A Guide to Sample Size for Animal-based Studies Penny S. Reynolds,2023-08-29 A Guide to Sample Size for Animal-based Studies Understand a foundational area of experimental design with this innovative reference Animal-based research is an essential part of basic and preclinical research, but poses a unique set of experimental design challenges. The most important of these are the 3Rs – Replacement, Reduction and Refinement – the principles comprising the ethical framework for humane animal-based studies. However, many researchers have difficulty navigating the design trade-offs necessary to simultaneously minimize animal use, and produce scientific information that is both rigorous and reliable. A Guide to Sample Size for Animal-based Studies meets this need with a thorough, accessible reference work to the subject. This book provides a straightforward systematic approach to “rightsizing” animal-based experiments, with sample size estimates based on the fundamentals of statistical thinking: structured research questions, variation control and appropriate design of experiments. The result is a much-needed guide to planning animal-based experiments to ensure scientifically valid and reliable results. This book offers: Step-by-step guidance in diverse methods for approximating and refining sample size Detailed treatment of research topics specific to animal-based research, including pilot, feasibility and proof-of-concept studies Sample size approximation methods for different types of data – binary, continuous, ordinal, time to event – and different study types – description, comparison, nested designs, reference interval construction and dose-response studies Numerous worked examples, using real data from published papers, together with SAS and R code A Guide to Sample Size for Animal-based Studies is a must-have reference for preclinical and veterinary researchers, as well as ethical oversight committees and policymakers.

Benny and Penny in the Big No-No! Geoffrey Hayes,2009-05-01 Theodor Seuss Geisel Award Winner Benny and his sister Penny know it's wrong to sneak into someone else's backyard but their mysterious new neighbor--or is it a

monster?—may be a thief. They go snooping and discover a lot about themselves and...a new friend. Bestselling children's artist Geoffrey Hayes enchants early readers with his charming and subtle storytelling. In this lively caper, the artist's small-scale mice take on large-scale issues with enormous comics mastery.

Harry Kitten and Tucker Mouse George Selden, 2014-02-25 New editions of old favorites Meet Harry Kitten and Tucker Mouse. No one would ever dream that a cat and mouse could become friends, but that doesn't stop Harry and Tucker. All they have is each other to depend on. Together they begin an exciting adventure throughout New York, searching for a home they can call their own. But the two friends run into some troublesome times in their journey around town. Is all hope lost? Where will they turn to next? Join Chester Cricket and his friends in this classic tale from George Selden.

Mouse Seasons Leo Lionni, 2022-02-22 The first new original Leo Lionni picture book in nearly 30 years, featuring the beloved mouse Frederick as he guides his fellow mice--and young listeners--through a joyous celebration of the seasons. There is more than one way to prepare for a long winter, as Frederick tells his friends in the classic story. Gathering food and other supplies is important, but gathering the smells, sounds, and sights of a beautiful day to recall later are just as vital. How one little mouse cheers his entire community and prepares them for a full year ahead is a story that young children will love.

The Mouse in Your Wallet Reuben Wanjala, 2008-10 According to the 2005 U.S. Census Bureau report there are over 113 million households with a median income of \$46,326 per year and an average debt of \$10,000. With a majority making minimum payments it will take more than 10 years to pay them off. No wonder when it comes to investing for retirement, the question is always 'Where is the money?' We spend every penny just to keep up. The Mouse in Your Wallet is written by an average American who's found a way to make money work at the low and middle-income level. Author Reuben Wanjala will teach you the techniques to change your spending habits and get out of debt. You will learn what to look for and how to respond to the marketing pressures that surround you. The Mouse in Your Wallet will guide you and your family to budget your finances better and change your perspective on the three fundamentals of financial matters debt, savings, and investments.

The Vigilante Tooth Fairy B.B. Taylor, James Shaw, 2023-09-15 On her teeth-stealing adventure, Mouse begins her mission to steal children's teeth in the hope that she can save her fairies before it's too late. But is this drastic course of action the answer? What happens when a little girl finds her out? Is the jig up or is there another way? Meet Faith, a young girl desperate still to believe in a world that's starting to forget. Faith decides to help Mouse find an alternative way to save the fairies without stealing the teeth. Together they adventure to find an alternative source of teeth to get the much-needed magic for the fairies, but after disappointment hits and they are unable to find a suitable alternative, they accidentally stumble upon the answer that had been there all along. Laughter! The magic of the children's laughter, just as powerful as the teeth the fairies collected. The fairies could be saved after all. As long as Mouse could get the magic back in time, but being so small Mouse just isn't fast enough to save her fairy friends, now drained of their magic and fading away. In one last attempt to save the day Mouse takes the magic to the Fairy Mountain Volcano, waking it up and letting it spew the magic back out into the world-saving the magic and the fairies too! A not so average fairy tale, the rules have been thrown out the window, so who knows what may happen along the way!
