A Christmas Miracle for Daisy Jane Porter, 2015-11-22 Now a GAC Family Original Movie! Media Mogul, Cormac Sheenan, had no desire to become a family man, but when his two year old goddaughter, Daisy, is orphaned, he adopts her, moving her from Montana to his home in Southern California, and becomes a devoted single father, juggling parenting duties with running his successful publishing, TV, and radio enterprise. But two years later a frightening incident at Daisy's school, shakes Cormac, and he decides to move Daisy-and his business-back to Montana where life is simpler and he has family nearby. Now four, precocious Daisy strikes up an unlikely friendship with Marietta's seasonal Santa Claus, and believes he's the real thing, even though Cormac points out to her that this jolly old Kris Kringle is renting a room at Bramble House, not living at the North Pole. Daisy's not worried but Cormac is as Rent-a-Santa has promised his innocent daughter she'll have a mommy for Christmas. Cormac is livid with Kris. He's not at all ready to settle down, and he's definitely not getting back together with his old flame Whitney Alder, so Santa can stop playing match maker as it'd take a miracle to make him fall in love, never mind marriage material. But that's exactly the kind of miracle our angelic Santa Claus has planned...

News of the World Paulette Jiles, 2016-10-04 Soon to be a Major Motion Picture National Book Award Finalist—Fiction In the aftermath of the Civil War, an aging itinerant news reader agrees to transport a young captive of the Kiowa back to her people in this exquisitely rendered, morally complex, multilayered novel of historical fiction from the author of *Enemy Women* that explores the boundaries of family, responsibility, honor, and trust. In the wake of the Civil War, Captain Jefferson Kyle Kidd travels through northern Texas, giving live readings from newspapers to paying audiences hungry for news of the world. An elderly widower who has lived through three wars and fought in two of them, the captain enjoys his rootless, solitary existence. In Wichita Falls, he is offered a \$50 gold piece to deliver a young orphan to her relatives in San Antonio. Four years earlier, a band of Kiowa raiders killed Johanna’s parents and sister; sparing the little girl, they raised her as one of their own. Recently rescued by

the U.S. army, the ten-year-old has once again been torn away from the only home she knows. Their 400-mile journey south through unsettled territory and unforgiving terrain proves difficult and at times dangerous. Johanna has forgotten the English language, tries to escape at every opportunity, throws away her shoes, and refuses to act “civilized.” Yet as the miles pass, the two lonely survivors tentatively begin to trust each other, forming a bond that marks the difference between life and death in this treacherous land. Arriving in San Antonio, the reunion is neither happy nor welcome. The captain must hand Johanna over to an aunt and uncle she does not remember—strangers who regard her as an unwanted burden. A respectable man, Captain Kidd is faced with a terrible choice: abandon the girl to her fate or become—in the eyes of the law—a kidnapper himself.

The False Prince Jennifer A. Nielsen, 2012-06-07 If you love the danger and sword-fighting of MERLIN, you'll like this! In a discontent kingdom, civil war is brewing. To unify the divided people, Conner, a nobleman of the court, devises a cunning plan to find an impersonator of the king's long-lost son and install him as a puppet prince. Four orphans are recruited to compete for the role, including a defiant boy named Sage. Sage knows that Conner's motives are more than questionable, yet his life balances on a sword's point - he must be chosen to play the prince or he will certainly be killed. As Sage's journey continues, layer upon layer of treachery and deceit unfold, until finally a truth is revealed that proves more dangerous than all of the lies put together.

