The Friendly Orange Glow Brian Dear, 2018-10-02 At a time when Steve Jobs was only a teenager and Mark Zuckerberg wasn't even born, a group of visionary engineers and designers—some of them only high school students—in the late 1960s and 1970s created a computer system called PLATO, which was light-years ahead in experimenting with how people would learn, engage, communicate, and play through connected computers. Not only did PLATO engineers make significant hardware breakthroughs with plasma displays and touch screens but PLATO programmers also came up with a long list of software innovations: chat rooms, instant messaging, message boards, screen savers, multiplayer games, online newspapers, interactive fiction, and emoticons. Together, the PLATO community pioneered what we now collectively engage in as cyberculture. They were among the first to identify and also realize the potential and scope of the social interconnectivity of computers, well before the creation of the internet. PLATO was the foundational model for every online community that was to follow in its footsteps. *The Friendly Orange Glow* is the first history to recount in fascinating detail the remarkable accomplishments and inspiring personal stories of the PLATO community. The addictive nature of PLATO both ruined many a college career and launched pathbreaking multimillion-dollar software products. Its development, impact, and eventual disappearance provides an instructive case study of technological innovation and disruption, project management, and missed opportunities. Above all, *The Friendly Orange Glow* at last reveals new perspectives on the origins of social computing and our internet-infatuated world.

Carolina Connections Box Set Sylvie Stewart, 2020-08-07 The Carolina crew is back in this hometown series of hot romantic comedies. Continue the adventure here... The Game - Book 4 (Emerson and Gavin) The Way You Are - Book 5 (Liv and Brett) The Runaround - Book 6 (Ari and Jax) THE GAME They say opposites attract. Someone needs to tell that to Emerson Scott. GAVIN: All I ever wanted was to play ball. When an act of sheer stupidity took that dream away, I thought I'd never bounce back. But now I have the opportunity to coach an up-and-coming phenom, and I'm giving it all I've got. The fact that I've been lusting after his smoking-hot sister only sweetens the deal. Emerson may be buttoned up like a school librarian, but I play my best when I'm under pressure ... and I always bring the heat. EMERSON: Never lose focus. Never lose control. Those are the first two rules in my carefully calculated plan for success. Finding myself thrown into the role of guardian for my little brother was not part of that plan. But I can adjust for Jay's sake; I'm not about to let one change make me lose sight of my goals. Too bad Jay's hot young baseball coach doesn't seem to give a fig about my plans. He has one of his own—and it includes me. Gavin Monroe may play like a pro, but that boy will never win this game. THE WAY YOU ARE "They say nice guys always finish last. I say the only place that should apply is in the bedroom—it's just good manners, after all." – Brett MacKinnon, nice guy and frequent resident of the friend zone LIV: There are really only three things I need in life: sex, baseball, and winning. My hot boyfriend and season tickets take care of the first two, while I always do my best to cover the last. So developing an unexpected crush on a new friend is more than a little inconvenient. I don't have anything but friendship to offer Brett, but with the way he looks at me, he has me wishing I did. BRETT: I've been put in the friend zone so

often, they've got a sandwich named after me. You'd think I'd be used to it by now. But when it comes to the delectable Liv, I'm determined to ditch the friend zone and show her I'm boyfriend material. Too bad the position's already been filled by a ball-playing caveman who could flatten me with his pinky. What will it take to show Liv that nice guys can be more than just friends, and that love is the one game truly worth winning? THE RUNAROUND Men are good for two things: orgasms and reaching the wine glasses on the top shelf. ARI: I've always said boyfriends are like martinis; they're lots of fun at first, but the longer you indulge the bigger headache they'll give you. With career goals to crush and more than a few balls in the air, there's no place in my life for the messy complications of love. Jax Crosby thinks he can tempt me to lose control and he's using his daughter to reel me in. He'd be dangerously easy to fall for, but there are more important things in life than love, aren't there? JAX: I like to stay two steps ahead; that way, I'm never surprised. But even I didn't see this one coming. Congratulations to me—I'm a freakin' dad. Now I've got a teenage daughter who hates me, an ex who wants to cut things off my body I'm not ready to part with, and an attraction to a curvy songbird that couldn't have come at a worse time. But I've never met a situation I couldn't handle, and I've never let a female get the best of me. So why do I have the feeling Ariana Amante might be one more thing I never saw coming? Books not included in this set include: The Fix - Book 1 (Laney and Nate) The Spark - Book 2 (Fiona and Mark) The Lucky One - Book 3 (Bailey and Jake)
