Quinn’s always ready for a fight, but the bittersweet sting of unrequited love has him begging for mercy. Dr. Kiera Finley is determined to make her medical residency a success. Six years ago, she gave in and shared a single passionate night with Quinn. Now she’s just hoping the cocky lover from her past doesn’t derail her plans for the future. Little by little, though, Kiera gets to know another side of Quinn. **Breaking a Legend** Sarah Robinson,2015-09-29 Hailed by Rachel Van Dyken as “equal parts sexy, intense, and emotional,” Sarah Robinson’s blistering-hot series debut introduces the Kavanagh brothers—mixed martial arts fighters who work hard, play hard, and love with all their hearts. As one of the big names at his family’s gym, Legends, MMA star Rory Kavanagh is used to being in the spotlight—until a gruesome leg injury knocks him out of the cage. Rory is left feeling sidelined in more ways than one, battling the inner demons that come with losing the one shot at his dreams. Then Clare walks into his life and gives him a new dream: winning her heart. There aren’t many new faces in Woodlawn these days, but this tough, beautiful stranger makes Rory want to get his life back into fighting shape. Clare Ivers doesn’t think she’ll be able to tell anyone what really brought her to the close-knit Bronx neighborhood where she just started bartending. But her life’s on pause and her past is catching up fast, try as she might to move on—with new friends, steady work, and a chiseled alpha male trying to get her attention. Even though Rory’s more than a little intense, she can’t deny that her heart beats faster when he looks at her with those soulful silver eyes. Clare thought she was done with love, but Rory might just be man enough to show her she thought wrong. Praise for Breaking a Legend “I loved this book. The romance gave me butterflies, the intimacy between the characters made me blush, and the drama made me hungry for more.”—Jamie Otis, reality television star, FYI’s Married at First Sight and ABC’s The Bachelor “Breaking a Legend will suck you in from the very first page and refuse to let go until long after you’ve finished. My team's focus at Google is on acquiring SMB advertising clients. And if you've ever worked with these types of businesses, you know there is huge diversity through the spectrum of small and medium businesses. We'd miss opportunities and gaps by over-aggregating (i.e. taking too high level a view) though often the challenge was in effectively communicating our insights. The Buyer Legends framework allowed us to more effectively focus our efforts, improving the bottom line. And equally important, to make a more compelling case for change with our marketing, engineering and product colleagues.Paul JeszenszkyHead of Global B2B Digital Marketing Center of Excellence, GoogleThe most clear-headed and useful guide ever for developing relevant and resonant stories about your business.Jay BaerPresident, Convince & ConvertBuyer Legends introduced me to a structured process which uses storytelling techniques to align our brand story to our customers experiences. With so many of our customers having an unique experience every day on Airbnb, it is our task to collect and communicate a collective narrative in the Airbnb brand story. While the

Airbnb storyboarding technique, as described in the introduction, gives a clear overview of the customers journey, the motives of our customers and their experiences are many. With global differences on how people travel, making their decision where to stay, and experience the more local hospitality Airbnb provides, Buyer Legends is the marketing tool which binds Persona's, storyboards and our brand story. This is a powerful combination. Dennis Goedegebuure Head of Global SEO, Airbnb

Among the lessons that Tom learns over the course of the next day: The beauty is in the details Your hand creates what your mind conceives All great accomplishments start with a single swift action No one begins by creating the Sistine Chapel Whether you're looking for a way to reinvigorate your career or searching for the courage to begin a new one, *THE ANGEL INSIDE* is a must-read if you want to find true meaning in your life and work. **Capitalist Nigger** Chika Onyeani,2012-03-27 Capitalist Nigger is an explosive and jarring indictment of the black race. The book asserts that the Negroid race, as naturally endowed as any other, is culpably a non-productive race, a consumer race that depends on other communities for its culture, its language, its feeding and its clothing. Despite enormous natural resources, blacks are economic slaves because they lack the 'devil-may-care' attitude and the 'killer instinct' of the Caucasian, as well as the spider web mentality of the Asian. A Capitalist Nigger must embody ruthlessness in pursuit of excellence in his drive towards achieving the goal of becoming an economic warrior. In putting forward the idea of the Capitalist Nigger, Chika Onyeani charts a road to success whereby black economic warriors employ the 'Spider Web Doctrine' - discipline, self-reliance, ruthlessness - to escape from their victim mentality. Born in Nigeria, Chika Onyeani is a journalist, editor and former diplomat.
