My Liverpool Home Kenny Dalglish,2010-09-16 Kenny Dalglish's relationship with Liverpool Football Club is one of the great love stories of sport. From the moment he first set foot in the Anfield dressing room nervously asking for autographs while having a trial at the club, Dalglish felt a passion for Liverpool stir within him. After joining from Celtic in 1977, the supremely gifted striker was embraced by Liverpool fans, for the goals and the glory, and most especially for the three European Cups. The Kop's adoration of King Kenny has never ebbed. Every game, they still sing his name. Liverpool fans have never forgotten how Dalglish held the club together through two tragedies, the first at the Heysel stadium in Brussels in 1985 and then at Hillsborough in 1989. Both disasters are explored at length and in emotional detail by Dalglish in My Liverpool Home. Eventually, for the sake of his health and his family, Dalglish resigned and Liverpool have not won the title since. Although Dalglish walked alone, away from Anfield, in his heart he never really left and has now finally returned, playing a pivotal role in this turbulent period in the club's history. My Liverpool Home is the story of Dalglish's epic love affair with Liverpool, tracing the highs and lows, the characters, the laughter, the triumphs and the many tears. For football fans, this revealing book about one of the game's greatest players is a must. For those fascinated by how a very private man suffered after very publicly supporting his community, Dalglish's emotional story makes compelling reading.

My Memories of Everton by Kevin Ratcliffe Kevin Ratcliffe,2003-09 This fully illustrated book relives Kevin Ratcliffe's outstanding career with Everton FC from his early days to the famous Cup victories.

Hammered - I Played Football for West Ham, Man City and Everton... Then the Police Came Calling and My Life Fell Apart Mark Ward,2010-11-01 On 11th May 2009, Ward left Kirkham prison in Lancashire, the one-time top-flight winger had spent four years at Her Majesty's pleasure for drugs offences. His crime was renting a property in which cocaine with a street value of ?645,000 was found during a police raid in May 2005. Ward never denied his involvement. Broke and with no permanent home at the time, he had accepted ?400 a week from an acquaintance to rent a house for an unspecified stash. He was sent down for eight years. He has always acknowledged his stupid, terrible mistake. A footballer who was once spoken of as England material, Ward was ever-present in the best league season West Ham ever had (1985-86), and a top-flight player with Manchester City and Everton. In the first ever week of the Premier League in 1992, he helped Everton win 3-0 at Old Trafford. Later he was player-coach at Birmingham in a promotion season that saw silverware at Wembley. He had a beautiful wife, now former wife, who Ward jokes was the original WAG, and part of the good life of a footballer which included a big house, flash car, nice clothes, foreign holidays, and a ?2,000-a-week contract, which in the early 1990s still seemed a lot of money in the Premier League. But the playing days ended, and a desperate fight to stay in the game - at lower-league clubs, then in Hong Kong and Iceland- eventually had to be given up. The decline led to crime, and prison. Ward occupied himself by writing his life story, by hand, on prison paper. He says: I'm proud of my book. It's just an honest account of my life, no bullshit. Ward is outspoken about current players who have achieved notoriety for the wrong reasons. He talks about the escapades and run-ins with numerous well-known names, inside and outside football. In one astonishing chapter, Shooting the Pope, Ward reveals how, at a 1992 fancy dress Christmas party at Everton, he shot team-mate Barry Horne, dressed as the Pope, at close range, in the chest, with a real gun; this incident was never before made public, nor were many others, until now.

The Kop: Liverpool's Twelfth Man Stephen F Kelly,2011-06-30 'When The Kop is roaring it really is like having a twelfth man out there on the pitch. They're the best fans in the country - by miles.' Jamie Carragher The Spion Kop is one of the most famous, emotive and atmospheric vantage points in all of sport. The one-time terracing that could 'suck the ball into the net' - in Bill Shankly's immortal phrase - still inspires and intimidates today. Once the home of more than 25,000 swaying, singing, standing Kopites, it's now seated and can hold merely half that number, but its magic still remains. In this fully revised and updated edition, Stephen F Kelly uses eyewitness testimonies from Kopites, policemen, cleaners and referees as well as newspaper reports and the recollections of players and managers to trace the history of this amazing and fascinating stand - each anecdote wonderfully evoking the spirit of the changing times the Kop has experienced. Stirring, emotional and marvellously readable, The Kop is a must for any Liverpool fan and anyone interested in what it means to be a supporter of any football club.

