play Eve Rodsky,2019-10-01 A REESE'S BOOK CLUB PICK A hands-on, real talk guide for navigating the hot-button issues that so many

families struggle with.--Reese Witherspoon Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the shefault parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family -- and then sent that list to her husband, asking for things to change. His response was... underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up chores and responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With four easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore from laundry to homework to dinner. Winning this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space -- as in, the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

Black Girl Magic Beyond the Hashtag Julia S. Jordan-Zachery, Duchess Harris, 2019-10-08 Hashtag or trademark, personal or collective expression, #BlackGirlMagic is an articulation of the resolve of Black women and girls to triumph in the face of structural oppressions. The online life of #BlackGirlMagic insists on the visibility of Black women and girls as aspirational figures. But while the notion of Black girl magic spreads in cyberspace, the question remains: how is Black girl magic experienced offline? The essays in this volume move us beyond social media. They offer critical analyses and representations of the multiplicities of Black femmes', girls', and women's lived experiences. Together the chapters demonstrate how Black girl magic is embodied by four elements enacted both on- and offline: building community, challenging dehumanizing representations, increasing visibility, and offering restorative justice for violence. Black Girl Magic Beyond the Hashtag shows how Black girls and women foster community, counter invisibility, engage in restorative acts, and create spaces for freedom. Intersectional and interdisciplinary, the contributions in this volume bridge generations and collectively push the boundaries of Black feminist thought.

Spiritualities of Life Paul Heelas, 2009-01-21 This insightful and provocative journey through spiritual landscapes explores the ways in which spiritualities of life have been experienced and understood in Western society, and argues that today's myriad forms of holistic spirituality are helping us to find balance in face of the stifling demands of twenty-first century living. An enlightening book which explores the ways in which spirituality has been experienced and valued in Western society Traces the development of modern spirituality, from the origins of Romanticism in the eighteenth century, through to the counter-cultural sixties and on to the wellbeing culture of today Explores the belief that modern spirituality is merely an extension of capitalism in which people consume spirituality without giving anything back Contends that much of the wide range of popular mind-body-spirit practices are really an ethically charged force for the 'good life', helping us to find balance in the demands of twenty-first century living Written by an acknowledged world-leader working in the field Completes a trilogy of books including The Spiritual Revolution (2005, with Linda Woodhead) and The New Age Movement (1996), charting the rise and influence of spirituality today.

Magic Ronald Wartow, Brady Games, BradyGames, 1996 Magic: The Gathering and its numerous editions, expansion decks, etc., receive the most press of any card game. These two new expansion sets, Ice Age and Chronicles, add to the popularity of one of the best-selling science fiction/fantasy games.
