**Knowing Who I Am** NIANELL, 2012-10-15 Wherever she goes the popular South African recording artist and celebrity Nianell offers this important, inspiring message: Every one of us should love ourselves. When we learn how to love ourselves unconditionally, we will be able to experience a life worth living and also inspire and touch the people around us. Then we not only make a difference in our own lives, but also in the lives of others. In her first book, *Knowing Who I Am*, Nianell tells how she has learned to love herself. She takes the reader on a journey through her life, from being a shy, withdrawn schoolgirl to becoming the acclaimed singer/songwriter she is today. Like most people, Nianell has had to face challenges, and she offers an honest and unpretentious account of her personal experience of suffering, the struggle to belong, love, womanhood, being a mother of triplets, and being a star. Her personal stories, many shared with the public for the first time, illustrate how she discovered who she really is and how she came to the point of accepting herself and her worth. Nianell's descriptions of her

experiences will touch your heart, inspire you, and help you realize the value of accepting and loving yourself as you are. **Knowing Who I Am** is an enjoyable combination of biography and inspiration. Split into seven issue-focused chapters, this hilarious collection will be a tonic for anyone finding themselves unsure whether to laugh or cry about recent developments in the world of education.
