My Baby's Feet (Free eBook Sampler) Sheila M. Luck, 2014-02-01 Fearfully and desperately wanting to hide my mistakes and deny the unwanted, but not totally unexpected ramifications of my earlier choices, I chose what seemed to be the easiest answer. I chose death, and then I moved into the aftermath of my choice. I, for a lifetime and beyond, will live in the aftermath of my choice. Although there is recovery, through forgiveness, there are lasting ramifications. No one told me that the ramifications of my choice would last forever. No one told me what my choice would do to my heart. No one told me that my choice was, in fact, a death sentence for my baby. Are you or someone you know, facing an unwanted pregnancy? Are you wondering if "choice" is the answer, the easiest solution? After the "choice" comes the aftermath. A living choice not only gives life to a baby, but results in an aftermath of life. Abortion results in an aftermath forever shrouded in death, death of a baby, perhaps death of your own baby. For those struggling with the post abortion aftermath, you and your loved ones can find healing and forgiveness. This book is for: Moms wrestling with choice and an unplanned teen pregnancy Loved ones who are seeking resolution after abortion Anyone who has had an abortion and wants to know how to feel better. This book is a great tool for teen pregnancy educators, pregnancy center advisors, and those seeking to learn more about the emotional struggles, post abortion. It is written out of love and understanding by a woman who thought her choice was the best answer. Whether or not you are a Christian, you will be inspired by the author's incredible faith, without which it would have been impossible to write this book. Through my story, I pray that you will know that a living choice is the only real choice. Join me in my story of running from my mistakes, hiding my choice, and slogging through the abortion aftermath. Come with me as I discover a new truth about an old choice. Join me as I struggle with guilt and heartfelt shame, knowing the new truth. Observe the aftermath. Find forgiveness, healing and recovery. What choice would you have made? What choice would you recommend?

*Go Diaper Free* Andrea Olson, 2021-02-17 Stop changing diapers? start pottting your baby. Over half the world's children are potty trained by one year old, yet the average potty training age in the United States is currently three years old. This leaves parents wondering: What did people do before diapers? and How do I help my own baby out of diapers sooner? Elimination Communication, also known as EC, is the natural alternative to full-time diapers and conventional toilet training. Although human babies have been pottied from birth for all human history, we've modernized the technique to work in today's busy world. *Go Diaper Free* shows parents of 0-18 month babies, step-by-step, how to do EC with confidence, whether full time or part time, with diapers or without. Diaper-free doesn't mean a naked baby making a mess everywhere - it actually means free from dependence upon diapers. With this book, new parents can avoid years of messy diapers, potty training struggles, diaper rash, and unexplained fussiness. Also helpful for those considering EC, in the middle of a potty pause, or confused about how to begin. This 6th edition includes a new section on The Dream Pee, a full text and graphic revision, more photos of EC in action, and a complete list of further resources. MULTIMEDIA EDITION: includes the book and access to private video

library, helpful downloads, additional troubleshooting, and our private online support group run by our Certified Coaches. For less than the cost of a case of diapers, you can learn EC hands-on, the way it's meant to be learned.

The Rancher's Miracle Baby April Arrington, 2017-08-01 EVERY MIRACLE HAS A PRICE Barrel racer Tammy Jenkins has outrun a lot of things in her life. A tornado is not one of them. She barely manages to find shelter and safety at the ranch of a handsome stranger, but the storm is swift and merciless in its destruction. With the arrival of Tammy and the baby, however, his home is suddenly brightened by laughter, warmth and Tammy's graceful beauty. As much as his heart aches for more, Alex knows this is a temporary arrangement. Baby Brody needs a real family—something Tammy deserves, too. But can Alex let them go?

*The Wonder Weeks* Frans X. Plooij, Hetty van de Rijt, Xaviera Plas, 2017-09-05 This is not a book about how to make your child into a genius, however. We firmly believe that every child is unique and intelligent in his own way. It is a book on how to understand and cope with your baby when he is difficult and how to enjoy him most as he grows. It is about the joys and sorrows of growing with your baby.--Publisher's website.
