The Mountain Encyclopedia Frederic V. Hartemann,Robert Hauptman,2005 This outstanding reference work is the first A-Z, English language compilation on the world's mountains. It contains definitions, explanations, and clarifications in more than 2,300 entries, which vary in length from a brief sentence to detailed overviews of more complex subjects. It includes listings of many specific mountains, but more important, it is replete with geological terminology, birds and animals, flowers and trees, climbers and mountaineers, as well as associated tasks such as logging, mining, skiing, and climbing.

The Mountain Encyclopedia is invaluable as a source of data and information, but it is also enjoyable to read straight through.

World Trivia Questions Michelle L. Fischer, 2019-07-29 Welcome to the wonderful world of fun facts, trivia, and interesting things to know about all the things in the world. I have included interesting things about animals that are lesser known, to random facts and details that you wouldn't probably know prior to reading this book. There are so many things that are listed in this book that you should have no problem joining a trivia group at your local bar. I included information about Presidents, countries, mountains, food, actors, activists, animals, authors, television, movies, music, and even art. This book is so in-depth that you will definitely learn something that was not previously known. I hope this book is enjoyable for you to read and brings you lots of inspiration.
