The Dice Man Luke Rhinehart, 1998-05-01 "One of the fifty most influential books of the last half of the twentieth century," a comic novel about a therapist making life choices by rolling dice. (BBC) The cult classic that can still change your life . . . Let the dice decide! This is the philosophy that changes the life of bored psychiatrist Luke Rhinehart—and in some ways changes the world as well. Because once you hand over your life to the dice, anything can happen. Entertaining, humorous, scary, shocking, subversive, The Dice Man is one of the cult bestsellers of our time. "A fine piece of fiction . . . touching, ingenious and beautifully comic." —Anthony Burgess, author of *A Clockwork Orange* "Luke Rhinehart and THE DICE MAN have launched a psychiatric revolution." —London Sunday Telegraph "A blackly comic amusement park of a book." —TIME Magazine "Weird, hilarious . . . an outlandishly enjoyable book." —St. Louis Post-Dispatch "Witty reckless clever . . . a caper at the edge of nihilism." —LIFE Magazine "Brilliant . . . much like CATCH-22 . . . the sex extra-juicy."

—The Houston Post “Outrageously funny.” —Fort Worth Star-Telegram “Hilarious and well-written . . . A brilliant summary of modern nihilism. Dice living will be popular, no doubt of that.” —Time Out (London)

From Dream To Dice Aron Christensen, 2018-12-18 I've written two other books (so far) on my tricks and tools for running table-top role-playing games. But now it's time to put those tools to the test - making an actual RPG campaign. Right here, right now, on the page. So let's do this! I'll start with the seed of a story idea, go through world-building and character creation, then expanding that

basic plot out into scenes, combats and crises. This is an up-close, behind the scenes look at how I make a game. Then I'll run the campaign for my group. The second half of this book details what went right, what went wrong, how I kept the game moving and my friends entertained. From the dream that inspired me to the dice hitting the table, this is how I run an RPG.

Shakuni & The Dice of Doom Mallar Chatterjee, Why did shakuni have to come to Hastinapur? His own gandhara folks believed that he wanted to take revenge against the Kauravas. They, however, knew nothing about shakuni's disturbing secret and his actual intention. What was shakuni's real motive? What was the secret he was trying to guard from the world with all his efforts? In Hastinapur, shakuni would get entrapped in an inescapable mesh of the past, the present, and the future. He could have freed himself from the tangle by cracking a particular riddle that he would only be able to solve too late. What was the riddle about? What made him finally realise that he had just been used? This is the untold story of shakti laced with love, desire, envy, Malice, and vengeance. This is a heart-rending chronicle of some grievously wounded people you can never hate, even if you fail to love or pity them.

The Search for the Dice Man Luke Rhinehart, 2015-07-28 The Dice Man's son must roll the dice himself as his neat and orderly world begins to crumble. Larry Rhinehart is the son of the renegade psychiatrist Luke Rhinehart, who introduced the world to dice-living and dice therapy, where

decisions are made not by the self but by the roll of a die. Since his father deserted him when he was still a child, Larry has bitterly rejected everything his father stood for. He has embraced order and control. Now a wealthy Wall Street analyst, he is about to marry the boss's daughter, and become a good deal wealthier. Then Homeland Security shows up in Larry's office searching for his father, who is suspected of being behind acts of cyber warfare against government, banking and Wall Street interests. Larry's carefully organized world begins to crumble. Forced to try find his father before the government can, his search is made in the company of Kim, a sexy admirer of Luke's. His quest takes him to Lukedom, a Dice Commune where everyone changes roles every day—to Larry's own dicing, which leads to love, a broken engagement, rigging the stock market—and total chaos. Larry's search is by turns funny, moving, and erotic. By the time he finally confronts his father he has been profoundly and hilariously changed and his previously successful, conservative life has been turned on its head.

My Dice Chooses My Holidays William Cullen, 2018-09-24 Choose where to go on holiday by the throw of your dice. Whatever number it lands on you have to go there. Or do whatever else it suggests. You can add other ideas to aid your dice throws. For example you write down six destinations, and six ways to get there. The dice decides. If you have three choices then use dice numbers - 1 and 2, 3 and 4, and 5 and 6 to cover those choices. If only two choices then its odds or evens on the dice throw. For example, should you have a vegetarian meal or a meat based meal? Let the dice decide, odds or evens chooses. But don't throw the dice in the restaurant too hard or it may end up in somebody else's soup!

Throw Down Your Dice Ravin Singh, 2021-06 Throw Down Your Dice is a collection of poems that follows four threads of passion and perspectives. This journey connects simple words and tangled emotions that arise when you take a chance.

Loaded Dice Aron Christensen, Erica Lindquist, 2019-12-16 I've been running role-playing games for thirty years, but am relatively new to playing them. Erica's rolled up dozens of characters, but has only a few Storytelling experiences under her belt. Together, we've written a blog about what we learned, the challenges we have to overcome, and all the solutions we've come up with to keep an RPG campaign going - The RPGuide. This is a collection of our best and favorite articles from the first year and a half year of RPGuide posts. We've got advice for handling players, building NPCs, and we debate rules and play styles. If you're an old hand at role-playing, maybe you'll find a new trick to put up your sleeve, or a fresh way of looking at gaming. And if you're new to RPGs, then you're welcome to learn from our mistakes and take advantage of our experience. You've probably read My Guide to RPG Storytelling, the Companion, or maybe From Dream to Dice, and that's what brought you around to this little collection. But if this is your first RPGuidebook, welcome! Don't

worry, you don't need to read any of the others first - Loaded Dice can be used on its own. We'll even begin with a "What the heck is a table-top role-playing game?" chapter. So let's play!
