Why Always Me? - The Biography of Mario Balotelli, City's Legendary Striker Frank Worrall,2013-01-31 Mario Balotelli is already a footballing legend - and he's only 22. Incredibly talented, yet frequently controversial both on and off the pitch, Balotelli lit up the Premier League from the moment he signed for Manchester City in 2010. Born in Italy to Ghanaian parents, he suffered life-threatening health problems as a baby. By the age of three he had recovered, but his parents then entrusted him to a foster family and Mario grew up in the affluent village of Concesio. He began his footballing career with Lumezzane, earning promotion to the first team at the age of just 15. Balotelli's skill soon brought him to the attention of Inter Milan and he signed with them in 2006. Having made his first team debut in 2007, he became the youngest Inter player to score in the Champions League in November 2008. His second season at Inter was blighted by disciplinary problems, and a series of high-profile clashes with manager Jose Mourinho paved the way for a move to the Premier League. Reunited with former boss Roberto Mancini at Manchester City, Balotelli soon made his mark with a series of stunning goals - and yet more incidents - which led to him being the subject of increasingly implausible newspaper reports about his antics. But the 2010/11 season was to end in glory, with a man-of-the-match performance as City won the FA Cup. A stunning performance in the Euro 2012 semi-final against Germany sealed Balotelli's status as a legend. This was eclipsed in the final game of the 2011/12 Premier League season, when Balotelli provided the assist to Sergio Aguero, who scored in the 94th minute to give City their first league title since 1968. He is sure to provide entertainment, goals and controversy for years to come. Mercurial, troublesome and frequently brilliant, this is the incredible story of the most fascinating man in world football today.

Solito Javier Zamora,2023-06-06 New York Times Bestseller • Read With Jenna Book Club Pick as seen on Today • Winner of the Los Angeles Times Christopher Isherwood Prize for Autobiography • Winner of the American Library Association Alex Award A young poet tells the inspiring story of his migration from El Salvador to the United States at the age of nine in this “gripping memoir” (NPR) of bravery, hope, and finding family. Finalist for the PEN/John Kenneth Galbraith Award for Nonfiction • One of the New York Public Library’s Ten Best Books of the Year Longlisted for the Andrew Carnegie Medal for Excellence and the PEN/Open Book Award “I read Solito with my heart in my throat and did not burst into tears until the last sentence. What a person, what a writer, what a book.”—Emma Straub “A riveting tale of perseverance and the lengths humans will go to help each other in times of struggle.”—Dave Eggers ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book Review, NPR, The Washington Post, San Francisco Chronicle, Vulture, She Reads, Kirkus Reviews Trip. My parents started using that word about a year ago—“one day, you’ll take a trip to be with us. Like an adventure.” Javier Zamora’s adventure is a three-thousand-mile journey from his small town in El Salvador, through Guatemala and Mexico, and across the U.S. border. He will leave behind his beloved aunt and grandparents to reunite with a mother who left four years ago and a father he barely remembers. Traveling alone amid a group of strangers and a “coyote” hired to lead them to safety, Javier expects his trip to last two short weeks. At nine years old, all Javier can imagine is rushing into his parents’ arms, snuggling in bed between them, and living under the same roof again. He cannot foresee the perilous boat trips, relentless desert treks, pointed guns, arrests and deceptions that await him; nor can he know that those two weeks will expand into two life-altering months alongside fellow migrants who will come to encircle him like an unexpected family. A memoir as gripping as it is moving, Solito provides an immediate and intimate account not only of a treacherous and near-impossible journey, but also of the miraculous kindness and love delivered at the most unexpected moments. Solito is Javier Zamora’s story, but it’s also the story of millions of others who had no choice but to leave home.

Storming Heaven: A Novel Denise Giardina,2010-07-05 This is the story of the miners and the union they wanted, of the people who loved them and the people who wanted to kill their dreams. Annadel, West Virginia, was a small town rich in coal, farms, and close-knit families, all destroyed when the coal company came in. It stole everything it hadn't bothered to buy—land deeds, private homes, and ultimately, the souls of its men and women. Four people tell this powerful, deeply moving tale: Activist Mayor C. J. Marcum. Fierce, loveless union man Rondal Lloyd. Gutsy nurse Carrie Bishop, who loved Rondal. And lonely, Sicilian immigrant Rosa Angelelli, who lost four sons to the deadly mines. They all bear witness to nearly forgotten events of history, culminating in the final, tragic Battle of Blair Mountain—when the United States Army greeted ten thousand unemployed pro-union miners with airplanes, bombs, and poison gas. It was the first crucial battle of a war that has yet to be won.

Italian Dialectology at the Interfaces Silvio Cruschina,Adam Ledgeway,Eva-Maria Remberger,2019-02-15 Recent years have seen a growing interest in linguistic phenomena whose formal manifestation and underlying licensing conditions represent the convergence of two or more areas of the grammar, an area of investigation particularly invigorated in recent generative research by developments such as phase theory (cf. Chomsky 2001; 2008) and the cartographic enterprise (cf. Rizzi 1997; Cinque 1999). In this respect, the dialects of Italy are no exception, in that they present comparative Romance linguists and theoretical linguists alike with many valuable opportunities to study the linguistic interfaces, as highlighted by the many case studies presented in this volume which provide a series of original insights into how different components of the linguistic system – syntactic, phonetic, phonological, morphological, semantic and pragmatic – do not necessarily operate in isolation but, rather, interact to license phenomena whose nature and distribution can only be fully understood in terms of the formal mapping between the interfaces.

