Christmas Candle Angela Kay Austin,2015-12-21 Crystal Waters was the only one among the three sisters who believed in the magic of their family. The magic of their ancestors. Their grandmother. Their mother. However, she believed and she was determined to discover if a little magic at Christmas could bring her and her sisters the love they all have been wanting. When he walked into the little shop in the middle of Midtown Memphis, he never thought the woman on the other side of the door would change his life. Who doesn't want a little magic at the holidays?

The Light Don't Shine No More Rod Williams,2020-09-05 Rachel Demeter—widow, mother, highly respected pillar of Greenstone, Colorado—has died. When her three sons gather for her funeral, old family tensions, rivalries, and grievances resurface. Robert, the oldest, heir to his late, domineering father’s investment firm, is a straight-arrow businessman with political ambitions. Thomas is a creative free spirit who has forged his own life in Florida, away from “the family drama.” Benjamin is the youngest, once the brother with the most promise but now suffering from a disabling head injury. At the center is Rob’s wife, Violet, a strong-willed woman whose past is somewhat clouded in mystery. Family secrets slowly come to light as the Demeter brothers search for ways to reconnect and mourn their mother’s passing.

Candles in the Wind Maud Diver,2013-09 This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1909 edition. Excerpt: ... futility; but the best type of modern parent is chary of needless intrusion into a temple built for two. Since Gwen has set the example, she said cheerily, I authorize a 'general post'I It's waste of good material letting you two men drive down together. You come with me in the victoria, and let your nice friend drive Mrs. Videlle in the cart. He won't mind, will he? Don't much look as if he would, Finlay remarked drily, with a glance at the two who seemed absorbed in their subject or each other. Then his gaze reverted to Gwen's vanishing figure. Is that really coming off? he asked as the curtains fell behind her. Why? Are people already discussing cheap and effective wedding presents? Finlay winced. There or thereabouts. May I discourage them? Certainly. On principle! Not on the strength of facts? Question and tone seemed to plead for fuller confidence; and this woman of the bravely smiling face was too intimate with the ache of suspense not to respond. My dear man, I know no more of the facts than you do, she said kindly. I believe in respecting the reserve of the young; and in some things, my outspoken lass is almost as 'inward' as her own father. What's more, she's got his head on her shoulders; and has been reared not to look upon marriage as an end in itself, but simply as a condition to be accepted for the sake of the one man she could not endure to lose. If she is going to feel that way about Frank Eve-ett, --well--one must put up with it. But at least I have safeguarded her to the best of my power; and she knows she is supremely needed at home. I couldn't bear that any girl of mine should be driven to accept a man as a means to an end. It is bad enough seeing other people's daughters-- She broke off abruptly;...

Candles for November Barry Eysman,2008-12-03 Heart's home perfect, in a journey through longing memories, a girl's mid July tears, wars fought in the soul and in the mind, homecoming when a photo is an entirety of a child, an urban legend linking past beauty with current sad age and most happy ending, letters to the founder of me, a 12-year old going blind and the splendid joy at the finality, a mad miracle at Fifth and Lex, a November gray skied and promise of snow, Gojira, an only hope, a Leif that causes trembles in midnight irony, these and more, to someone waiting for me and for them maybe, a welcome home long time running back to deep Autumn and a friend's face never forgotten for one single second. A love story, all of it. Let me tell you once upon a time on a snowy country road come November....

Remembering the Osage Kid Mardi Oakley Medawar, A sweeping novel of the Native American experience as seen by a powerful and controversial member of the Osage nation. C.R. Jones was one of the wealthiest men in Oklahoma. A full-blooded Osage Indian, he'd parlayed the black gold of oil into a position of unassailable power. But behind the success lay a long and tumultuous past: the scrawny kid with a gun who'd ridden with outlaws and avenged his father's brutal murder; the passionate teen who'd pledged his undying love to the one woman he could never have; the driven tycoon who'd made enemies as fast as he made money. Everett Jakomin was the son of one of those enemies. A small-town storekeeper, he hated and feared C.R., until he unexpectedly found himself the keeper of C.R.'s legacy. And as Everett soon discovered, only by learning C.R.'s remarkable story would he ever know the truth about himself. Filled with the color and spirit of Oklahoma history—from the life and lore of the Osage nation to the hardscrabble frontier days of marauding outlaws to the prosperity of the 1950s—here is the stirring tale of two very different men linked by a fierce pride and a tragic secret.

The House of a Thousand Candles Meredith Nicholson,2014-01-08 The House of a Thousand Candles is a classic romantic novel containing all the elements of a good mystery story: an isolated mansion inhabited by mysterious creatures, a handsome hero, duels, ghosts, and an old-fashioned shoot-out. The highly mannered style and aggrandized gaze of Meredith Nicholson's world nevertheless delights and enchants the reader with the silken kaleidoscope of sensory values pulled through narrow golden hoop of the written page. Indiana's lace-edged tintype history gleams with romance, mystery, substance. I am proud to own this signed first edition, and collect Nicholson's where others have imprudently overlooked them. The story begins as the hero enters the scene, nodding at the criminal foil, the stately and perfect heroine (American style if you please,) and the lifelong friend of the old school. Never again shall a writer look to the future and look back over the shoulder of American History with such finesse. A grand mystery, may Hollywood never grab it!
