Wonders of New York Alessandra Mattanza,2012-04-26 New York is like an infinite onion that you discover layer after layer, never tiring of peeling. You get to know it step by step, enchanted by its colours, its light, the sunsets and sunrises, by the ever-changing colour of the sky, as mutable as the wind. In the shadow of its breathtakingly tall skyscrapers, its buildings, its townhouses, as you hurry from one of the varied shop windows to the next. In its elegance and glamour, the formality of its museums, great temples of culture, in the magic of evocative moments and glimpses of street life. Indeed, New York does not actually exist, because there is not only one New York City, but ten, one thousand, one hundred thousand cities within the city, all jostling and intersecting each other, all connected to each other, in a melting pot of people, traditions and cultures that take you on a journey to every part of the world. This latest addition to the successful CubeBook Collection is dedicated to the discovery of this multifaceted city that is in a state of continuous transformation. AUTHOR: Alessandra Mattanza lives in New York. Warhol-isms Andy Warhol,2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and

ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—"In the future, everyone will be world-famous for 15 minutes." Warhol-isms separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well. I went to [a psychiatrist] once, and he never called me back. They always say that time changes things, but you actually have to change them yourself. I've never met a person I couldn't call a beauty. New things are always better than old things. I'm still a commercial artist. I was always a commercial artist.