To-day's Cinema News and Property Gazette, 1915

Judy John Fricke, 2011-08-23 Through her incomparable work on screen, stage, record, radio, and television, Judy Garland earned renown as "The World's Greatest Entertainer." It was as a motion picture star though, that she first rose to international fame. From her feature film debut in 1936 through the aptly titled *I Could Go on Singing* in 1963, she lit up the screen with a magic uniquely hers—and dazzled world-wide audiences of all ages. Judy Garland starred in two dozen of the all-time classic movie

musicals, among them *A Star is Born*, *Meet Me in St. Louis*, *Babes in Arms*, *Easter Parade*, *For Me and My Gal*, and *The Harvey Girls*. Her dramatic turns in *Judgment at Nuremberg*, *The Clock*, and *A Child is Waiting* won added acclaim. And perhaps most unforgettably, she starred as Dorothy Gale in the best-loved motion picture of all time: *The Wizard of Oz*. *Judy: A Legendary Film Career* tells the story of Garland's movie work in unprecedented detail. Hundreds of never-before-published photos, newly-assembled contemporary reviews, insight from her costars and coworkers, and production histories are provided for each film in which she appeared. Highlighting and complimenting the feature films is a definitive biography; an examination of Judy's short subjects; details of the movies she did not complete; and an enthralling compendium of film projects for which she was considered or rumored. The text is illustrated by more than five hundred photos, encompassing poster art; costume tests; behind-the-scenes candid; onstage and backstage glimpses of her theatrical successes; and personal snapshots. *Judy* is the exhaustively researched work of historian John Fricke. He celebrates as never before the heart, humor, and incandescent motion picture achievement of the one-and-only Judy Garland.

Films of Endearment Michael Koresky, 2021-05-04 An Esquire Best Book About Hollywood A USA TODAY Best Book of 2021 "A lovely and loving book."—Will Schwalbe, New York Times bestselling author of *The End of Your Life* Book Club I'm not sure I have ever read a book about movies that is as tender and open-hearted as *Films of Endearment*.—Mark Harris, New York Times bestselling author of *Mike Nichols: A Life* A poignant memoir of family, grief and resilience about a young man, his dynamic mother and the '80s movies they shared together Michael Koresky's most formative memories were simple ones. A movie rental. A mug of tea. And a few shared hours with his mother. Years later and now a successful film critic, Koresky set out on a journey with his mother to discover more about their shared

cinematic past. They rewatched ten films that she first introduced to him as a child, one from every year of the '80s, each featuring women leads. Together, films as divergent as *9 to 5*, *Terms of Endearment*, *The Color Purple* and *Aliens* form the story of an era that Koresky argues should rightly be called *The Decade of the Actress*. *Films of Endearment* is a reappraisal of the most important and popular female-driven films of that time, a profound meditation on loss and resilience, and a celebration of the special bond between mothers and their sons.

Rediscovering U.S. Newsfilm Mark Garrett Cooper, Sara Beth Levavy, Ross Melnick, Mark Williams, 2018-06-14 The twentieth century generated tens of thousands of hours of American newsfilm but not the scholarly apparatus necessary to analyze and contextualize them. Assembling new approaches to the study of U.S. newsfilm in cinema and television, this book makes a long overdue critical intervention in the field of film and media studies by addressing the format's inherent intermediality; its mediation of events for local, national, and transnational communities; its distinctive archival legacies; and, consequently, its integral place in film and television studies more broadly. This collection brings fresh, contemporary methodologies and analysis to bear on a vast amount of material that has languished in relative obscurity for far too long.

Marketing to Moviegoers Robert Marich, 2005-04-18 *Marketing to Moviegoers* is the essential guide to film marketing. Although there are many resources available about how to make a film, there are few about how to get your film seen once it's made and none that reveal the closely-guarded marketing secrets of the major motion picture studios. The author goes right to the source and provides data, quotes, and insights from high profile industry professionals and information on market research that the major studios don't want the moviegoing public to know. This book will

be indispensable for film marketing executives, consumer product marketers, students, and people new to the filmmaking field. It provides practical data, such as templates for advertising campaigns of different sizes, solutions, and an insight into the complicated movie marketing process. Armed with the strategies that Hollywood professionals would prefer not to share, film professionals and marketing professionals alike will have a leg up in this complicated business.

