Trick Mirror Jia Tolentino,2019-08-06 NEW YORK TIMES BESTSELLER • “From The New Yorker’s beloved cultural critic comes a bold, unflinching collection of essays about self-deception, examining everything from scammer culture to reality television.”—Esquire Book Club Pick for Now Read This, from PBS NewsHour and The New York Times • “A whip-smart, challenging book.”—Zadie Smith • “Jia Tolentino could be the Joan Didion of our time.”—Vulture FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE’S JOHN LEONARD PRIZE FOR BEST FIRST BOOK • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK PUBLIC LIBRARY AND HARVARD CRIMSON AND ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Time • Chicago Tribune • The Washington Post • NPR • Variety • Esquire • Vox • Elle • Glamour • GQ • Good Housekeeping • The Paris Review • Paste • Town & Country • BookPage • Kirkus Reviews • BookRiot • Shelf Awareness Jia Tolentino is a peerless voice of her generation, tackling the conflicts, contradictions, and sea changes that define us and our time. Now, in this dazzling collection of nine entirely original essays, written with a rare combination of give and sharpness, wit and fearlessness, she delves into the forces that warp our vision, demonstrating an unparalleled stylistic potency and critical dexterity. Trick Mirror is an enlightening, unforgettable trip through the river of self-delusion that surges just beneath the surface of our lives. This is a book about the incentives that shape us, and about how hard it is to see ourselves clearly through a culture that revolves around the self. In each essay, Tolentino writes about a cultural prism: the rise of the nightmare social internet; the advent of scamming as the definitive millennial ethos; the literary heroine’s journey from brave to blank to bitter; the punitive dream of optimization, which insists that everything, including our bodies, should become more efficient and beautiful until we die. Gleaming with Tolentino’s sense of humor and capacity to elucidate the impossibly complex in an instant, and marked by her desire to treat the reader with profound honesty, Trick Mirror is an instant classic of the worst decade yet. FINALIST FOR THE PEN/DIAMONSTEIN-SPIELVOGEL AWARD FOR THE ART OF THE ESSAY

**The Mirror Book** Charlotte Grimshaw,2021-03-30 Brave, explosive, and thought-provoking, this is a powerful memoir. 'It's material, make a story out of it,' was the mantra Charlotte Grimshaw grew up with in her literary family. But when her life suddenly turned upside-down, she needed to re-examine the reality of that material. The more she delved into her memories, the more the real characters in her life seemed to object. So what was the truth of 'a whole life lived in fiction'? This is a vivid account of a New Zealand upbringing, where rebellion was encouraged, where trouble and tragedy lay ahead. It looks beyond the public face to the 'messy reality of family life - and much more'.--Back cover.

*The Empty Mirror* James Lincoln Collier,2013-06-01 Nick Hodges had always been a troublesome boy. Growing up an orphan in his Uncle Jack's care in a small New England town wasn't easy. Everyone was a little wary, a little watchful—a little too watchful. One day, while Nick is walking in the woods, a neighbor thinks she sees him miles from where he actually is. Soon a series of events reinforcing Nick's hotheaded reputation unfold. The incidents become increasingly serious until, finally, Nick is the scapegoat for a much more sinister crime, one that he wouldn't even think of committing. As he uncovers history of the town's influenza epidemic, and as he observes a strange occurrence in the graveyard, Nick begins to suspect something out of the ordinary is happening. And when he sees a figure running in the woods wearing the mirror image of his own shirt, Nick starts to piece together some of the answers—answers no one could have imagined. James Lincoln Collier has written a haunting story of a boy and his reflection—and what happens when two souls want to inhabit the same living body.

*Mirror, Mirror Off the Wall* Kjerstin Gruys,2014-07-01 A scholar and bride-to-be spends a year without mirrors to get a better view of what really matters When Kjerstin Gruys became engaged, she was thrilled—until it was time to shop for a wedding dress. Having overcome an eating disorder years before, Gruys found herself struggling to maintain a positive self-image; so she decided to refocus her attention. Mirror, Mirror Off the Wall charts Gruys’s awakening as she vows to give up mirrors and other reflective surfaces, relying on friends and her fiancé to help her gauge both her appearance and outlook on life. The result? A renewed focus on what truly matters, regardless of smeared makeup or messy hair. With humorous and poignant scenes from Gruys’ life, Mirror, Mirror Off the Wall sparks important conversations about body image and reclaiming the power to define beauty.

**The Mirror in the Woods** Jodie Keeling,2016-08-02 Seventh grade is hard enough without losing my best friend, Lily, to makeup, cheerleading, new friends, and boys. What starts out as a normal, boring day at school ends in a four-wheeler wreck in front of a mirror in the woods. Who knew that a mirror in the junk pile would give me much-needed control over my life as well as Lily's? It took one mixed-up reflection to learn that, sometimes, what is on the other side of the glass could be deceiving, and trying to make sense of it all could be dangerous. Becoming a teenager is hard enough for most girls when life is going smoothly. With everything changing around them, it is especially hard to be the late bloomer. In The Mirror in the Woods, author Jodie Keeling writes about the distance that comes between two best friends, Kelly and Lily, based on those growing pains and how Kelly's supernatural glimpse into the life of Lily helps put it all into perspective. The mirror in the story represents the crystal ball that every young girl dreams of having that would make life much easier to

deal with. The question for Kelly is, how far is she willing to go to see the other side?

