Jabari Jumps Gaia Cornwall,2020-10-06 Working up the courage to take a big, important leap is hard, but Jabari is almost absolutely ready to make a giant splash. Jabari is definitely ready to jump off the diving board. He's finished his swimming lessons and passed his swim test, and he's a great jumper, so he's not scared at all. "Looks easy," says Jabari, watching the other kids take their turns. But when his dad squeezes his hand, Jabari squeezes back. He needs to figure out what kind of special jump to do anyway, and he should probably do some stretches before climbing up onto the diving board. In a sweetly appealing tale of overcoming your fears, newcomer Gaia Cornwall captures a moment between a patient and encouraging father and a determined little boy you can't help but root for.

Jump! Scott M. Fischer,2011-04-19 When a bug sleeping on a jug is chased by a frog, he has to jump to get away. But then that frog (who's sleeping on a log) is in for a similar surprise! He's attacked by a cat...who needs to jump away from a dog...and on it goes, until not even a shark is free from getting a little fright! Building on repetition that's fun to read and fun to listen to, *Jump!* is a rip-roaring, read-aloud with simple rhymes and lively illustrations that leap off the pages.

Jump Shot Tiki Barber,Ronde Barber,2013-11-05 The Barber brothers know their way around a football field—but can they succeed on the basketball court? Find out in this slam dunk with “lively basketball action and life lessons aplenty (Kirkus Reviews)” from NFL superstars and bestselling authors Tiki and Ronde Barber. As Tiki and Ronde count the days until the start of football season, the basketball coach approaches them looking for new recruits, and Tiki and Ronde sign on. While Hidden Valley Junior High has always been a powerhouse in football, the school has never done as well in basketball. Ronde is a good passer, but he needs Tiki to get free to sink his shots. Tiki doesn’t feel the inner confidence he felt on the football field: it’s one thing to play in the driveway, but it’s another to sink one on the court, when so much is on the line. The brothers need a winning attitude—and they need to bring everyone together to win. That is their only way to victory. Can they do it?

Jump! Floyd Cooper,2004-10-21 What was Michael Jordan like as a boy? You might be surprised that the greatest professional basketball player ever wasn't even the best player in his own family! Michael Jordan was once just an ordinary little boy growing up in a North Carolina suburb, trying to keep up with his older brother Larry. Michael was always good at sports, but it seemed like Larry was always going to be bigger, quicker, and luckier. But Michael never gave up, and his practicing began to pay off. Then one summer day during a backyard game of one-on-one, Larry Jordan's little brother took him--and the whole family--by surprise! Based on actual events, this story of a friendly sibling rivalry is enhanced by Floyd Cooper's stunning two-tone art. *Jump!* even features a gate-fold depicting Michael Jordan's trademark leap that will send young readers soaring.