*Robbie Fowler: My Life In Football* Robbie Fowler,2019-11-14 Born in Liverpool in 1975, Robbie Fowler became a club icon by the time he was eighteen. Now, he takes us through the games that have shaped his life and football philosophy, more than 25 years after he first signed as a professional. Engaging, personal and revealing, Robbie opens up about his astounding achievements, the price of fame and the regrets and struggles of being a professional footballer. From Hillsborough to Madrid, via the cup treble, that goal line celebration, Houllier, Benítez, Klopp and more, Robbie explains his thinking about the modern game. Inviting readers inside the dressing room, he shares stories of legendary teammates like Rush, McManaman and Gerrard, as well as his rise to football's top table. What inspired him to play the beautiful game? How did he get back up after the injuries that blighted his career? What gave him the drive to keep going and pursue his dreams? My Life in Football is the inspiring story of a local boy who became a legend.

**From Everton Vale to Rivington Pike** Edith Amy Pierce,2009-04-15 Most people in their late 80's settle for an easy life. Not so Edith Amy Pierce! Something of a rascal in her youth, she lived through the horrors of the Second World War in Liverpool. She had to wave goodbye to her husband Harold, only four days after their marriage, and had to wait nearly four years before seeing him again. Read the fascinating story in her autobiography, From Everton Vale to Rivington Pike. After Harold's death in 1981, she moved nearer to one of her three daughters, in Horwich near Bolton, just a short walk from Rivington Pike. She immersed herself in voluntary work in order to overcome her grief, and has continued to find many ways over the years ever since to make other people's lives more comfortable. Later she married again, and enjoyed 10 years of life with John, experiencing a host of adventures and scrapes on their long hikes through the Lancashire countryside. Now, approaching her 90th birthday, she is celebrating life with this highly readable autobiography.

**The Illustrated Everton Story** Andy Groom,2014-06-18 Are you a fan of Everton FC? If so, you won't want to be without this new book profiling the Everton story from 1870 right up to the present date. Detailing all the high and low points that have made Everton into the successful club it is today, this book charts the progress of the Blues from St. Domingo to the golden era and everything in between. This fascinating new book includes over 100 profiles of all the great Blues players such as Alfred Milward, Jack Taylor and Dixie Dean along with more recent footballing heroes; Kevin Ratcliffe, Paul Rideout and Tim Cahill. **David Weir** David Weir,2011-09-15 David Weir's career is a tale of triumph on the pitch but also of victory over the assumption all top-level footballers are finished in their mid-30s. Weir, who turned 41 in May 2011, is the oldest outfield player to represent Rangers since 1945, passing the mark set by their famous full-back, Jock 'Tiger' Shaw. In this revealing autobiography, Weir gives an insight into the high of playing in the 1998

World Cup finals for his country to the low of the chaotic 2-2 draw in the Faroes four years later which led to his decision to stop playing for Scotland. For the first time, he gives his side of the story. How he felt Berti Vogts, Scotland's boss, used him as a scapegoat. Many felt Weir's international career would end on that sour note and that his club career was approaching its conclusion, too. He was 32 and David Moyes, his manager at Everton, made no secret he was on the lookout for new, younger defenders. Like thousands of footballers before him, Weir could just have accepted his time was up. He had a young family and a father who was suffering from Alzheimer's to help care for and self-doubt gnawed at him. Could he cut it any more? Instead, he moved to Rangers in January 2007, making his debut for his childhood favourites at a mere 36 years and 236 days and has helped them to eight trophies since and a European final in 2008. Weir's is a story of battling against the odds to keep playing at the top level and proving he could, despite the doubts of others and indeed himself.

My Wrexham Story Paul Mullin,2023-11-23 The memoir from Wrexham super striker, Paul Mullin - as seen in Welcome to Wrexham, a Disney+ documentary series by Ryan Reynolds and Rob McElhenney. In July 2021, shortly after being named League Two's Player of the Season and Golden Boot, Paul Mullin sent shockwaves through the EFL by taking a downwards move to National League team, Wrexham AFC. Since then, 'Super Paul Mullin' has helped transform the Wrexham team, scoring goal after goal, helping secure promotion, and capturing the imaginations of football fans across the world in the process. Here for the first time, Mullin tells his own story: his roots in Liverpool, the highs and lows of English football's promotion race, lessons learnt from his young son's Autism diagnosis, and what happens when Hollywood comes knocking at your door.