**Eat Drink And Be My Best; Forget The Rest** Theo Annika Knillsson,2019-03-21 Years of abuse and neglect have affected my eating and drinking and what was best for me overall. It is hard to eat healthy when there is not enough money to do so. Also, when a victim is an emotional mess, it is hard to eat healthily. In reality, the abuser pretty much dictates what, when, and if you eat at all. Abusers force victims to eat foods that make a victim never want to eat that food again, and some of those foods are healthy foods. There are so many factors in why victims of abuse eat the way they do and why they have eating disorders. Eating healthily is a big deal, especially when a victim becomes malnourished due to abuse. I was anorexic for a few years because of the long-term horrific abuse. At this time I had just had my last child, down to ninety pounds and not able to gain weight no matter what I ate after I got out of the abusive situation. It took years of eating enough healthy food to get my weight back to a normal weight. And then of course, I unintentionally got back into another abusive situation. His control and abuse put me far into debt because I was not going to eat unhealthily and go back to being anorexic ever again. I was forced not to work in this final abusive marriage. I will never get into an abusive marriage again even if I had been lured into abusive marriages in my past by them over and over again. Forced not to work made it so I had to use credit cards in order to eat enough healthy food. At least I was not damaged again by anorexia. No matter how forceful or abusive my husband was then, my kids were not going to go without healthy food even if I was on a tight budget. I would go into debt all over again so they could eat healthy! I keep thinking, I will pay it off and go to work as soon as I am safe enough to get out of this abusive marriage! Finally out of that my last abusive marriage, I am slowly but surely paying off the debt. Yes, with a lot of interest charge, but I am going to be out of debt eventually. I work as much as I can even if I am physically disabled, unlike my last abusive husband; I have to work to eat healthy! I can't worry about the debt or I won't get out! I eat healthy and in time, I will become wealthy enough to be out of debt! Because healthy is wealthy! That is why I wrote this book, to give you the reader, ideas on what and how: to eat, drink, and be the best; forget the rest! I will always be on a tight budget and that is how I will get out of debt. SMART SPENDING HAPPY ENDING!

**I Am a Cat** Natsume Sōseki,2024-03-16 Soseki Natsume's comic masterpiece, I Am a Cat, satirizes the foolishness of upper-middle-class Japanese society during the Meiji era. With acerbic wit and sardonic perspective, it follows the whimsical adventures of a world-weary stray kitten who comments on the follies and foibles of the people around him. A classic of Japanese literature, I Am a Cat is one of Soseki's best-known novels. Considered by many as the most significant writer in modern Japanese history, Soseki's I Am a Cat is a classic novel sure to be enjoyed for years to come.

**Into the Mirror** Andy Karr,2023-05-23 Into the Mirror examines the materialism of the modern world through the profound teachings of Mahayana Buddhism and offers an accessible and powerful method for investigating the way our minds construct our worlds. Into the Mirror combines contemporary Western inquiries into the nature of consciousness, with classical Buddhist investigations into the nature of mind, to offer deep insights into the nature of reality. Andy Karr invites the reader to make this a personal, experiential journey through study, contemplation, and meditation. The first part of the book presents the Mahayana Buddhist approach to the path of freedom from suffering. It explores foundational teachings, such as the four truths, the notion of enlightenment, and the practice of meditation, from a fresh perspective. The second part deconstructs assumptions about mind and the material world using easily understood tools from contemporary Western philosophy. Part three presents a series of contemplative practices, ethics, and insights, starting with the Middle Way teachings on emptiness and interdependence, through Yogachara’s subtle understanding of non-duality, to the view that buddha nature is already within us to be revealed rather than something external to be acquired. Into the Mirror concludes with a call to cultivate compassion for beings and the environment right within this world of illusion.

**Nietzsche's Mirror** Linda L. Williams,2002-07-15 Nietzsche's Mirror introduces the reader to one of the most central and pervasive themes in Friedrich Nietzsche's works—will to power. The book traces Nietzsche's use of the terms 'power,' 'will,' and 'will to power' as they are presented in both the works he authorized for publication and his literary remains, called the Nachlass. The author demonstrates that will to power as it is presented in the Nachlass differs from the way it is presented in the works Nietzsche authorized for publication before his collapse in 1889. Then it is argued that the problems that the Nachlass poses for scholars suggests that the Nachlass material should not be held in the same regard as the works Nietzsche authorized for publication. Because of the discrepancy between the published and unpublished writings, will to power should not be interpreted as a metaphysical principle operating behind the world, since the metaphysical-sounding passages are located in the Nachlass, but rather as a tool for interpreting relations, especially human relations, within the world. The final chapter examines Nietzsche's unique style of writing, which the author calls 'mirror writing.' Mirror writing is a technique Nietzsche deliberately employs in order to have such visionary themes as will to power, master morality, and eternal recurrence reflect the reader's values back to himself. Since this book is meant to be an introduction to will to power, at the end of each chapter is a list of additional books, so that the reader can delve further into the themes presented in the chapter, such as Nietzsche's biography, ethics, writings on truth, and eternal recurrence.
