Intimately Acquainted Jeff Fiedler,2020-12-30 Whether you are a young adolescent or an older-aged adult, you have experienced trials, tragedy, triumphs, and achievements of some type. As you experience the highs and lows of life, which may sometimes feel like a roller coaster, I want you to know, through those experiences, you have a God who wants you to be intimately acquainted with Him. By being obedient and trusting Him to guide your life, He will strategically lead you in the direction and path of which your life needs to go. As you become closer to Him, while intimately acquainted, the Lord will purposefully place people around you to be there while you experience those peaks and valleys. You have as much God right now in you as you'll ever experience, but know He wants more of you and to build a relationship with you. As you read through this book, there are many examples of how a misfortune resulting in victory can build and grow your faith, to where living by faith is the only way you'll know how to live each day. In this book, I hope to encourage you and help you to persevere with your relationship with the Lord, family relationships, friendships, work environments, financial life, school, church, youth groups, careers, dreams, and goals. By the end of this read, I hope you realize you have a God that knows your heart better than you know yourself, and even through much adversity through this thing called life, God has a divine appointment and a plan for you far more than you could ever imagine while you are becoming intimately acquainted with Him.

Hidden Picture Puzzles Gianni Sarcone, 2014-09-02 A picture tells a thousand words . . . or does it? These diverse puzzles each illustrate a different form of illusion. There's even a crossword puzzle grid with a hiding place tucked inside. The accompanying captions explain the visual and psychological processes that allow these illusions to work—and make them endlessly compelling. Each beautiful picture puzzle contains a mystery: hidden or camouflaged figures that play tricks on your eyes. Some may blend into the background. One image may conceal another. Even though our brain tries to pinpoint and focus on the richly detailed designs, it just can't. And because of their complexity, these illusions fascinate our eyes, stimulate our minds, and expand our imagination.

King Here Trish Porter Topmiller,2019-02-05 King Here is the eye-opening true story of God’s unfolding plan to bring a rich man through the “eye of the needle”. Trusting God and sharing Jesus with aging parents can be difficult. As Trish Porter Topmiller watched her father’s casket be lowered into the ground, she knew the complicated jigsaw puzzle of his life finally held the missing piece—Jesus. But for years, his life seemed as far away from grace, and a believing faith in God, as a person can be. A multimillionaire entrepreneur who believed his financial fortress (and business acumen) was invincible, he turned into a workaholic adrenaline junkie—and ultimate opioid statistic who had given up on life. Even then, grace found him. King Here offers hope that no matter how old, how rich or how addicted someone is, it’s never too late to meet Jesus. Trish shares her father’s inspiring, yet tragic life story—filled with adventure and color and unique escapades—to reveal God’s plan for an old rich man who thought he had no need for God. Stepping back to see the big picture brings to light the hope and joy that God truly can answer prayers and do the impossible, but it doesn’t always look the way readers expect. In this moving tribute to her father, Trish encourages readers to never give up on loved ones who seem “too far gone” for God to reach.
