You Are the Mother of All Mothers Angela Miller,2014 Every loss mama deserves to be reminded she is the mother of all mothers.

The Book of Mother Violaine Huisman,2021-10-19 A New York Times Notable Book A Library Journal Best Book of 2021 A “marvelous...superbly effective” (The New Yorker) debut novel about a young woman coming of age with a dazzling yet damaged mother who lived and loved in extremes. Met by rave reviews in The New Yorker, The New York Times, and more, this stunning translation of Violaine Huisman’s “witty, immersive autofiction showcases a Parisian childhood with a charismatic, depressed parent” (Oprah Daily). Beautiful and magnetic, Catherine, a.k.a. “Maman,” smokes too much, drives too fast, laughs too hard, and loves too extravagantly, and her daughter Violaine wouldn’t have it any other way. But when Maman is hospitalized after a third divorce and a breakdown, everything changes. Even as Violaine and her sister long for their mother’s return, once she’s back Maman’s violent mood swings and flagrant disregard for personal boundaries soon turn their home into an emotional landmine. As the story of Catherine’s own traumatic childhood and adolescence unfolds, the pieces come together to form an indelible portrait of a mother as irresistible as she is impossible, as triumphant as she is transgressive. With spectacular ferocity of language, a streak of dark humor, and stunning emotional bravery, The Book of Mother is an exquisitely wrought story of a mother’s dizzying heights and devastating lows, and a daughter who must hold her memory close in order to surrender, and finally move on.

Book of My Mother Albert Cohen,2012-04-10 Shortly after Albert Cohen left France for London to escape the Nazis, he received news of his mother’s death in Marseille. Unable to mourn her, he expressed his grief in a series of moving pieces for La France libre, which later grew into Book of My Mother. Achingly honest, intimate, and moving, this love song is a tribute to all mothers. Cohen himself expressed, I shall not have written in vain if one of you, after reading my hymn of death, is one evening gentler with his mother because of me and my mother. From the Trade Paperback edition.

Mother to Mother Sindiwe Magona,2014-09-02 Sindiwe Magona's novel Mother to Mother explores the South African legacy of apartheid through the lens of a woman who remembers a life marked by oppression and injustice. Magona decided to write this novel when she discovered that Fulbright Scholar Amy Biehl, who had been killed while working to organize the nation's first ever democratic elections in 1993, died just a few yards away from her own permanent residence in Guguletu, Capetown. She then learned that one of the boys held responsible for the killing was in fact her neighbor's son. Magona began to imagine how easily it might have been her own son caught up in the wave of violence that day. The book is based on this real-life incident, and takes the form of an epistle to Amy Biehl's mother. The murderer's mother, Mandisi, writes about her life, the life of her child, and the colonized society that not only allowed, but perpetuated violence against women and

impoverished black South Africans under the reign of apartheid. The result is not an apology for the murder, but a beautifully written exploration of the society that bred such violence.
