City in Europe Simon Curtis,2022-08-04 'A superb book and a must-read for any City fan.' - DANIEL TAYLOR, senior writer, The Athletic 'A thorough and delicious retelling of perhaps not the most successful of European journeys, but definitely the most interesting ... Fantastic.' - DAVID MOONEY, BBC Radio 5 Live 'A book that brilliantly explodes the myth that City have no history or pedigree in Europe.' - SIMON MULLOCK, chief football writer, Sunday Mirror THE ESSENTIAL NEW HISTORY OF MANCHESTER CITY'S EUROPEAN TRIUMPHS AND TRAGEDIES FEATURING A FOREWORD BY CITY LEGEND FRANCIS LEE As one of the first English sides to taste glory in Europe, lifting the Cup Winners' Cup in 1970, City looked set for life among the continent's elite. But as their domestic fortunes went from bad to worse to absolute calamity, the wilderness returned. Avid City fan and respected journalist Simon Curtis dusts off the details of some truly intoxicating away days. Filled with tales of the club's travelling support and the evocative accounts of the journalists who saw the team of the Seventies, Curtis tells the story of a club steeped in history, defiantly refusing to bow to pomp and ceremony as it goes about lifting the ultimate prize. After a spectacular rebuild and having achieved all

there is to achieve on the domestic stage, including a record-breaking 100-point season in 2017-18, City's deep-pocketed owners have their sights firmly set on European glory once more. Yet for all their recent success at home, they are anything but welcome guests at Europe's top table.

Treble Triumph Vincent Kompany,2019-11-14 Vincent Kompany relives a spectacular and unique season for Manchester City, in which as club captain he led the Blues to a unique Treble success of Premier League, FA Cup and Carabao Cup triumphs. Told from his unique viewpoint, this is the definitive account of a remarkable campaign. After Manchester City had won the Premier League title in 2018, collecting a record number of points along the way, the pressure was on for them to go one better in 2019 - but instead they went two better, winning every single major domestic trophy, starting with the Community Shield. In this frank and compelling book, Kompany tells the dramatic story of Manchester City's record-breaking season. In the league, they faced a formidable challenge from Jurgen Klopp's Liverpool that went all the way to the final game of the campaign. He takes the reader behind the scenes, to give them an insight into how manager Pep Guardiola inspired them and came up with the right decisions at the right time; he explains what made his team-mates, from Aguero up front to Ederson in goal, so special; and, having scored a spectacular thunderbolt of a goal to virtually secure the title, he explains how and why he decided that the time had come to move on from the club he had adorned for

more than a decade. Vincent Kompany is a club legend, and now he has delivered an account of a special season that will be treasured by City fans everywhere.

50 Years of Manchester City Steve Mingle, 2017-09-24 To celebrate 50 years of watching Manchester City, Steve Mingle presents an array of memories spanning the whole period. The Best and Worst of Everything includes heroes and villains, triumphs and disasters, moments of genius and heinous cock-ups. Here are Steve's most memorable games, players and incidents in a weird and wonderful range of categories. There's much to look back on with affection - the best wins at Old Trafford, the Goat's spawniest finishes, Bell's finest goals, the best wins with ten men - but also plenty of pain, as Steve looks back on the worst goalkeeping howlers, City's jinxes and the biggest villains ever to have darkened the club's doorways. Amongst all this, Steve selects his favourite hard men, pie-eaters and comedy moments as well as providing hard statistical input - who have really been City's penalty kings? Who do we wish we could have played every week? It's a fascinating book packed with memories good and bad, full of debating points for City fans of all ages.

Richer Than God: Manchester City, Modern Football and Growing Up David Conn, 2014-11-04 Richer Than God is an authoritative, emotional, provocative account of Manchester City's takeover by Sheikh Mansour, culminating in their remarkable last minute Premier League title victory in May 2012. By placing the club's extraordinary current rise in the wider context of its patchy modern history, this is also the story of English football's transformation--from the battlegrounds of the 1980s to today's moneyed, seated, global entertainment. Conn is led to question the very nature of football clubs and being a supporter, the underlying values and running of what used to be called the people's game. A labor of love, this powerfully told account of Manchester City's fall and rise, based on meticulous research over many years, and exclusive access and interviews with key figures, is written in the gripping, revelatory style Conn has made his trademark.