Where’s Your Caravan?: My Life on Football’s B-Roads Chris Hargreaves,2011-08-25 Forget Torres, Rooney, Beckham and the like. This is what football is really about. One man’s story of a career in the lower leagues.

*Liverpool Sectarianism* Keith Daniel Roberts,2017 Liverpool Sectarianism: the rise and demise is a fascinating study that considers the causes and effects of sectarianism in Liverpool, how and why sectarian tensions subsided in the city and what sectarianism was in a Liverpool context, as well as offering a definition of the term 'sectarianism' itself. By positioning Liverpool amongst other 'sectarian cities' in Britain, specifically Belfast and Glasgow, this book considers the social, political, theological, and ethnic chasm which gripped Liverpool for the best part of two centuries, building upon what has already been written in terms of the origins and development of sectarianism, but also adds new dimensions through original research and interviews. In doing, the author challenges some longstanding perceptions about the nature of Liverpool sectarianism; most notably, in its denial of the supposed association between football and sectarianism in the city. The book then assesses why sectarianism, having been so central to Liverpool life, began to fade, exploring several explanations such as secularism, slum clearance, cultural change, as well as displacement by other pastimes, notably football. In analysing the validity of these explanations, key figures in the Orange Order and the Catholic Church offer their viewpoints. Each chapter examines a different dimension of Liverpool's divided past. Topics which feature prominently in the book are Irish immigration, Orangeism, religion, politics, racism, football, and the advance of the city's contemporary character, specifically, the development and significance of 'Scouse'. Ultimately, the book demonstrates how and why two competing identities (Irish Catholic and Lancastrian Protestant) developed into one overarching Scouse identity, which transcended seemingly insurmountable sectarian fault lines.

**For The Boys In The Royal Blue Jersey 2** Steve Zocek,2019-11-12 As Everton fans, we all sing the anthems, ?It's a grand old team to play for, ? and, ?If you know your history, ? but how well do you really know the players of the past? The first volume featured interviews with fifty former Everton players who have lived the boyhood dream; gracing the famous Goodison turf in the royal blue jersey. This edition contains interviews with fifty more former players, some who are very well known, and others less so. Some could count their total games on one hand. But, one thing they all have in common, is their pride in wearing the royal blue jersey and playing at Goodison Park.

Klopp Anthony Quinn,2020-11-03 'A love letter to the great man himself.' The Times 'Immensely readable.' Observer 'Delightful.' Mail on Sunday 'Highly enjoyable.' Guardian 'Informative and emotive.' This Is Anfield In the first book by a British writer about this extraordinary football manager, lifelong Liverpool fan Anthony Quinn has crafted a memorable love letter to Jürgen Klopp. Taking in all the drama of LFC's disrupted, but ultimately triumphant, 2019-20 season, it offers unique insight into one of football's most charismatic figures. 'Klopp isn't just for Liverpool, Quinn writes in his final pages. He is for all of us. I reckon this book can be too.' Hannah Jane Parkinson, Observer 'Klopp has worked his way into Liverpool's big sentimental heart like a German love bomb. And Quinn couldn't resist writing an ode, an unabashed fan's note: to Klopp and his boyhood city and the ghost of Shankly.' Irish Times

*Sharp* Graeme Sharp,2012-03-16 Graeme Sharp is quite simply an Everton legend. Second only to the immortal Dixie Dean as the club's top goalscorer, he netted 159 goals in over 400 appearances for the Toffees. Sharp became a Goodison Park hero during the halcyon days of the '80s, when Everton won two League Championships, the FA Cup, the European Cup-Winners' Cup and came within an ace of a historic treble in 1984-85. Partnered first by his boyhood idol Andy Gray and then by England hero Gary Lineker, Sharp established a reputation as one of the finest strikers in the world and notched up 12 caps for his national side, Scotland. Although his eventual departure from Everton left a sour taste in his mouth, he continued to score goals for Oldham Athletic before becoming manager of the Lancashire outfit. But off-the-field frustrations blighted his tenure in the hot seat, and a spell as a manager in non-league football brought the curtain down on a magnificent career that ended with triumph for Bangor City in the Welsh Cup. In Sharp: My Story, the former Everton star reveals all: the highs, the lows, the big names, the victories, the disappointments, the heartache, the lot!