Inside Team Sky David Walsh,2014-06-19 The inside story of Team Sky's challenge for the 2013 Tour de France. After the victory of Bradley Wiggins and Team Sky in the 2012 Tour de France, the pressure was on the team to repeat their success in 2013. When Wiggins had to pull out of the defence of his yellow jersey, attention moved to Chris Froome, who had finished as runner-up the year before. Could he bring about back-to-back victories for the UK and for Team Sky? With team principal Sir Dave Brailsford at the helm, the levels of expectation were high. Nothing less than a win would do. Embedded within the team was top sportswriter David Walsh, who had been covering the sport for four decades. The Sunday Times writer had done more than any other journalist to reveal the lies of Lance Armstrong, he has the reputation for exposing the dark secrets that cycling would want to keep hidden. His inside story, from how Team Sky prepared for the Tour de France through to Froome's emphatic victory, is supported by insights from all the key members of the

team, and provides a definitive account of a dramatic race that gripped cycling fans around the world.

Relational Social Work Fabio Folgheraiter,2003-10-30 In this innovative book, a revised English edition of an important Italian text, Fabio Folgheraiter presents a systematic introduction to networking and reflexive practice in social work. He draws on Italian experience and practice in community care and development to foster a deeper understanding of the relational core of social `problems' and `solutions', demonstrating an alternative approach to the current trend in positivistic evidence-based methods. The text explores how the interested parties in social care (users, carers, neighbours, volunteers, professional workers, managers, policy makers) can acquire a shared power in care planning and decision making. Folgheraiter demonstrates that when this networking and empowerment occurs, caring initiatives become truly social based and their efficacy increases. This book provides the framework for the repositioning of social care practice in relation to the state and civil society. The model of practice proposed is an important step towards the development of networks that can effect change locally, nationally and globally.

I Don't Give a F*!** Prem Dayal,2015-11-02 I DON'T GIVE A F***! American Mantras to Free the Spirit (A Roadmap to Enlightenment for Godless Mystics). Good old Socrates said: all I know is that I know nothing. If Socrates didn't know it, imagine what it is that I don't know! But there are a hell of a lot of people who say they know a lot, and are therefore much smarter than I and even smarter than Socrates, who certainly would not be someone to be ashamed of as a classmate. There are those who speak with angels, who speak with the dead, with forest creatures, extraterrestrials, goblins and animals... and the luckiest of all speak long distance with God. Sadly, it often happens that these same people, found talking candidly with ghosts, plants, UFOs, sheep, cows and all types of beasts, have serious difficulty communicating with their own children, their partners or with the valet parking dude.

Raising Mario Twice Christine Scharmer,2009-10-22 This is the true story of one family's heartfelt encounter with a tragic event. It is also the story of how love can transform a nightmare into a miracle. It was an impossibility that Mario had survived the car crash and yet he had. It took almost a brigade of firemen and The Jaws of Life to extract him from the wreck. He was found slumped over the driver's steering wheel unconscious. He was having trouble breathing and suffered severe traumatic brain injury. On route to the hospital he was ventilated through an oral mouthpiece. The paramedics could not intubate him because his mouth was clenched shut. He was considered brain dead on arrival to the emergency room. The doctors put Mario in an induced coma for twenty-one days. It was not expected that he would live. Many people prayed for Mario and his family and even though Mario lived, he was considered a vegetable with a poor prognosis for any meaningful recovery. With more prayers and healing Mario slowly recovered. After one hundred forty-one days of hospitals, Mario finally responded to a doctor and got into a rehabilitation facility. He stayed in rehab for forty days and finally came home. He wore diapers, couldn't talk, walk, eat, or move most of his body. The first few years of taking care of Mario were extremely challenging. It has been a difficult journey, but inch-by-inch Mario has kept improving. He never gives up and through the love of his family and friends remains happy most of the time. Richard Carlson a friend of Mario's and author of the Don't Sweat the Small Stuff books said, Mario is the happiest person I know. And Mario says, Smile because somebody loves you.

"This house, this place, knows all my secrets." It is a perfect August morning, and Elle, a fifty-year-old happily married mother of three, awakens at "The Paper Palace"—the family summer place which she has visited every summer of her life. But this morning is different: last night Elle and her oldest friend Jonas crept out the back door into the darkness and had sex with each other for the first time, all while their spouses chatted away inside. Now, over the next twenty-four hours, Elle will have to decide between the life she has made with her genuinely beloved husband, Peter, and the life she always imagined she would have had with her childhood love, Jonas, if a tragic event hadn't forever changed the course of their lives. As Heller colors in the experiences that have led Elle to this day, we arrive at her ultimate decision with all its complexity. Tender yet devastating, The Paper Palace considers the tensions

between desire and dignity, the legacies of abuse, and the crimes and misdemeanors of families.