Nemesis Brendan Reichs, 2017-03-21 Orphan Black meets Lord of the Flies in this riveting new thriller from the co-author of the Virals series. It's been happening since Min was eight. Every two years, on her birthday, a strange man finds her and murders her in cold blood. But hours later, she wakes up in a clearing just outside her tiny Idaho hometown—alone, unhurt, and with all evidence of the horrifying crime erased. Across the valley, Noah just wants to be like everyone else. But he's not. Nightmares of murder and death plague him, though he does his best to hide the signs. But when the world around him begins to spiral toward panic and destruction, Noah discovers that people have been lying to him his whole life. Everything changes in an eye blink. For the planet has a bigger problem. The Anvil, an enormous asteroid threatening all life on Earth, leaves little room for two troubled teens. Yet on her sixteenth birthday, as she cowers in her bedroom, hoping not to die for the fifth time, Min has had enough. She vows to discover what is happening in Fire Lake and uncovers a lifetime of lies: a vast conspiracy involving the sixty-four students of her sophomore class, one that may be even more sinister than the murders.

The Bad News Bears in Breaking Training Josh Wilker, 2011-06-14 In 1977, *The Bad News Bears in Breaking Training* had a moment in the sun. A glowing junk sculpture of American genres—sports flick, coming-of-age story, family melodrama, after-school special, road narrative—the film cashed in on the previous year's success of its predecessor, *The Bad*

News Bears. Arguing against the sequel's dismissal as a cultural afterthought, Josh Wilker lovingly rescues from the oblivion of cinema history a quintessential expression of American resilience and joy. Rushed into theaters by Paramount when the beleaguered film industry was suffering from "acute sequelitis," the (undeniably flawed) movie miraculously transcended its limitations to become a gathering point for heroic imagery drawn from American mythology. Considered in context, the film's unreasonable optimism, rooted in its characters' sincere desire to keep playing, is a powerful response to the political, economic, and social stresses of the late 1970s. To Wilker's surprise, despite repeated viewings, *The Bad News Bears in Breaking Training* continues to move him. Its huge heart makes it not only the ultimate fantasy of the baseball-obsessed American boy, but a memorable iteration of that barbed vision of pure sunshine itself, the American dream.

The One Kiera Cass, 2014-05-06 The captivating third book in Kiera Cass's #1 New York Times bestselling *Selection* series America Singer searches for her happily ever after in this swoon-worthy YA dystopian romance, perfect for readers who loved Veronica Roth's *Divergent*, Lauren Oliver's *Delirium*, or Renée Ahdieh's *The Wrath & the Dawn*. Entering the Selection changed America Singer's life in ways she never could have imagined. Since she arrived at the palace, America has struggled with her feelings for her first love, Aspen—and her growing attraction to Prince Maxon. Now she's made her choice . . . and she's prepared to fight for the future she wants. Don't miss *The Betrothed*, a glittering royal romance sure to captivate Kiera Cass's legion of loyal readers and lovers of courtly intrigue alike!

Orson Welles's Last Movie Josh Karp, 2015-04-21 In the summer of 1970 legendary but self-destructive director Orson Welles returned to Hollywood from years of self-imposed exile in Europe and decided it was time to make a comeback movie. Coincidentally it was the story of a legendary self-destructive

director who returns to Hollywood from years of self-imposed exile in Europe. Welles swore it wasn't autobiographical. The Other Side of the Wind was supposed to take place during a single day, and Welles planned to shoot it in eight weeks. It took twelve years and remains unreleased and largely unseen. Orson Welles' Last Movie by Josh Karp is a fast-paced, behind-the-scenes account of the bizarre, hilarious and remarkable making of what has been called the greatest home movie that no one has ever seen. Funded by the Shah of Iran's brother-in-law, and based on a script that Welles rewrote every night for years, a final attempt to one-up his own best-work. It's almost impossible to tell if art is imitating life or vice versa in the film. It's a production best encompassed by its star, John Huston, who described the making of the film as an adventure shared by desperate men that finally came to nothing.

Spy School Stuart Gibbs, 2024 Twelve-year-old Ben Ripley leaves his public middle school to attend the CIA's highly secretive Espionage Academy, which everyone is told is an elite science school.
